INCIDENT - SUPPLEMENTAL NARRATIVE

I responded to McDonalds for a customer dispute of complaint of being charged twice. Upon arrival I made contact with the caller Pabitra Baidya who advised me that his wife came to the drive thru yesterday and bought a happy meal for \$7.00. There was another charge showing up on the same day for \$6.92. I took his receipt into McDonalds and spoke with the manager. We went to the office and looked over the sales for that day. The only charged they had was for the \$7.00 and no other charge to Pabitra account. I advised Pabitra of my findings and advised him to contact his bank at this time. If he had any further information or question to contact police.

BWC was activated during incident.
