Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

On March 7, 2019 Anthony Lewis was stopped by the Manchester Police Department on CR 539 and Millstream Road while operating a 2006 Black Nissan Altima bearing PA [REDACTED]. This vehicle matched the description of a suspect vehicle involved in a criminal mischief incident on CR 539 near mile marker 22. The victim of this criminal mischief incident reported that his vehicle was struck with an unknown object from another moving vehicle on CR 539. The victim turned his vehicle around and began to follow the suspect's vehicle. Please note that this type of incident matches approximately 43 total incidents from January 2, 2019 to March 7, 2019 in this area. During the motor vehicle stop, the operator, identified as Anthony A. Lewis, was placed under arrest for an unrelated traffic warrant. During this motor vehicle stop, several black bolts were found on the lap of Anthony Lewis and also in his vehicle. These black bolts are believed to be the object thrown at the victim's vehicle. Anthony Lewis was transported to Plumsted Police Department where he was interviewed in reference to this incident. During the interview, Anthony Lewis denied ever throwing an object at another moving vehicle. During this interview, Anthony Lewis was shown a dash cam video taken on February 7, 2019 by another victim. This video shows a black Nissan Altima passing the victim's vehicle and at the same time, the victim's vehicle was hit with an unknown object which caused damage to the victim's windshield. While showing Anthony Lewis this video, he stated that the vehicle does match the description of his vehicle. This vehicle is described as a black 2006 Nissan Altima with no front plate and an EZ Pass transponder in the same location as Anthony Lewis' EZ Pass transponder. Anthony Lewis continued to deny any involvement in these incidents. During this interview, Anthony Lewis signed a consent to search for his cell phone. After processing Anthony Lewis for his arrest, he was released from custody from the Plumsted Township Police Department.

A Communications Data Warrant was applied for and authorized by Superior Court Judge Wendel Daniels. After reviewing the cell phone data received from Verizon Wireless, it shows that Anthony Lewis was in the area of multiple incidents of these incidents. Specifically by the incidents outlined in these charges. There is a second video of an incident in Jackson Township where it was captured by a victim's dashboard camera.

Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

On March 7, 2019 Anthony Lewis was stopped by the Manchester Police Department on CR 539 and Millstream Road while operating a 2006 Black Nissan Altima bearing PA [REDACTED]. This vehicle matched the description of a suspect vehicle involved in a criminal mischief incident on CR 539 near mile marker 22. The victim of this criminal mischief incident reported that his vehicle was struck with an unknown object from another moving vehicle on CR 539. The victim turned his vehicle around and began to follow the suspect's vehicle. Please note that this type of incident matches approximately 43 total incidents from January 2, 2019 to March 7, 2019 in this area. During the motor vehicle stop, the operator, identified as Anthony A. Lewis, was placed under arrest for an unrelated traffic warrant. During this motor vehicle stop, several black bolts were found on the lap of Anthony Lewis and also in his vehicle. These black bolts are believed to be the object thrown at the victim's vehicle. Anthony Lewis was transported to Plumsted Police Department where he was interviewed in reference to this incident. During the interview, Anthony Lewis denied ever throwing an object at another moving vehicle. During this interview, Anthony Lewis was shown a dash cam video taken on February 7, 2019 by another victim. This video shows a black Nissan Altima passing the victim's vehicle and at the same time, the victim's vehicle was hit with an unknown object which caused damage to the victim's windshield. While showing Anthony Lewis this video, he stated that the vehicle does match the description of his vehicle. This vehicle is described as a black 2006 Nissan Altima with no front plate and an EZ Pass transponder in the same location as Anthony Lewis' EZ Pass transponder. Anthony Lewis continued to deny any involvement in these incidents. During this interview, Anthony Lewis signed a consent to search for his cell phone. After processing Anthony Lewis for his arrest, he was released from custody from the Plumsted Township Police Department.

A Communications Data Warrant was applied for and authorized by Superior Court Judge Wendel Daniels. After reviewing the cell phone data received from Verizon Wireless, it shows that Anthony Lewis was in the area of multiple incidents of these incidents. Specifically by the incidents outlined in these charges. There is a second video of an incident in Jackson Township where it was captured by a victim's dashboard camera.

Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

On March 7, 2019 Anthony Lewis was stopped by the Manchester Police Department on CR 539 and Millstream Road while operating a 2006 Black Nissan Altima bearing PA

This vehicle matched the description of a suspect vehicle involved in a criminal mischief incident on CR 539 near mile marker 22. The victim of this criminal mischief incident reported that his vehicle was struck with an unknown object from another moving vehicle on CR 539. The victim turned his vehicle around and began to follow the suspect's vehicle. Please note that this type of incident matches approximately 43 total incidents from January 2, 2019 to March 7, 2019 in this area. During the motor vehicle stop, the operator, identified as Anthony A. Lewis, was placed under arrest for an unrelated traffic warrant. During this motor vehicle stop, several black bolts were found on the lap of Anthony Lewis and also in his vehicle. These black bolts are believed to be the object thrown at the victim's vehicle. Anthony Lewis was transported to Plumsted Police Department where he was interviewed in reference to this incident. During the interview, Anthony Lewis denied ever throwing an object at another moving vehicle. During this interview, Anthony Lewis was shown a dash cam video taken on February 7, 2019 by another victim. This video shows a black Nissan Altima passing the victim's vehicle and at the same time, the victim's vehicle was hit with an unknown object which caused damage to the victim's windshield. While showing Anthony Lewis this video, he stated that the vehicle does match the description of his vehicle. This vehicle is described as a black 2006 Nissan Altima with no front plate and an EZ Pass transponder in the same location as Anthony Lewis' EZ Pass transponder. Anthony Lewis continued to deny any involvement in these incidents. During this interview, Anthony Lewis signed a consent to search for his cell phone. After processing Anthony Lewis for his arrest, he was released from custody from the Plumsted Township Police Department.

A Communications Data Warrant was applied for and authorized by Superior Court Judge Wendel Daniels. After reviewing the cell phone data received from Verizon Wireless, it shows that Anthony Lewis was in the area of multiple incidents of these incidents. Specifically by the incidents outlined in these charges. There is a second video of an incident in Jackson Township where it was captured by a victim's dashboard camera.

Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

On March 7, 2019 Anthony Lewis was stopped by the Manchester Police Department on CR 539 and Millstream Road while operating a 2006 Black Nissan Altima bearing PA [REDACTED]. This vehicle matched the description of a suspect vehicle involved in a criminal mischief incident on CR 539 near mile marker 22. The victim of this criminal mischief incident reported that his vehicle was struck with an unknown object from another moving vehicle on CR 539. The victim turned his vehicle around and began to follow the suspect's vehicle. Please note that this type of incident matches approximately 43 total incidents from January 2, 2019 to March 7, 2019 in this area. During the motor vehicle stop, the operator, identified as Anthony A. Lewis, was placed under arrest for an unrelated traffic warrant. During this motor vehicle stop, several black bolts were found on the lap of Anthony Lewis and also in his vehicle. These black bolts are believed to be the object thrown at the victim's vehicle. Anthony Lewis was transported to Plumsted Police Department where he was interviewed in reference to this incident. During the interview, Anthony Lewis denied ever throwing an object at another moving vehicle. During this interview, Anthony Lewis was shown a dash cam video taken on February 7, 2019 by another victim. This video shows a black Nissan Altima passing the victim's vehicle and at the same time, the victim's vehicle was hit with an unknown object which caused damage to the victim's windshield. While showing Anthony Lewis this video, he stated that the vehicle does match the description of his vehicle. This vehicle is described as a black 2006 Nissan Altima with no front plate and an EZ Pass transponder in the same location as Anthony Lewis' EZ Pass transponder. Anthony Lewis continued to deny any involvement in these incidents. During this interview, Anthony Lewis signed a consent to search for his cell phone. After processing Anthony Lewis for his arrest, he was released from custody from the Plumsted Township Police Department.

A Communications Data Warrant was applied for and authorized by Superior Court Judge Wendel Daniels. After reviewing the cell phone data received from Verizon Wireless, it shows that Anthony Lewis was in the area of multiple incidents of these incidents. Specifically by the incidents outlined in these charges. There is a second video of an incident in Jackson Township where it was captured by a victim's dashboard camera.

Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

On March 7, 2019 Anthony Lewis was stopped by the Manchester Police Department on CR 539 and Millstream Road while operating a 2006 Black Nissan Altima bearing PA [REDACTED]. This vehicle matched the description of a suspect vehicle involved in a criminal mischief incident on CR 539 near mile marker 22. The victim of this criminal mischief incident reported that his vehicle was struck with an unknown object from another moving vehicle on CR 539. The victim turned his vehicle around and began to follow the suspect's vehicle. Please note that this type of incident matches approximately 43 total incidents from January 2, 2019 to March 7, 2019 in this area. During the motor vehicle stop, the operator, identified as Anthony A. Lewis, was placed under arrest for an unrelated traffic warrant. During this motor vehicle stop, several black bolts were found on the lap of Anthony Lewis and also in his vehicle. These black bolts are believed to be the object thrown at the victim's vehicle. Anthony Lewis was transported to Plumsted Police Department where he was interviewed in reference to this incident. During the interview, Anthony Lewis denied ever throwing an object at another moving vehicle. During this interview, Anthony Lewis was shown a dash cam video taken on February 7, 2019 by another victim. This video shows a black Nissan Altima passing the victim's vehicle and at the same time, the victim's vehicle was hit with an unknown object which caused damage to the victim's windshield. While showing Anthony Lewis this video, he stated that the vehicle does match the description of his vehicle. This vehicle is described as a black 2006 Nissan Altima with no front plate and an EZ Pass transponder in the same location as Anthony Lewis' EZ Pass transponder. Anthony Lewis continued to deny any involvement in these incidents. During this interview, Anthony Lewis signed a consent to search for his cell phone. After processing Anthony Lewis for his arrest, he was released from custody from the Plumsted Township Police Department.

