Re: OPRA request dated October 13, 2023

Dear Resident:

This office received a records request from you via email dated Friday, October 13. Specifically, you requested the following records related to a defendant you identified as Terry Kuo, specifically pertaining to a criminal case that, as you noted, was resolved via a trial that concluded with a jury verdict on Wednesday, October 4:

"Any arrest reports, CAD reports with narratives, preliminary law enforcement incident reports, complaint warrants, complaint summonses, affidavits of probable cause ... indictments, plea forms, and judgments of conviction."

Regarding your request for "arrest reports ... preliminary law enforcement incident reports, complaint warrants ... affidavits of probable cause ... indictments (and) plea forms," please find attached to this and subsequent emails (multiple emails are necessary due to file size) copies of Marlboro Township Police Department Arrest Report No. 101815; Monmouth County Superior Court Complaint-Warrant No. 1328-W-2017-000331 (to include the corresponding affidavit of probable cause and preliminary law enforcement incident report); Monmouth County Superior Court Indictment No. 18-02-00145; Monmouth County Superior Court Superceding Indictment Nos. 18-12-01636 and 23-01-00109; and Monmouth County Prosecutor's Office Plea Form No. 17-4743. Please note that portions of these documents have been redacted in order to omit personal identifying information, the release of which would violate an individual's or individuals' personal rights to privacy.

Regarding your request for "CAD reports with narratives ... complaint summonses ... (and) judgments of conviction," please be advised that a review of our records, based on the information you provided, revealed that this office is not in possession of any documents responsive to your request.

Should you disagree with this determination, you may appeal to the Government Records Council or the New Jersey Superior Court as provided by N.J.S.A. 47:1A-6 and 7. In the event of a clarification or appeal, this office reserves the right to raise any other ground for denial not

raised in this response. The failure of this office to assert an exception or privilege at this time does not act as a waiver of any grounds for denial.

Very truly yours,

RAYMOND S. SANTIAGO
