Subject: [EXTERNAL] RE: Green Acres Application #0422-19-021 - Memorial Park Improvements

Good morning,

After a decussion with the Administrator and Mayor we think it would be best to no longer pursue the funding from Green Acres for the playground at our Memorial Park. The playground has been built with most of funding coming from CDBG.

We hope to work with Green Acres in the future and appreciate the help you were willing to give the Borough of Lindenwold and its residents.

Thank you,

Craig Wells
Superintendent
Lindenwold D.P.W.

Craig –

Following up on our conversation, I am sending along templates of our Procedural and Closeout Letters, which describe items to be submitted for a Green Acres park development project. Please let me know if you have any questions about the requirements.

If the Borough decides to pursue Green Acres funding for the portion of the Memorial Park playground costs not covered by the Clean Communities grant, please provide the following:

1. Dates of construction; and
2. The amount of the new funding request.

If the Borough decides not to pursue Green Acres funding for this project, please also let me know so that the application may be withdrawn.

As we hope to announce our funding awards shortly, please provide this information as soon as possible.

Thank you,
Cecile
