Original Narrative

06/04/2024 06:49:40

On the above date and approximate time, I responded to Raimos Junk Yard for a reported theft of copper wire that occurred at 0400 hours this morning. Upon my arrival, I made contact with Christopher Manzo. Manzo stated that he observed a hispanic male approximately 40 years old wearing jeans, a blue long sleeve shirt, and a backwards hat steal approximately \$200 worth of copper on his ring camera. Manzo then stated that his neighbor had a picture of the male on his trail camera at 0735 hours this morning. See attached videos and picture. Det. Mendelsohn was notified, and a VINE form was completed.
