**Incident Report**

On 10/24/2023, at approximately 0739 hours, Sgt. Jones and I were detailed to the area of 120 Eighth Street on a report of a motor vehicle theft. The vehicle is identified as a black Cadillac that was last seen heading west on Main Avenue.

Upon arrival I proceeded west on Union Ave to Tenth Street in an effort to located the target vehicle. I then headed north on Tenth Street to Main Avenue to where I observed Lt. Witkowski checking out an abandoned motor vehicle that had a smashed out rear passenger side window. It was later determined that this vehicle was also stolen by the actors who had stolen the black Cadillac. Lt. Witkowski then remained with this vehicle while I headed to the victim's residence.

At this time I was met by Paul, Connie, and Anthony Sarlo outside of the residence. Anthony stated that at approximately 0720 hours he had started the car and left the keys in the vehicle. At approximately 0724 hours he went back outside to check on the vehicle and noticed the vehicle heading west on Main Avenue. He then attempted to chase down the vehicle as he proceeded to dial 911 to report the vehicle stolen.

I then activated my BWC inside the residence as I proceeded to assist the victim Connie Sarlo with the "My Cadillac" and "OnStar" app on her cell phone. A short time later I spoke with OnStar representative Attila from their Stolen Vehicle Team (Case # 141649543, Ph. # 866-866-5006). I then supplied him with the VIN number of the vehicle. He then proceeded to supply me with real time tracking information on the target vehicle. At this time the vehicle was being tracked on Rt. 17 South Bound; just south of Moonachie Avenue. I then supplied Dispatcher Dan Diuro at headquarters with this information. A SPEN transmission was the radioed to the surrounding towns of the current location of the stolen vehicle.

Moments later we were advised that the Carstadt Police were now behind the stolen vehicle and had passed the Rt. 120 overpass. I then advised OnStar to activate the hazard lights on the vehicle to verify that we were tracking the target vehicle. Det. Sgt. Mueller then contacted me on my cell phone to give me confirmation that the Carlstadt Police observed the hazard lights flashing on the target vehicle. We then coordinated with OnStar to begin the process of slowing down the vehicle. At this time the vehicle was tracking near Rt. 3 and Rt. 21.

Det. Sgt. Mueller then confirmed that the target vehicle proceeded to slow down. The aforementioned information was then relayed to OnStar, to where they then initiated the process shut down the vehicle. After several minutes I was informed that both actors were apprehended in the area of Rt. 3 and Rt. 21 by the Carstadt Police Dept.

Nick's Towing was then contacted to pickup and transport the stolen vehicle back to the victim's residence. The victim then removed all of her personal belongings from the vehicle. The damage incurred on the vehicle was the center console shifter knob that was split in half, and the overhead area near the map lights where the GPS unit was removed from the vehicle. A short time later Det. Mueller had located the GPS transponder unit and brought it back to the victim's residence. The vehicle was then transported back to Brogan Cadillac for repair.

**Incident Report**

On 10/24/2023 at approximately 0953 hours, I was detailed to 153 Seventh Street for report of a motor vehicle that was broken into.

Upon arrival, I activated my body worn camera and was met by the caller, Ms. Oksana Cole, who was in her driveway. Ms. Cole stated when she approached her white BMW bearing NJ registration (E85PSZ) this morning she observed her glove box open with items thrown onto the passenger side seat. Ms. Cole admitted that her vehicle was unlocked. I asked Ms. Cole if she had video surveillance which she stated, yes. We reviewed the video surveillance and at approximately 0721 hours we observed a vehicle pull up directly in front of the driveway, what appears to be a light colored, Hyundai Elantra, male party exit the vehicle from the passenger side door and walk over to the victim's vehicle, and enter same from the driver's side door. The suspect in the video matches the description of a male party that we have in custody reference case number 23-17151. I informed Ms. Cole to e-mail that video so I can forward that to the Detective Bureau. Ms. Cole then inventoried the vehicle and she informed me that she was missing \$40 that was in her middle console.

**Incident Report**

On 10/28/23 at approximately 0834 hours, I was detailed to 3 Fourth Street on a report of an attempted burglary to a motor vehicle.

Upon arrival I was met by victim Luigi Altamura outside his garage door that is located on Fritsch Avenue. He stated that his son Dominick had went outside and noticed that the side door to the garage was found open.

The victim then checked his video cameras and observed that at approximately 0624 hours, a compact silver 4 door sedan had pulled up near the driveway. He then observed 2 actors exit the vehicle and attempt to gain entry into two of his motor vehicles that were parked in the driveway; which were locked at this time. The vehicles are identified as follows....