A Communications Data Warrant was applied for and authorized by Superior Court Judge Wendel Daniels. After reviewing the cell phone data received from Verizon Wireless, it shows that Anthony Lewis was in the area of multiple incidents of these incidents. Specifically by the incidents outlined in these charges. There is a second video of an incident in Jackson Township where it was captured by a victim's dashboard camera.

Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

On March 7, 2019 Anthony Lewis was stopped by the Manchester Police Department on CR 539 and Millstream Road while operating a 2006 Black Nissan Altima bearing PA [REDACTED]. This vehicle matched the description of a suspect vehicle involved in a criminal mischief incident on CR 539 near mile marker 22. The victim of this criminal mischief incident reported that his vehicle was struck with an unknown object from another moving vehicle on CR 539. The victim turned his vehicle around and began to follow the suspect's vehicle. Please note that this type of incident matches approximately 43 total incidents from January 2, 2019 to March 7, 2019 in this area. During the motor vehicle stop, the operator, identified as Anthony A. Lewis, was placed under arrest for an unrelated traffic warrant. During this motor vehicle stop, several black bolts were found on the lap of Anthony Lewis and also in his vehicle. These black bolts are believed to be the object thrown at the victim's vehicle. Anthony Lewis was transported to Plumsted Police Department where he was interviewed in reference to this incident. During the interview, Anthony Lewis denied ever throwing an object at another moving vehicle. During this interview, Anthony Lewis was shown a dash cam video taken on February 7, 2019 by another victim. This video shows a black Nissan Altima passing the victim's vehicle and at the same time, the victim's vehicle was hit with an unknown object which caused damage to the victim's windshield. While showing Anthony Lewis this video, he stated that the vehicle does match the description of his vehicle. This vehicle is described as a black 2006 Nissan Altima with no front plate and an EZ Pass transponder in the same location as Anthony Lewis' EZ Pass transponder. Anthony Lewis continued to deny any involvement in these incidents. During this interview, Anthony Lewis signed a consent to search for his cell phone. After processing Anthony Lewis for his arrest, he was released from custody from the Plumsted Township Police Department.

A Communications Data Warrant was applied for and authorized by Superior Court Judge Wendel Daniels. After reviewing the cell phone data received from Verizon Wireless, it shows that Anthony Lewis was in the area of multiple incidents of these incidents. Specifically by the incidents outlined in these charges. There is a second video of an incident in Jackson Township where it was captured by a victim's dashboard camera.

Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

On March 7, 2019 Anthony Lewis was stopped by the Manchester Police Department on CR 539 and Millstream Road while operating a 2006 Black Nissan Altima bearing PA

This vehicle matched the description of a suspect vehicle involved in a criminal mischief incident on CR 539 near mile marker 22. The victim of this criminal mischief incident reported that his vehicle was struck with an unknown object from another moving vehicle on CR 539. The victim turned his vehicle around and began to follow the suspect's vehicle. Please note that this type of incident matches approximately 43 total incidents from January 2, 2019 to March 7, 2019 in this area. During the motor vehicle stop, the operator, identified as Anthony A. Lewis, was placed under arrest for an unrelated traffic warrant. During this motor vehicle stop, several black bolts were found on the lap of Anthony Lewis and also in his vehicle. These black bolts are believed to be the object thrown at the victim's vehicle. Anthony Lewis was transported to Plumsted Police Department where he was interviewed in reference to this incident. During the interview, Anthony Lewis denied ever throwing an object at another moving vehicle. During this interview, Anthony Lewis was shown a dash cam video taken on February 7, 2019 by another victim. This video shows a black Nissan Altima passing the victim's vehicle and at the same time, the victim's vehicle was hit with an unknown object which caused damage to the victim's windshield. While showing Anthony Lewis this video, he stated that the vehicle does match the description of his vehicle. This vehicle is described as a black 2006 Nissan Altima with no front plate and an EZ Pass transponder in the same location as Anthony Lewis' EZ Pass transponder. Anthony Lewis continued to deny any involvement in these incidents. During this interview, Anthony Lewis signed a consent to search for his cell phone. After processing Anthony Lewis for his arrest, he was released from custody from the Plumsted Township Police Department.

A Communications Data Warrant was applied for and authorized by Superior Court Judge Wendel Daniels. After reviewing the cell phone data received from Verizon Wireless, it shows that Anthony Lewis was in the area of multiple incidents of these incidents. Specifically by the incidents outlined in these charges. There is a second video of an incident in Jackson Township where it was captured by a victim's dashboard camera.
