Re: Open Public Records Act/Common Law Request

Dear Sir/Madam:

The Old Bridge Municipal Utilities Authority ("Authority") records custodian received your Open Public Records Act ("OPRA") and common law request ("Request") on December 5, 2024. The seven-business day deadline to respond to your Request is December 16, 2024. As such, the Authority is timely responding to your Request in accordance with New Jersey law.

Your Request seeks the following records:

Any and all compensation Bruce Walker has received from 1-1-23 to present. Information requested is for title with MUA, salary, stipends and benefits if receiving them.

Please be advised that OPRA allows the records custodian to seek extensions of time pursuant to N.J.S.A. 47:1A-5i. Due to the voluminous nature of your Request as well as vacation schedules, the Authority requires an additional two weeks (until December 30, 2024) to compile, review, and produce the potentially responsive records in accordance with New Jersey law. The Authority also reserves the right to request an additional extension of time if necessary. See Scheeler v. New Jersey Department of Educ., GRC Complaint No. 2014-123 (2016).

Thank you for your anticipated cooperation.

Very truly yours,

Michael Roy, P.E.
Executive Director/Authority Engineer
