RE: OPRA Request Received March 7, 2022

Dear Mr. Kratovil:

As custodian of records for the Milltown Board of Education ("Board" and/or "District"), I am writing this letter in response to your request pursuant to the Open Public Records Act (OPRA) submitted and received via email on Monday, March 7, 2022.

OPRA allows custodians to seek extensions of time within which to respond, pursuant to N.J.S.A. 47:1A-5i. Specifically, OPRA states that, "the requestor shall be advised when the record can be made available. If the record is not made available by that time, access shall be deemed denied." With regard to your request, this office requested such an extension. Accordingly, the Board's response to your request is set forth below.

"[A] copy of all bills/invoices from the Busch Law Group received since July 1, 2020. Please ensure that your response provides records sufficient to show the total invoiced by this vendor for work stemming from the situation involving Egnita Pardo, including the board's investigation of her eligibility to serve, the related cases before the Office of Administrative Law and NJ Superior Court, the vendor's participation in various public and executive sessions where this issue was discussed, and any other work done by Busch Law Group related to this matter."

Enclosed please find copies of invoices for all fees and costs of The Busch Law Group for services to the Board for since July 1, 2020. The documents have been redacted to remove information protected by the attorney-client privilege pursuant to N.J.S.A. 47:1A-1.1. The copies have further been redacted to protect confidential personnel information pursuant to N.J.S.A. 47:1A-10 and N.J.S.A. 10:4-12(b)(8) and confidential student information pursuant to N.J.S.A. 41:1A-1, N.J.A.C. 6A:32-7.1, et seq., and L.R. v. Camden City Pub. Sch. Dist., 453 N.J. Super 56 (App. Div. 2017).

As the records identified above are being provided to you in electronic format only, there is no charge associated with your request. The foregoing information and the attached documents constitute a full and complete response to your OPRA request and therefore, your OPRA request is closed.

Thank you.

Sincerely,

Norma Tursi
Business Administrator/Board Secretary
