**RE: Request for Access to Government Records
Request of Michael C.S. dated June 28, 2023
OPRA Request #65-2023**

Dear Mr. Michael C.S.:

The Township of Buena Vista has received your request for access to government records under the Open Public Records Act (OPRA) on June 28, 2023. Please accept this correspondence as the Township Record Custodian's formal response pursuant to said request. This response is being provided within the permitted time frame established pursuant to OPRA.

Your pending OPRA request asks for the following items:

The Cannabis License Application for New Frontier Solutions, LLC including any and all supporting documents as well as any and all records of the evaluation and approval of said Application by the Township Committee.

Please be advised that the record(s) you are seeking in this subject request are considered exempt pursuant to the Open Public Records Act N.J.S.A. 47:1A-1.1 as Inter-agency or Intra-Agency advisory, consultative or deliberative material. Such records are pre-decisional and documents used in a deliberative process that has not yet been concluded.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Custodian of Records to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other

questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in Atlantic County.
