RE: Green Acres Project Number 0422-19-021
Memorial Park Improvements
Lindenwold Borough, Camden County

Dear Mayor Roach:

I am pleased to inform you that the Department of Environmental Protection and the Garden State Preservation Trust have approved Lindenwold Borough's application for a Green Acres matching grant of \$278,535.00 and loan of \$92,845.00. This funding is contingent upon the passage of a legislative appropriation.

I congratulate you on your efforts to improve and expand the recreational opportunities in our state. Lindenwold Borough's contribution in operating and maintaining this park will help preserve a valuable resource for future generations. Green Acres staff will contact you directly and provide further information to guide you through this project.

Preserving open space and improving and expanding local parks are critical components of the state's efforts to combat sprawl and protect our quality of life. We look forward to working with Lindenwold Borough toward the successful completion of this important project.

Sincerely,

Catherine R. McCabe
Commissioner
