Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:
Officers approached the residence and were met by the female as she exited the front door of the apartment. I noticed a large pool of bright red blood on the ground outside the front door. As we were met by the female, the victim had come from the north end of the building and was heavily covered in blood and had a large white bath towel wrapped around his upper left arm. I brought the victim further away from the suspect as other units arrived on scene. I began asking the victim what had transpired prior to our arrival, he provided the following statements below:

2. I am aware of the facts above because: (Included, but not limited to: your observations, statements of eyewitnesses, defendant's admission, etc.)

Victim stated the defendant was standing in the way of the door not allowing him to leave. Victim stated that as he tried to exit the room Haskins came up to him with a kitchen knife and jabbed him in the arm. Victim created the motion of someone jabbing someone with an object. When I asked him how many times she stabbed him he responded, "just one time, just went in on me like that". When officers asked the defendant where the knife was, she stated it was back in the drawer. She went on to say the knife was "skinny" and had serrations in the blade.

3. If victim was injured, provide the extent of the injury:

THE VICTIM SUSTAINED NON-LIFE THREATENING INJURIES TO HIS LEFT ARM.

Certification:

I certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.
