Jeff,

I removed him from the upcoming jobs next week and blocked your school. Did you happen to speak with him about this?

Dina,

I am requesting that Timothy Firtion be removed as a substitute teacher at Lanoka Harbor School. He has been observed by myself and other staff members failing to adequately supervise the students in his care on multiple occasions. He also has been late to assignments and class coverage on multiple occasions. I do not feel comfortable leaving him alone in the care of children and recommend he be removed from the substitute list at this time.

Thank you.
