Ocean County Superior Court

FOR In the matter of
E.D. a juvenile DOB 1/04/02

AFFIDAVIT IN SUPPORT
PROBABLE CAUSE

Defendant(s)

State of New Jersey :
County of Ocean : ss.

Detective Dan Brennan, of full age, being duly sworn according to law upon his/her oath,
deposes and says:

1. I am employed as a **Detective** with the **Toms River Police Department**.
2. In the course of my duties I have had occasion to investigate(state all indictable charges you are signing for which this affidavit applies:

Murder 2C:11-3a, Endangering the Welfare of a child 2C:24-4a(2), possession of a weapon for an unlawful purpose 2C:39-4d and unlawful possession of a weapon 2C: 39-5d.
3. I have probable cause to believe **E.D., a juvenile DOB 1/04/02** committed the above offense.
4. I am charging the defendant based on the following proof.
5. On August 7, 2019 at 2042 hours, the Toms River Police Department received a 911 call from an individual named Marissa Margiano in reference to a dispute in a parking lot at the intersection of Shady Nook and Route 37 West. Ptl. Catalano and Ptl. Pelka of the Toms River Police Department responded to 150 Route 37 West, Deer Chase Professional Park Complex to discover an unresponsive female on the ground outside of a gray Honda Odyssey minivan. The victim was observed to be lying face up on the pavement of the parking lot, with severe head trauma. Ptl. Pelka of the Toms River Police Department was the first officer on scene and immediately began to administer medical treatment. Toms River Police Medic Unit and MONOC units arrived on scene thereafter to continue life saving measures and transported the victim to Community Medical Center Hospital. The victim was identified as Margarita Diaz and was subsequently pronounced dead at 2134 hours by Dr. Mohindroo.

6. On scene, located a search distance from the vehicle, were two young juvenile males, who were identified as E.D. (DOB: 01/04/02) and D.D. (DOB-06/13/16) Margarita Diaz's children. Ptl. Catalano advised that once on scene she was approached by E.D. and D.D., wherein E.D. stated that an unknown male wearing all black with a baseball hat and sweatshirt approached the vehicle. E.D. advised the unknown male was mumbling and then asked for help. The unknown male then proceeded to open the front driver's side door and dragged their mother from the vehicle. E.D. advised the unknown male was "beating her" and was carrying an unknown type of knife. Ptl. Catalano observed that E.D. and D.D. appeared upset and had blood on them.
7. Ptl. Pelka briefly spoke with E.D. on scene, who relayed to him the decedent was sitting in the front passenger seat of the vehicle when an unknown male approached asking for help and was mumbling. The unknown male opened the passenger door pulling the decedent out and began beating her. E.D. stated he then exited the vehicle in attempt to help the decedent by punching the unknown male several times with his fist. While on scene Edgar J. Diaz, later identified as Margarita Diaz' husband and E.D. and D.D.'s father, arrived on scene. Edgar Diaz advised officers that he was working at Toms River X-Ray in the Professional Park Complex cleaning. E.D, D.D. and Mr. Diaz were transported to Toms River Police Department pending interviews.
8. The Ocean County prosecutors Office was notified of the apparent homicide via telephone to Detective Sergeant Brian Haggerty of the Ocean County Prosecutors Office, Major Crime Unit and requested to respond to 150 Route 37 West to assist with a death investigation. Several other members of the Major Crime Unit also responded to assist.
9. Once on scene, Det. Carroll from the Ocean County Prosecutors office observed a 2008 Gray Honda Odyssey bearing New Jersey registration [REDACTED] in the parking lot of Deer Chase Professional Complex. There appeared to be a large amount of blood and medical waste on the ground outside the passenger side of the vehicle. This affiant also observed a metal can, placed due to inclement weather, approximately five feet behind the rear of the decedent's vehicle covering what appeared to be a knife. Also in the parking lot was a 1997 White Nissan Pathfinder with New Jersey Registration [REDACTED]. Mr. Diaz advised officers that he drove the Nissan Pathfinder to the location. Both vehicles were subsequently towed back to the Ocean County Sheriff's Department, Crime Scene Investigation Unit pending search warrants.
10. Detective Brant Uricks of the Ocean County Prosecutors Office, Major Crime Unit responded to Community Medical Center Hospital, emergency room number #21 to gather preliminary information regarding the victim's injuries. Detective Uricks, Detective Laudacina and Detective Chester, both of the Ocean County Sheriff's Department Crime Scene Investigation Unit, and Doctor Leslie Cauvin of the Ocean County Medical Examiner's Office were present during the initial examination.
11. Detective Uricks described the decedent to be laying supine on a hospital gurney. The decedent was clothed in a brown T-shirt and bra, both with dried red staining believed to be blood, a pair of cut pants, and a pair of white sneakers. The decedent's eyes were open and significant trauma could be observed to the face and neck. Under the forehead of the decedent was a relatively large quantity of blood. Both stab and slash wounds were observed to her neck and facial area, as well as a scrape to the left cheek. The decedent was covered in dried blood, which inhibited detectives from observing all of her injuries.

