Subject: OPRA request - CAD Reports

Dear West Deptford Township,

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

CAD printouts including narratives for police activity from 5/19/21 at 3am to 5/19/22 at 3pm.

Yours faithfully,

Thomas

Please note that we have read your request to be for "CAD printouts including narratives for police activity from 5/19/21 at 3am to **5/19/21** at 3pm."

A search of our available records has identified nineteen (19) pages of CAD Activity Detail Reports for the requested time period.

Response to Common Law Request

The common law right to access public records depends on three requirements: (1) the records must be common law public documents, *Nero v. Hyland*, 76 N.J. 213, 222 (1978); (2) the person seeking access must “establish an interest in the subject matter of the material,” *South Jersey Publishing Co. v. New Jersey Expressway Auth.*, 124 N.J. 478, 487 (1991); and (3) the citizen’s right to access “must be balanced against the State’s interest in preventing disclosure.” *Loigman v. Kimmelman*, 102 N.J. 98 (1986).

After consultation with the Township Solicitor, we have determined that you have failed to establish a proper interest in the requested records. Your request is therefore denied.

Response to OPRA Request

Copies of the identified CAD Activity Detail Reports are enclosed. Please note that, after consultation with the Township Solicitor, these records have been redacted as follows:

Privacy/Personal Information. Portions of the identified record(s) containing information for which identified persons have a reasonable expectation of privacy have been redacted. N.J.S.A. 47:1A-1; Executive Order No. 21 (McGreevey 2002); *Paff v. Ocean County Prosecutor’s Office*, 235 N.J. 1 (2018); *Brennan v. Bergen County Prosecutor’s Office*, 233 N.J. 330 (2018); *In the Matter of the New Jersey State Fireman’s Association*, 230 N.J. 258 (2017); *Burnett v. County of Bergen*, 198 N.J. 408 (2009); *North Jersey Media Group v. Township of Nutley*, slip op., Docket No. A-3483-14T3 (App. Div. September 30, 2016); *Nelson v. N.J. Department of Law & Public Safety*, No. 2013-124 (GRC 2014); *Merino v. Borough of Ho-Ho-Kus*, No. 2003-110 (GRC 2004).

Protected Health Information. The identified record(s) or portions thereof are not subject to disclosure because they contain protected health information exempt from disclosure pursuant to the Privacy Rule implemented pursuant to the Health Insurance Portability and Accountability Act of 1996 and Executive Order No. 26, paragraph 4.b.1 (McGreevey 2002) (exempting from disclosure “information relating to medical, psychiatric or psychological history, diagnosis, treatment or evaluation”).

Security Information. Portions of the identified record(s) have been redacted which may contain: (1) administrative or technical information regarding computer hardware, software and networks which, if disclosed would jeopardize computer security; (b) emergency or security information or procedures for buildings or facilities which, if disclosed, would jeopardize security of the building or facility or persons therein; and/or (c) security measures and surveillance techniques which, if disclosed, would create a risk to the safety of persons, property, electronic data or software. N.J.S.A. 47:1A-1; *Gilleran v. Township of Bloomfield*, 227 N.J. 159 (2016). In addition, portions of the identified record(s) may have been redacted which would, if disclosed, substantially interfere with the State’s ability to protect and defend the State and its citizens against acts of sabotage
