Narratives

Original Narrative

11/13/2025 03:47:08

On the above date and time patrols responded to 90 Rt. 206 Shoprite for the report of the callers car being vandalized. Patrols arrived on scene and met with a Kelly Flynn who stated stickers depicting President Donald Trump with the label "Fascist" were placed on her windshield. (the stickers were not placed directly on the car but still on there original backing.) The caller told patrols she had several stickers on her back windshield one stating "God Guns and Trump." another stating "MAGA." and a third saying "Back the blue." The caller believed the Fascist stickers were left on her car because of the stickers on her back windshield. The caller stated the incident is on ShopRite security cameras. Patrols spoke with the ShopRite manager who informed patrols only Loss prevention has access to the cameras, and that that employee had left already. The callers car is a [REDACTED] Nissan Rouge located four spaces in from the front of the building. The car is in the row of spaces in front of the Dunkin Donuts sign for ShopRite. No further actions taken at this time. End of report.
