

Request for Reconsideration of Library Materials

The Burlington County Library has a responsibility to provide a comprehensive collection representing a wide range of ideas and viewpoints; moreover, BCLS has committed to the right of free access to information for all individuals. Customers wishing to recommend the removal or reclassification of a particular item may submit a Request for Reconsideration form. Requests to remove materials will be considered by the Library Director in consultation with librarians selected in a review committee. The Director will offer a response upon consideration of the review committee's recommendation.

1. What concerns you about this work? (Please be specific. Cite pages or sections.)

Children and families including myself and my children have been deceived. The first half of the book is adorable, innocent and deceiving, until reaching pages

and showing sexual content and fully explaining how a man carresses a woman's breasts and that the penis slides in and out of the vagina stating

2. What brought this work to your attention?

"It feels nice" until "semen is released inside the vagina." Extremely explicit for minors!

My 8 year old and I were in the minors section of the library. She saw the cartoon book about a baby in a belly and wanted to bring it home. In reading some of the book in the library, we were excited. Until we got home.

3. Did you examine the entire work? (Circle one) Yes | No

If not, what sections did you examine?

4. What do you feel might happen as the result of reading/viewing this work?

Minors will be exposed to pornographic content at ages 12 and 8 years old.

5. What actions are you requesting the committee consider?

Jörg Müller
and

I am requesting that All books from Dagmar Geisler are removed from the shelves and removed from the library. If this book is placed with the adults, they will bring it back to the children's section, because the first half of the book looks innocent.

6. Have you read the library's Collection Management Policy? (Circle one) Yes | ☒ No

If yes, in what way does the work in question violate this policy?

I have not read it, however, I'm more than sure that pornographic content is not legal in the minors section - not even young adults (13-18 year old).