12. Detective John Carroll and Detective Denis Mitchell of the Ocean County Prosecutors Office, Major Crime's Unit and Detective Ted Malony of the Toms River Police Department responded to Community Medical Center Hospital to speak with several friends and family members of the decedent. In the course of speaking to those individuals, it was learned that Mr. Diaz was cleaning Toms River X-Ray office building and the decedent along with E.D. and D.D. were traveling to that location to assist him, as they do every Wednesday night. The friends and family member advised this affiant that E.D. and D.D. and the decedent did not attend their normal Jehovah Witness meeting at Kingston Hall at 1930 hours that evening.
13. In addition, the decedent's sister and brother in law, Maria and Felipe Andrade, advised the following information. Maria stated the decedent and she were cleaning houses throughout the day and the decedent did not feel good. After work, the decedent told her she was going to go home and lay down and that is why they did not attend the Jehovah Witness meeting. Felipe advised E.D. was working with him all day in Manahawkin painting at a residence. Felipe advised they finished work at approximately 1500 hours.

On August 8, 2019, at 0053 hours Det. John Carroll applied for two telephonic search warrants for a 2008 Gray Honda Odyssey (decedent's vehicle) and a 1997 White Nissan Pathfinder (Edgar Diaz' vehicle). Said warrants were granted by the Honorable Guy Ryan, J.S.C.

14. Lt. Carlos Trujillotovar of the Ocean County Prosecutors Office, Major Crime Unit interviewed Edgar Diaz, the decedent's husband. Mr. Diaz advised he was cleaning the office of Toms River X-Ray. Mr. Diaz stated he was in the lobby with his ear buds in, when he heard a knock on the window and observed E.D., a juvenile. Mr. Diaz stated he observed a red mark on the face of E.D. a juvenile. In opening the door, Mr. Diaz was advised by E.D., a juvenile, that they were attacked and pointed in the direction of the decedent. Mr. Diaz advised he then started to walk towards the grey Honda Odyssey when he observed police, who advised E.D., a juvenile and Mr. Diaz to stay where they were at.
15. On August 8, 2019, in the early morning hours, this affiant and Detective Lindsay Woodfield of the Ocean County Prosecutors Office, Major Crime Unit interviewed E.D., a juvenile, at the Toms River Police Department. Mr. Diaz and E.D., a juvenile, were escorted to interview room #2. Lt. Trujillotovar, Det. Woodfield and this affiant were present in the interview room. As Mr. Diaz's primary language is Spanish, Lt. TrujilloTovar explained the juvenile Miranda form to Mr. Diaz in Spanish. Mr. Diaz understood and consented to the interview of his son E.D., a juvenile. Det. Woodfield read the juvenile Miranda rights form to E.D., a juvenile. E.D., a juvenile, stated he understood rights, agreed to waive his rights, and provide a statement. Both Mr. Diaz and E.D., a juvenile, signed the juvenile Miranda Form. In the course of the interview E.D., a juvenile, stated that he woke up at approximately 05:00 am to work with his uncle Felipe. E.D. stated he rode his bicycle to his uncle's house and he traveled to Long Branch to perform painting work. E.D. and his uncle finished work in Long Branch at approximately 15:00 hrs. E.D. stated his uncle transported E.D. to his residence and E.D. rode his bicycle back home. E.D. stated he arrived home at approximately 16:00 hours where his mother, the decedent, was cooking dinner. Mr. Diaz arrived home at approximately 17:00. Mr. Diaz ate dinner and then soon left to clean the office of Toms River X-ray. E.D. advised that normally he and the decedent attend Jehovah Witness meetings on Wednesday but the decedent fell asleep and they did not attend the meeting. E.D. explained that the decedent and he would routinely visit Mr. Diaz at Toms River X-ray and assist him with cleaning. E.D. stated he, D.D., and the decedent left the residence at approximately 19:00 hours in the above-mentioned 2008 Honda Odyssey and traveled to

