Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

On September 12, 2019, during the acts of domestic violence at the residence 433 Woodlake Manor Drive, Lakewood NJ, the defendant while in possession of a Lorcin .380 handgun bearing serial number 410840, a defaced firearm, was in an argument with his girlfriend, [REDACTED]. She was upset due to the defendant operating his vehicle and he became angry when she expressed her feeling to him. The situation escalated as the defendant utilized a stun gun and the firearm as a tactic to control [REDACTED] by sparking the stun gun near [REDACTED] arms and pointing the firearm at her head. [REDACTED] plead with the defendant to let her go but he would not allow her to leave. She was able to briefly exit his room and proceed to leave the residence however the defendant chased after her while brandishing the firearm. [REDACTED] said that the defendant fired off one round in the air as he chased her and then once he caught up he fired another round off in the air and pointed it at her demanding she follow him back to the house. In fear for her life she complied and the arguing and abuse continued. As other family members of the defendant arrived home, [REDACTED], [REDACTED], proceeded to get involved trying to calm him down and stop the abuse. However, he proceeded to direct his anger towards them as well additionally directing the firearm towards them by waiving it and pointing it directly at them. [REDACTED] and [REDACTED] continuously tried to calm the defendant down and convince him to let them drive [REDACTED] home however the defendant still would not let her leave unless it was with him. While this was taking place, [REDACTED] were trapped in the bedroom unable to leave because they felt that the defendant would shoot them if they exited the room as an attempt to leave the house. Additional [REDACTED] a 9 year old, was in the residence and upstairs where this incident was taking place while the defendant was recklessly waiving the firearm arm. Subsequently, the defendant fled the residence upon the arrival of police. He was instructed to stop running, which he did not comply and was advised he was under arrest but still continued to run from the scene. He was subsequently apprehended and the firearm was subsequently recovered in the area in which the defendant fled the scene. [REDACTED] was offered a TRO in which she advised she wished to apply. The TRO was granted by Honorable Judge Basen JMC along with the DV search warrant
