Northern Burlington County Regional School District
160 Mansfield Rd. East
Columbus, NJ 08022

Dear Dr. Zuckerman & Board Members,

Please let this letter serve as my official resignation from the Northern Burlington County Regional School Board, effective immediately. Over the past year, it has become clear to me that board members are not afforded their freedom of speech or the god given right to have an opinion that may be different from others, due to the real and perceived harassment, intimidation, and bullying of a group of small minded individuals in and around our community. Accordingly, I will not continue to take time and energy away from my loved-ones to voluntarily serve on the Board of Education.

It is a tremendous loss to our community that this extremist group intends to eradicate any and all differing opinions in an effort to control the narrative, where politics comes before children.

It has been with great pleasure to represent my community during my term and I am thankful for the opportunity. I am honored to have worked in the capacity of improving the school and its functions for our children.

Good luck to you all and God Bless America.

Sincerely,

A handwritten signature in black ink, appearing to be 'AR' followed by a flourish.