Toms River X-ray. E.D. advised the decedent was driving and he was sitting in the middle back seat next to D.D. who was in a car seat. E.D. stated that he put earphones in his ears and was listening to a music on Spotify through his cellphone during the car ride.

16. Upon arrival at the parking lot of Toms River X-ray, E.D. stated he felt the vehicle stop by the dumpster and he looked up, at which time he saw an "all black person" standing at the driver side window asking for help. E.D. stated the decedent did not understand the unknown male as he started to "mumble". The decedent then lowered the driver's window, when the unknown male reached through the window and began striking the decedent. The unknown male then reached one arm into the vehicle and opened the door from the inside and forcefully pulled the decedent from the vehicle. E.D. stated he panicked and could not open the sliding car door so he exited the vehicle through the front driver's door.
17. Once outside the vehicle, E.D. advised the decedent and the unknown male suspect were located to the rear driver side of the vehicle. E.D. stated after exiting the vehicle he ran to the rear of the vehicle, to see the unknown male suspect holding the decedent from behind as the decedent is holding her throat with her own hand. E.D. stated the unknown male suspect was striking the decedent in a stabbing motion with his right hand. E.D. attempted to help the decedent by running up to the unknown male suspect, from behind, and punched him in the lower back numerous times. E.D. stated that he has "never been in a fight" before but thought punching the unknown male suspect in that area of the body would hurt more. The unknown male suspect then pushed E.D. in his stomach, causing E.D. to fall down on his stomach. The unknown male suspect then began to drag the decedent by her hair to the passenger side of the vehicle. E.D. stated he then followed the unknown male suspect to the passenger side of the vehicle and saw the suspect bang the decedent's face into the pavement by her hair. E.D. heard the unknown male suspect yell "Fuck you, Fuck you". E.D. stated he never saw the suspect before. E.D. described the unknown male suspect as a black male wearing all black clothing. E.D. explained that he usually wears glasses and needs them to see clearly. E.D. advised he was not wearing his glasses during attack. E.D. added that the unknown male suspect was also wearing black sneakers. E.D. stated that he then attempted to help the decedent a second time by approaching the unknown male suspect and striking him in the lower back again. E.D. advised the unknown male suspect pushed him again, causing him to fall to the ground.
18. During the second engagement, E.D. advised he heard a "crack" and thought the unknown male suspect had a knife. E.D. then described the knife as a custom made black knife. E.D. stated after getting up off the ground the unknown male suspect fled on foot. E.D. stated the unknown male suspect fled through the office complex on the northside of Shady Nook, known as the Commons Medical Facility, past the rear white fence. E.D. was asked again to describe the unknown male suspect and described him as wearing a baseball style cap, black sweatpants with light skin color by calling him "caramel". E.D. advised the unknown male suspect was black with no Hispanic accent. E.D. advised the unknown male suspect did not take any items from the decedent, himself or the vehicle. E.D. stated he did not call anyone during this incident.
19. E.D. advised after the unknown male suspect fled the scene, he went to check on the decedent. In checking the decedent, E.D. advised he grabbed her "palm" (wrist) and neck for a pulse. E.D. stated the decedent did not have a pulse. E.D. then heard his little brother, D.D. crying inside the vehicle. E.D. then went to retrieve D.D. by entering the vehicle through the front driver's side door. Upon being asked again about his actions after the suspect fled, E.D. repeated he approached the decedent and felt for her pulse on her palm and neck, and again

felt no pulse. E.D. stated that he “had never had a dead person in front of me.” E.D. then stated he got D.D. out of the vehicle to begin to walk to “get his dad.” As E.D. and D.D. walked away E.D. felt he should not leave the decedent alone so they walked back.