- black 4 door Porsche Cayenne (NJ Reg. # L53RRY, Vin # WP1BA2AY2MDA40079).
- white 4 door Alfa Romeo Giulia (NJ. Reg. # N44NML, Vin # ZARFAEEN4J7574558).

The actors then entered the backyard and attempted to gain access to his garage by damaging a side window. They then discovered that the side door leading into the garage was unlocked. The suspects then signaled to a third actor who emerged, to where all three actors then entered the garage. A short time later all three actors then exited the garage, to where the suspect vehicle then fled east on Fritsch Avenue.

At this time I proceeded to view the video footage and observed that all three actors were wearing gloves and appeared to be very young. I then proceeded inside the garage and gained access to the White Maserati Ghibli (NJ Reg. C29PEZ, Vin. # ZAM57YTA7K1314242). At this time I observed that the center console was open. It was discovered that a \$400 pair of Coach sunglasses were stolen from the vehicle. I then filled out a Victim Notification Form (See attached) to which he was given a copy for his records.

I took several photos of the center console (See attached photo's) and advised the victim to notify this agency if he discovers any other items that were missing from the garage. In addition I then requested the victim to forward me video footage of the burglary. No further action was taken at this time.

**Incident Report**

On 03/08/2023, at approximately 0924 hours, I was detailed to the Wood-Ridge Industrial Complex, located at 1 Passaic Street, for a reported theft of a tractor.

Upon arrival, I spoke with Julio Campechano, who reported he is the owner of a 2017 Volvo tractor, color green, bearing N.J Registration AX492K. The VIN # for the vehicle is 4V4NC9EH9HN981819. Mr. Campechano reported the vehicle was last parked in a parking lot between buildings 42 and 62 Passaic Street on Saturday evening 03/04/2023. Mr. Campechano added that the vehicle was left unlocked and the keys for the tractor were left in an area behind the front bumper. I questioned Mr. Campechano if he regularly leaves the keys for this vehicle and his additional tractors with the vehicle while unattended. He added that as far as he knew it was common for tractor drivers to leave keys with the vehicle. Mr. Campechano reported that he observed a surveillance camera in the area of the parking lot and was curious if the footage could be viewed.

Dispatcher Diuro entered the vehicle in to NCIC as stolen. NCIC revealed a NIC# V604823861. The vehicle was registered to JU Camp Trucking LLC. He also reported there is no identifiable markings on the vehicle.

**Incident Report**

On June 12th, 2023 at approximately 0559 hours, I was dispatched to 328 Innes Road on a report of a stolen vehicle.

Upon arrival, I activated my BWC and met the victim, later identified as Mr. Jose Perez-Jimenez. Mr. Perez-Jimenez stated that his vehicle was stolen from in front of his home. The vehicle was a 2019 Jaguar F-Pace, color white, bearing NJ registration (L86MCC). Dispatched Diuro advised surrounding agencies of the stolen vehicle on SPEN. The vehicle was registered to Mrs. Lucia Perez, Mr. Perez-Jimenez's wife. Mr. Perez-Jimenez advised me that he still had the fob key. Sgt. Jones arrived on scene at this time.

Police headquarters received a call regarding the stolen vehicle. The vehicle was parked in the middle of the road at the intersection of Sussex Road and 10th Street, unknown if occupied. Sgt. Jones and myself responded to that location. We observed the vehicle and checked for occupants. The vehicle was unoccupied. Sgt. Jones went to retrieve Mr. Perez-Jimenez and transported him in patrol unit #38 to the intersection of Sussex Road and 10th Street. Mr. Perez-Jimenez checked the vehicle to see if anything was stolen, there was nothing stolen. The vehicle was turned over to Mr. Perez-Jimenez. No further action taken.

**Incident Report**

On August 11th 2023, at approximately 0657 hours, Maureen Hutchinson arrived at Wood-Ridge Police Headquarters to report she found a multi colored Gucci wallet in the middle of the roadway, near Madison Street and Center Street. I retrieved the wallet from Ms. Hutchinson, I observed a Bank check inside of the wallet, with a name and address of Brittany Welsh, residing at 67 Madison Street Wood-Ridge, N.J. Sgt. Jones and I went to the residence in an attempt to return the wallet of Ms. Welsh.

Upon arrival, I activated my BWC and walked up to the front door. As I approached the front outside staircase, I observed three (3) front windows, noticing two (2) of them wide open. The blinds were drawn. As I rang the front door bell, I observed the front door of the residence to be slightly ajar. I did not observe any visible signs of forced entry to the front door. We continued to knock on the front door and also ring the front doorbell. We received no response. Sgt. Jones and I made entry into the residence to conduct a search for any unwanted actor(s) or further signs of a burglary. We made our presence known while searching the house, announcing "Police". P/O Janz now on scene. As we walked up to the second floor staircase, Sgt. Jones knocked on the walls announcing "Police". We noticed two (2) bedroom doors that were closed. The residents Luis Santiago and Brittany Welsh exited their bedroom. We immediately informed the residents that we were here to return Ms. Welsh's wallet and were also checking to see if the residence was burglarized, since we noticed the front windows open and the front door ajar. Both individuals appeared to have been asleep in their bedroom. P/O Janz asked if there were any other occupants in the residence. Ms. Welsh stated her 2 Year old son LS, is upstairs sleeping. P/O Janz went upstairs and observed the LS to be asleep and unharmed.

