**AFFIDAVIT IN SUPPORT OF
APPLICATION FOR ARREST WARRANT
STATE OF NEW JERSEY**

TOWNSHIP OF TOMS RIVER

I, Detective Mark Bajada, of full age, being duly sworn according to law, upon his oath, deposes and says:

1. I am employed as a police officer with the Toms River Police Department and I am currently assigned to the Investigation Bureau.
2. In the course of my duties, I have been assigned to conduct investigations regarding, but not limited to; burglary and theft.
3. I have probable cause to believe and do believe that James Donegan, DOB: 06/13/1978 and Amiko Donegan, aka: Amiko Huggins, DOB: 02/10/1981 have committed the crime(s) listed herein:
4. On February 11, 2016 at 2034 hours, multiple police units responded to 1511 Serrata Way, located in the Adult Community of Green Briar Woodlands for a report of a residential burglary. While in route, communications advised that the two suspects walked out of the house and ran toward the woods.
5. Officer Buhowski indicated that he was first on scene along with his K9 partner Gunnar. Officer Buhowski broadcasted that he observed a male and female walking in the wood line near Kensington Circle. As patrol units checked the area Officer Buhowski directly responded to the scene.
6. Upon arrival at 1511 Serrata Way, Officer Buhowski indicated he observed an unsecure door on the east side of the house and two window screens removed from south side windows. Officer Buhowski and Officer Foye then cleared and secured the house.
7. A check of the residence revealed that the east side door in question was apparently "shouldered" based on the visual physical damage. According

to Officer Buhowski, the door jamb sustained a vertical crack that extended inches above the strike plate along with a cracked door stop molding which was consistent to the location of the push force by someone's shoulder.

8. Once inside of the residence, Officer Buhowski observed that each room was gone through with many drawers left pulled open along with personal property thrown about the house.
9. Officer Buhowski and his K9 partner Gunnar began a track. At that time, Officer Buhowski made contact with the witness James Sneddon of 1515 Serrata Way. Sneddon explained that his neighbor/victim Charles Carre Jr left for a VA hospital in Maryland. According to Sneddon, Mr Carre has been away for 9 days and his residence was supposed to be unoccupied. Sneddon further explained that he heard two "pop" sounds come from the outside. Upon hearing the sound, Mr Sneddon indicated he then looked outside his kitchen window and noticed that Carre's east door was open. He further observed two subjects inside of his home, one being a male subject in the den and the female subject in the hallway. Sneddon had his wife telephone police as he continued to monitor the two subjects. The two subjects then exited Carre's house and ran south towards the woods.
10. Officer Buhowski continued his track as he and his K9 partner began tracking south toward the back of the residence. The track then headed east behind homes on Serrata Way then to Beltane Road. The track then headed south on Beltane Road and crossing Kensington Circle continuing south on Beltane Road. The track continued to the area of 2174 Beltane Road where the track was then terminated.
11. At the same time when this burglary incident was dispatched by the Toms River Police Department, this affiant along with police members from Berkeley and Brick Township were present at Brick Police Department in preparation to execute a search warrant on the aforementioned subjects of James Donegan and Amiko Donegan for their residence at 11 Ebb Tide Drive, Brick, and their vehicle an off white, Cadillac, GTS, bearing NJ registration [REDACTED] as result of their suspected continued activity of residential/vehicle, and commercial burglaries in the Greenbriar Woodland community, Holiday City of Berkeley community, and neighborhoods near their Ebb Tide residence in Brick from November of 2015 to February 11, 2016.
12. The initiation of this multi-agency investigation was on 11/26/2015 when this agency received the first call to begin a rash of burglaries within the

Greenbriar Woodland Adult Community from homeowner Anthony Mennella at 2234 Beltane Road. Mennella reported on that day when he and his wife returned home from Thanksgiving dinner in North Jersey. When he and his wife entered their home through the garage, he noticed a piece of metal on the floor inside the front door of his house. At that time, the front door was in the closed position but not locked. However, Mennella then observed that the door jamb was broken.

