Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:
Brick Township Patrol Officers responded to the 114 Woodland Drive for a report of one (1) gunshot fired. The victim reported being hired to complete tree services with his company ABA Tree Services at the defendant's residence. A dispute began between the defendant and victim over alleged damage to the defendant's home sustained during tree work. The victim responded to the defendant's residence on 2/15/21 at 2000 hours to remove a tree stump grinder he left at the residence. While removing his work equipment, the defendant exited his residence with a loaded Remington 870 Express 12-gauge shotgun and approached the victim in the middle of Woodland Drive. The defendant began making threats toward the victim while holding the shotgun. The victim attempted to leave in his work truck when the defendant discharged one round from the shotgun in the direction of the victim and other nearby homes. The defendant then re-entered his residence and discarded the spent casing in a garbage bin located in the kitchen. During the incident, the victim had his juvenile son in his vehicle and was present for the events.