At this time, we asked the residents to check to see if anything was missing inside of the house. Mr. Santiago was checking the kitchen area and looked out the window towards the driveway, Immediately noticing his car was missing, a 2021 Mercedes Benz GLE/AMG ,color white, bearing N.J. Registration N57-MPW. The victim reported he valued the vehicle at \$100,000.00. He also glanced over to an area in the kitchen, where he had his Tom Ford wallet attached to his key fob. He noticed that was also missing. The victim reported he valued his stolen wallet at approximately \$600. It contained \$20 in cash and also contained several credit cards. Sgt. Jones requested a detective to respond to further investigate. A few minutes later, Det/Sgt. Mueller arrived on scene.

The scene was turned over to Detective/Sergeant Mueller. See Detective/Sergeant Mueller's supplementary report.

**Incident Report**

On August 21st, 2023, at approximately 1610 hours, P/O Cangialosi and I were detailed to 18 Hackensack Street for a reported burglary on a motor vehicle

Upon arrival, we activated our BWC and met with the victim, Jeffrey Rennie. Mr. Rennie stated that on August 20th, at approximately 0430 hours, his 2019 White Honda Accord, (Bearing NJ registration S59RPV) was burglarized while parked in his driveway. Mr. Rennie provided me with a photo from his ring doorbell. The suspect appeared to be a young black male, wearing a white T-shirt, carrying a back pack, riding away on a bicycle. Mr. Rennie informed me that his car was unlocked, with his keys inside his vehicle. Mr. Rennie advised me the only item taken was a cup of loose change that Mr. Rennie approximates between forty and fifty dollars (\$40-\$50). He advised me that nothing else was taken, and no damage was observed to his vehicle. He informed me the suspect also tried to burglarize his neighbors vehicle at 14 Hackensack Street.

We questioned Mr. Rennie why it took so long to report this incident. He stated that his mother in law took his vehicle for the day and did not know when she would return.

Mr. Rennie advised that his neighbors are currently on vacation and will provide him with video footage when they return home. Mr. Rennie was advised to forward any additional surveillance footage to my E-mail. I informed him that this incident would be documented for his records.

No further action taken at this time.

**Incident Report**

On September 5th, 2023 at approximately 1022 hours, I was dispatched to 175 Wood-Ridge Street on a report of a stolen motor vehicle.

Upon arrival, I activated my BWC and met the caller, later identified as Mr. Medardo Gonzalez. Mr. Gonzalez stated that his wife's vehicle had been stolen. I met the victim, later identified as Ms. Bessy Gonzalez. Ms. Gonzalez's vehicle was 2020 Mercedes-Benz, color gray, bearing NJ registration (S20MJH). Ms. Gonzalez advised me that her vehicle was parked in the driveway at approximately 1:30 AM on 09/05/2023 this was confirmed by Ring doorbell footage. The motion sensor on the Ring doorbell reactivated at approximately 2:30 AM on 09/05/2023 and Ms. Gonzalez's vehicle was gone. There were other security cameras on the home but I was unable to view the footage at the time. Mr. Gonzalez stated that he left one of the keys fobs for Ms. Gonzalez vehicle in his vehicle. Mr. Gonzalez's vehicle was left unlocked and the key fob for Ms. Gonzalez's vehicle was gone. Nothing else was taken from Mr. Gonzalez's vehicle. Ms. Gonzalez showed me that she was in possession of the other key fob. Ms. Gonzalez showed me the Mercedes-Benz application which provided a location for her vehicle. The vehicle as of 9:26 AM on 09/05/2023 was parked in front of 228.

Dispatcher Diuro entered Ms. Gonzalez's vehicle as stolen into eAgent at approximately 11:01 AM on 09/05/2023, NIC# V285358995. Dispatcher Diuro notified Newark police department, operator #132, that the stolen vehicle as of 9:26 AM on 09/05/2023 was parked in front of 228 S 7th Street, Newark, NJ. A short time later, Newark police department contacted police headquarters and notified us that they located the stolen vehicle. Newark police department took possession of the stolen vehicle. I contacted Mr. Gonzalez and advised him to contact the Newark police department about retrieving the vehicle. Vehicle was cleared from NCIC.