13. When they checked the interior of their home, they then observed several pieces of jewelry missing from their dresser. The jewelry reported missing was a Raymond Weil women's watch "Parsifal Edition" along with a pair of sterling silver earrings, one pair of garnet stud earrings and other assorted jewelry (TRPD CN# 15-68899)
14. On 12/3/2015 this agency received a call from Agnes Bausch, age 79, at 1535 Quince Place in Green Briar for a report of a residential burglary. Bausch reported sometime between November 21, 2015 and December 3, 2015 unknown suspect(s) forced open or "shouldered" her neighbor's front door. Bausch explained prior to calling police while checking on the mail she discovered Deanne D. Nadel's door ajar which raised her suspicion of possible foul play.
15. Officer Brennan and Officer Foy conducted a perimeter search and cleared the residence which appeared to be vacant. A check of the interior revealed that the front door jamb was separated and cracked vertically with pieces of the door jamb/molding strewn about on the floor.
16. According to the homeowner Nadel items taken from the house that day were one silver flatware set of forks, spoons, and knives which were located in the dining room China Cabinet along with tie clips that were stored in a tin located in the master bedroom dresser (TRPD CN#15-70027).
17. On 12/15/2015 this agency received a call from Robert Bopf at 1548 Quince Place in Green Briar for a report of several items that were stolen from his unlocked motor vehicle overnight. Bopf reported that he parked his vehicle in the drive-way on 12/14/2015 and when he returned to it the next morning he noticed that items were out of place within the interior. Bopf reported missing was his Wells Fargo Visa Debit card, \$20.00 loose coin, and \$5.00 worth of lottery tickets (TRPD CN#15-72294)
18. On 12/23/2015 this agency received a call from homeowner John Marino for a report of a burglary in progress at 1523 Serrata Way, Green Briar. Several police units were dispatched to the scene. Upon arrival, Officer

Pacella met with Irene Marino who stated upon returning to their home from their daughters house she observed an unknown male inside. Irene indicated she observed the male subject exiting the master bedroom into the kitchen area. Immediately, she thought it was her grandson but upon further observation she realized it was not him. Irene stated this individual was very relaxed and upon eye contact he began to walk toward the side door to exit. Once outside, she observed him run fast away into the wood line.

19. John Marino indicated they then discovered that several pieces of jewelry stored in a jewelry box on his wife's dresser were missing. Marino itemized the stolen jewelry being one yellow-gold engagement ring with one $\frac{3}{4}$ Ct diamond on top, one yellow-gold anniversary ring with multiple diamonds around the band, one yellow-gold wedding band, one pair of 14k gold earrings and one yellow-gold pinkie ring with four diamonds around the band with a total estimated in the thousands of dollars.
20. Officer Pacella reported outside the kitchen door, he observed several foot prints in the grass and one muddy foot print on the back patio. Ptl Buhowski and K9 Gunner performed a K9 track in an attempt to locate the suspect. The track went through the woods to the rear of the residence and ended at Kensington Circle and Kwansan Court with negative results. Irene Marino described the suspect as being a white male, approx. 5', 10" wearing a baseball hat and dark colored jacket.
21. In the computer aided dispatch comments in this police report at 1954 hours, the caller reported that he saw a white car pull away that was parked 2 doors away (TRPD CN#15-73850)
22. On 12/26/2015 this agency received a call from homeowner James Barry at 2161 Beltane Road, Green Briar for a report of a burglary to his residence. Upon arrival, Detective Carey, Officer Spiecker, and Officer Kant responded to the scene.
23. Upon arrival, Officer Kant met with Mr Barry who related that he was out of state for the holidays with his wife between 12/23/15 and 12/26/15. Upon their return, they observed that the rear exterior and interior doors had been forced open and their master bedroom was ransacked.
24. Officer Kant indicated he observed that the rear exterior door had been kicked in which lead to a locked sunroom. Once in the sunroom there was a sliding glass door that appeared to be untouched, however, upon inspection the door leading into the living room was also kicked in to gain

further entry. According to Mr. Barry, the exterior and interior doors had been secured prior to leaving for the week. A latent footprint was left by the suspect inside the sunroom.