20. E.D. advised when walking back to the decedent, the police arrived. E.D. then spoke with the police officers and stated he told the officers that D.D. and he went to Toms River X-ray to get his father, Mr. Diaz. E.D. was then questioned about the noticeable scratches on his face, he advised he did not recall how he got them. E.D. advised that the clothing he was wearing that evening was a thin black jacket, with a shirt underneath.
21. E.D. was asked to recount the incident again in order to clarify the sequence of events. E.D. stated that he did not see the unknown male suspect reach in the vehicle and open the door. E.D. stated he looked down to unfasten his seat belt and when he looked up, the door was open and the decedent was being pulled out of the vehicle. E.D. was positive the decedent lowered the driver’s side window and the interior dome light was off. E.D. made an unsolicited comment that he heard stories like this but never thought he would experience it. E.D. was again asked how he got the cuts to his hands and he stated he got the cuts when the unknown male suspect pushed him to the ground. E.D. again stated he checked the decedent for a pulse. E.D. was asked if he moved the decedent at which time he stated after feeling the decedent for a pulse, he flipped her over on to her back. E.D. then went to the vehicle to get D.D. After getting D.D. out of vehicle he returned to check on the decedent. E.D. was again asked about the description of the knife. E.D. stated he thought the knife broke and he heard the knife fall on the concrete. E.D. remembers seeing the knife on the ground behind the vehicle. E.D. went on to describe the knife as being small and black with two points. E.D. was asked how bloodstains would have gotten on the shoulders of the shirt he was wearing under his jacket during the attack. E.D. added that he leaned over the top of the decedent after flipping her over. E.D. was asked about his actions as the decedent was being pulled from the vehicle. E.D. advised when the decedent was pulled from the vehicle, he took off his ear buds and placed them in his jacket pocket with his cell phone and zipped up the pocket to secure his cell phone.
22. E.D. advised while being seated in the vehicle, he was wearing his glasses and they fell off while exiting the vehicle. E.D. was then asked to explain how he checked on the condition of the decedent after the unknown male suspect fled the scene. E.D. now stated he checked the decedent’s “palms” and neck for a pulse. E.D. then flipped the decedent over, to lean over her in an attempt to see if she was breathing by utilizing his right ear. E.D. then switched and leaned over the decedent utilizing his left ear to see if she was breathing. E.D. believes that is how he may have gotten blood on himself. E.D. was then confronted with the fact that the driver side window was found to be in the closed position after he stated the decedent had lowered the window. E.D. then admitted he closed the driver side window. E.D. explained, after he got D.D. out of the vehicle, he closed the driver’s side window because the interior was getting wet due to rain.
23. Due to inconsistencies in E.D.’s version of events, he was asked to re-tell the incident one more time. E.D. stated he was seated in the rear seat with his ear buds in his ears listening to Spotify. E.D. stated the vehicle stopped and he saw an unknown male suspect at the driver side window. The decedent opened the driver side window and the unknown male suspect asked for help. E.D. removed his ear buds at this time because the decedent does not speak English and he acts as her interpreter. The decedent stated “me in hurry” to the unknown male suspect, at which time the unknown male suspect reached through the open window. E.D. began to have a panic attack. The decedent was then pulled from the vehicle. E.D.

