This message has originated from an **External Source**. Please use proper judgment and caution when opening attachments, clicking links, or responding to this email.

Hi Lt. Bullock,

As I had mentioned in the previous email, the monthly July 2024 Call Log you sent did not list the CAD Call #s like it usually does for Brick incidents. So here is the logline for the incident I am referring to:

id 478454268
received 7/4/2024 5:22:12 PM America/New_York
sent 7/4/2024 5:22:12 PM America/New_York
priority 1
address 966 ROSEWOOD AVE
cross street CENTRAL AVE & MYRTLE AVE
city BRICK TOWNSHIP
state NJ
lat 40.0475441
lon -74.1377755
coordinate google
units E74
cad_code 24-012358
alert_key sM9WG

When I am requesting calls from the 911 Call logs you send each month, which column above would be most helpful to locate the specific calls I am referring to? If this call above can be located now, please send the Call Detail Report & 911 Call (WAV file).

Thank you,

Resident