25. Officer Kant reported he also observed in the master bedroom that the suspects had opened several dresser drawers, and the drawers to a jewelry box located on top of the dresser. One of the top drawers to this dresser had been removed and placed on the bed with contents removed. One of the pillow cases had been removed in order for the suspects to conceal the stolen jewelry.
26. During this investigation, Officer Kant along with the aforementioned Officers conducted a canvass of the surrounding area. Upon contact with Joanne Bulkilvish at 2157 Beltane Road she provided the following details she observed prior to this incident.
27. Bulkilvish explained on 12/23/15 early in the afternoon, a white female made contact with her at her residence stating she was attempting to find her lost dog. Bulkilvish stated she observed this female walk between her residence and the residence of 2161 Beltane Road. Bulkilvish stated that she assumed at that time she was looking in the wooded area for her dog. The female suspect was then observed getting into the passenger side of a white vehicle driven by a white male and they drove away. The white male was described as 5'4" in his mid-twenties and the white female was described as 5'03" in her mid-twenties.
28. On 12/26/2015 this crime scene was processed for latent prints by Detective Jonathan Turner of the Toms River Police Department. Detective Turner was able to photograph footwear impressions that were discovered on the tile floor of the porch just inside of the back door. The footwear impressions were recovered using a tape lift.
29. Following James Donegan's arrest at the Brick Township Police Department on 2/11/2016 his footwear was removed from his body. The footwear described as being a sneaker type shoe manufactured by Rebok matched that of the footwear impressions left at the scene at 2161 Beltane on 12/26/2015. These impressions can be observed on photographs and by utilizing the actual shoe which was placed into evidence (TRPD CN#15-74247).
30. Recovered during the search warrant of the White, Cadillac registered to Amiko Huggins bearing NJ registration [REDACTED] were numerous pieces of jewelry, power tools, a wedding dress, wallets, and many other items

associated with proceeds of burglaries. Including in this property inventory was a pillow case filled with assorted jewelry, World War II military memorabilia, a VFW jewelry box, and old currency from Germany along with Charles Carre Jr's New Jersey driver's license having his address of 1511 Serrata Way. This property was taken into evidence by the affiant Detective Joseph Santoro of the Berkeley Twp Police Department. The said property was unable to be positively identified by the homeowner because he was currently hospitalized in a Veteran's Administration hospital in Maryland for treatment.

- 31.** During an interview, Detective Santoro (Berkeley) and Detective Cooney (Brick) spoke with Amiko Huggins. Upon reading her rights, Huggins indicated to them that she would speak with them. During their conversation, Amiko admitted to being at Green Briar along with her husband James. She also admitted to being seen by the neighbor while being in Carre's house. She stated James had alerted her that they were being watched and that they needed to flee. She stated they both ran from the house to their car and then left the area.
- 32.** On the following morning of 2/12/2016 while authoring this affidavit I was informed by Officer Oliver that an additional residential burglary was reported at 1512 Essex Court, Green Briar Woodlands. Oliver indicated he was presently reporting the incident and that the police report would be submitted following his day shift. However, Oliver had met with the victim Jim Sammarco a contractor hired by the homeowner who reported that his power tools were stolen from the house. Sammarco indicated during the day on 2/11/16 he worked inside the house performing carpentry work. At approximately 5:00pm he secured from the job and he locked the house following his departure.
- 33.** Upon return to the job that morning, he discovered that his tools were missing of which he described as being a Rigid miter box saw, a porter cable compressor with one green hose and one yellow hose, two porter cable trim guns (1-18 gauge and a 1-16 gauge) and that the house was forcibly entered. Also taken was a 50" inch flat screen television. Sammarco indicated during a search of the outside property that morning he located the television in the woods adjacent to the house. While conducting an inventory of the recovered tools, Detective Waleski of Brick PD and I observed Sammarco's name written on the underside base of the Rigid

4. On or about late November of 2015 into late December of 2015 the Toms River Twp Police Department responded to the area of Greenbriar Woodlands Retirement Village located on New Hampshire Road in Toms River in reference to four residential burglaries within the complex. The dates of the burglaries were 11/26/15, 12/03/15, 12/23/15 and 12/26/15. Three of the four burglaries were either front door or back door kick ins and one of the burglaries point of entry was an unlocked kitchen window. Furthermore two of the burglaries consisted of the actor(s) utilizing a pillow case to remove the stolen items.