unfastened his seatbelt and tried to exit the sliding door. The sliding door did not open so he exited through the driver's door by stepping on the driver's side seat. E.D. stated he tripped and fell while exiting the vehicle. E.D. approached the rear of the vehicle to observe the decedent being physically assaulted by the unknown male suspect. E.D. approached the unknown male suspect from behind and punched him in the ribs. E.D. then heard the knife break and fall to the ground. The unknown male suspect pushed E.D. causing him to fall. The unknown male suspect walked the decedent to the passenger's side of the vehicle. E.D. stated the decedent was yelling for help. E.D. stated the decedent was on the ground with the unknown male suspect on top of her. The unknown male suspect was slamming the decedent's head into the pavement. E.D. advised he approached the unknown male suspect from behind and again punched him in the ribs. E.D. stated the unknown male suspect pushed E.D. again which caused E.D. to fall to the ground. E.D. stated at that point the suspect fled the scene. E.D. stated he then checked the victim for a pulse on her palms and neck and then flipped the decedent over and leaned over her twice to listen for breathing. After hearing nothing, E.D. stated he got D.D. out of the vehicle through the rear driver side sliding door. E.D. stated he noticed the driver's side window lowered and the driver's side door open. E.D. stated he then closed the window and shut the driver's door. E.D. said he walked over to the decedent, who was lying on the pavement of the passenger side and touched her chest getting no response. E.D. then began to walk, with D.D., to get their father, but did not want to leave the decedent alone so they returned to scene. E.D. was asked if there was a reason why his skin would be under the decedent's fingernails. E.D. stated that during the physical altercation the decedent might have "got him" and scratched him but he was not sure. E.D. was asked if he ever touched the knife. E.D. stated he may have touched the knife and moved it. E.D. explained that he may have touched the knife because he was pushing pooling water away from the decedent's body. The detectives explained to E.D. that the knife was not next to the decedent's body. E.D. then stated he did not know if he touched the knife.

24. At this point, Mr. Diaz waived his right to be in the interview room during further questioning but did monitor the interview via digital monitoring equipment outside of the room. Detective Woodfield asked E.D. if he would agree to talk without his father being present to which E.D. agreed. E.D. was asked as to why blood would be inside the vehicle. E.D. explained that he got into the vehicle to get D.D. after the attack. E.D. stated after he got D.D. out of the vehicle, he sat in the driver seat and raised the driver side window. Mr. Diaz was then brought back into the interview room and both E.D. and Mr. Diaz were asked for consent to search E.D.'s cellular telephone, which they gave. Both were read the Ocean County Prosecutors Office Digital Consent Form in its entirety at which time, E.D. and Mr. Diaz signed said form authorizing a complete forensic examination of E.D.'s cellular telephone. E.D. was then asked for his consent from the detectives for his consent to obtain his major case fingerprints and DNA via buccal via a consent form. E.D. asked the detectives what the word refuse meant and E.D. was advised he could say no. At that point E.D. stated he wished to refuse. E.D. was then asked about his relationship with his mother, which he depicted as normal. The interview was terminated at this time and Mr. Diaz and E.D. were escorted to the lobby.
25. On August 8, 2019, at 1037 hours, Det. Strodel of the Ocean County Sheriff's Department, Crime Scene Investigation Unit and this affiant executed the court authorized search warrant on the 2008 Gray Honda Odyssey at the Ocean County Sheriff's Department, Crime Scene Investigation Unit. During said search, Det. Strodel collect numerous swabs of red staining believed to be blood from the exterior and interior of vehicle, more specifically the front driver side interior and exterior door, front dashboard and steering wheel to include the gear

shift, center console, passenger front door (interior and exterior), passenger floor mat, decedent's purse, and the undercarriage of vehicle. Also collected from the vehicle was a metal type sharp object in the shape of a knife found on the floor near the front driver seat appearing similar to the blade of the knife recovered from outside the vehicle at the scene. Said metal object also had a hand drawn diamond on one side. The decedent's purse was also recovered on the passenger front seat of vehicle, which contained several items to include the decedent's cellular telephone, described as a White Apple iPhone in a gold case that had two pockets on the back of the holder with the words "Michael Kors" imprinted on it.

