Opr - NP1195

Unit - P1150

Parsons stated he was traveling north on Main Road, in the area of Lake Road, coming from Vineland area. He observed a red van, bearing NJ reg N92FSJ facing north pulled over to the shoulder. He stated as soon as he drove past the vehicle, the vehicle pulled aggressively behind him, so Parsons pulled over to let the vehicle pass him and continue on his way. The vehicle passed, then pulled over to the shoulder and again got behind Parsons. Parsons again pulled to the side and the accused sped past aggressively. He stated the male appeared angry, banging his hands on the steering wheel. The accused pulled down a side street and got made a fast u-turn and again got behind Parsons. Eventually the accused turned off a side street, but Parsons then saw the accused again at the intersection of Tuckahoe and Main Road. Parsons does not know who the male is or why he was harassing him. The tag NJ N92FSJ comes back to the vehicle described by Parsons. A search of that tag showed it had been stopped less than a year ago by a male matching the descriptions described by Parsons and his son. I showed them a picture of that male and they confirmed that was the male operating the vehicle on that day. Parsons then signed a motor vehicle complaint against Ronald Westenberger for careless driving.