26. Det. A. Scheuermann of the Ocean County Sheriff's Department, Crime Scene Investigation Unit processed the knife recovered from scene. This affiant was able to observe the knife, which appeared to be homemade and in the shape of a "V" with two sharp points at the top. The handle of the knife was wrapped in black tape. The knife and handle appeared to have red staining believed to be blood.
27. A canvass of the neighborhood directly behind crime scene was conducted consisting of Sandy Nook Drive, Mitchell Drive, Cedar Inn Drive and Boxwood Terrace. Additionally a canvass for surveillance footage was conducted Route 37 East & West bound from Oak Ridge Parkway to Garden State Parkway entrance ramps. This affiant is aware that during the canvass of the Commons Medical Facility, Detective Lou Santora of the Toms River Police Department located a motion activated surveillance camera attached to the business of The Whitlin Center located in building "H", #886. This affiant reviewed said footage, which showed activation at 2117 hours and 2216 hours. The camera captured law enforcement officers searching the area. No other activity was recorded on the camera from the time of the event up to the captured footage.
28. On August 8, 2019, members of the Ocean County Prosecutors Office and the Toms River Police Department responded to the decedent's address of 901 North Hampton Ave, Manchester to meet with Mr. Diaz and a Carlos Benitez-Panova. Mr. Diaz and Mr. Benitez-Panova were read an Ocean County Prosecutors Office Consent to Search form for the residence and shed on said property. Both Mr. Diaz and Mr. Benitez-Panova were read the forms due to Mr. Benitez-Panova renting out the first floor and Mr. Diaz renting out the basement of residence. During the search of Mr. Diaz's basement residence, in E.D.'s bedroom, officers located and collected a black roll of tape. Said tape resembles the same style tape found wrapped around the knife located on scene.
29. On August 8, 2019, Dr. Ragasa, a forensic pathologist, performed an autopsy of Margarita Diaz at Community Medical Center Hospital. During the autopsy Dr. Ragasa determined the preliminary cause of the decedent's death was blunt force trauma to the head and the manner was homicide.
30. On August 12, 2019 Det. John Carroll applied for and was granted a search warrant to obtain buccal swabs, hair, fingerprints and major case prints from a juvenile E.D. DOB 1/4/02. Sheriff's Department detective Mike Senger along with Lieutenant Jamie Phillips and latent examiner Caitlin McQuade obtained said exemplars.
31. On August 9, 2019, Det. Lesnikowski from the Ocean County Sheriff's Department found a fingerprint which was located on the inside of the tape which was wrapped around the handle of the weapon found at the scene. On August 12, 2019, latent print examiner, Caitlin McQuade observed the above mentioned latent fingerprint and made a positive identification to juvenile E.D. Specifically, the #6 finger, identified as the thumb finger on his left hand.

32. On August 12, 2019, this affiant along with Det. Woodfield and Lieutenant Carlos Trujillo Tovar interviewed the juvenile E.D. in the presence of his father Edgar Diaz. The Miranda rights were read in English as well as Spanish. Both the juvenile E.D. and his father Edgar Diaz acknowledged that they understood and signed both forms. Initially, detectives requested juvenile E.D. recount the events again as they were familiar to him. During questioning, Edgar Diaz invoked his Rights for juvenile E.D. and the interview was stopped.
33. After exiting the interview, Senior Assistant Prosecutor Kristin Pressman approved charges for Murder 2C:11-3a, Endangering the Welfare of a child 2C:24-4a(2), possession of a weapon for an unlawful purpose 2C:39-4d and unlawful possession of a weapon 2C: 39-5d. E.D. was processed at the Toms River Police Department pending transported to the Ocean County Juvenile Detention Center.

Statement of Reasons - Include all applicable aggravating and mitigating factors

AGGRAVATING FACTORS

3. The risk that the defendant will commit another offense.

6. The extent of the defendant's prior criminal record and the seriousness of the offenses of which he/she has been convicted.

MITIGATING FACTORS

6. The defendant has compensated or will compensate the victim of his/her conduct for the damage or injury that he/she sustained, or will participate in a program of community service.

7. The defendant has no history of prior delinquency or criminal activity or has led a law-abiding life for a substantial period of time before the commission of the present offense.

The court gives moderate weight to aggravating factor #3 and heavy weight to aggravating factor #9. The court gives moderate weight to mitigating factor #6 and heavy weight to mitigating factor #7. The court is clearly convinced that the aggravating factors substantially outweigh the mitigating factors in this matter. The court adopts and incorporates as part of the reason for sentence herein all matters set forth on the record at the time of sentencing.