5. During the investigation the Toms River Twp Detectives learned that a female identified as Amiko Donegan D.O.B. 2/10/81 resided with her grandmother at

1535 Serrata Way located within the Greenbriar complex. It should be noted Mrs. Donegan's residence is in very close proximity to the above aforementioned burglaries. Furthermore, during this time period Mrs. Donegan was noted to be selling jewelry at some of the local gold buying establishments within Ocean County that was verified through the RPDDS data base utilized by law enforcement. Detective Robert O'Neill retrieved photographs of the sold jewelry which was shown to the victims of the burglaries. This was met with negative results. A witness to one of the burglaries advised that a younger white female knocked on her front door and asked the witness if she had seen her lost dog. The witness advised that the female got into a white Sedan and fled the area. Mrs. Donegan has a 2004 white Cadillac CTS New Jersey registration [REDACTED] This vehicle is registered to Mrs. Donegan.

6. On 6/17/11 and 6/29/11 The Toms River Twp. Police Department responded to 24 Green Island Rd Toms River NJ in reference to two commercial burglaries. This location is identified as "Quick Stop Deli". During both incidents the actor(s) made entry by smashing the front entry glass door. During both incidents the actor(s) cut themselves leaving behind DNA evidence. Toms River Evidenced Technicians processed the scene on both occasions to include collecting swabs of blood for identification purposes. This Affiant was advised by Det. Thomas DiMichele that both blood swabs came back to Amiko Donegan. This information was received by Det. DiMichele only recently.

7. On 12/19/15, 12/20/15 and 12/27/15 The Berkeley Township Police Department responded to three separate residential burglaries in the Holiday City section of Berkeley Township. All three burglaries were forced entry to either the front or rear doors. All three burglaries consisted of the actor(s) utilizing a pillow case to remove the stolen items. During the burglary that occurred on 12/19/15 at 2 Randalls Drive, a witness who resides in the area who wished to remain anonymous for fear of reprisal

advised patrol that she observed a white younger looking male exit a white vehicle and walk to the rear of the residence. The witness advised the male subject returned a couple minutes later and got into the passenger side of the vehicle and left the area. The witness advised he/she believed that the driver was a white female.

During the burglary that occurred on 12/20/15 at 16 Duxbury Lane a witness identified as Helene Frishman who resides across the street observed a younger white male force his way through the front door of the residence. Mrs. Frishman reported observing the same male exit the back door carrying what she described as a blanket. Mrs. Frishman advised that the male subject fled swiftly to the passenger side of a white Cadillac and the vehicle fled the area. Furthermore Mrs. Frishman advised the male was wearing dark colored clothing and a knit hat. Mrs. Frishman advised she saw a white female driving the vehicle during the incident. Mrs. Frishman advised she observed a New Jersey license plate but could not read it. A second witness identified as Kenneth Welshman observed a whitish Cadillac drive up and stop on the west side of the Duxbury Drive residence. Mr. Welshman observed a white male exit the passenger door and walk to the rear door of the residence and start knocking. Mr. Welshman advised he then observed the male walk around the house to the front door where he lost sight of him. Mr. Welshman advised he figured the male knew the residents and just went about his business. Mr. Welshman described the subject as a white male, 5'6" to 5'10", wearing blue jeans, a black knit hat, and a dark colored shirt. Mr. Welshman was not sure if the driver was a male or a female.

Toms River Police Det. Robert O'Neill advised that Mr. Donegan had several two aliases. Mrs. Donegan utilized the names

"Amiko Doneegan", "Amiko Donnegan", "Amy Huggins", "Amiko Barbotko" and "Ami Donnegan". Furthermore Amiko Donegan has seven prior arrests with one felony conviction. The arrests included burglaries, thefts, concealing merchandise, and receiving stolen property.

9. On 2/9/16 at approximately 09:00 hrs this Affiant along with Detective Michael Tier responded to 600 Mule Rd in the Holiday City section of Berkeley Township in reference to a commercial burglary. This location is a strip mall with numerous businesses within the complex. Upon arrival we met with Ptl. Daniel Williams who advised that the Holiday City Diner as well as the Final Touch Hair Salon was burglarized. This Affiant met with the owner Mohammed Emara who advised he is missing approximately four hundred dollars in cash and coin as well as a small Tupperware change container and two boxes that were used for rolls of coins. The boxes were marked with "Nickel" and "Dimes" on same. It is believed that both businesses were entered by the actor(s) by prying open the back door. During the investigation this Affiant along with Det. Tier were able to review surveillance video from the "News Plus" store located just north of the Holiday City Diner within the Plaza. This Affiant observed a white Cadillac make multiple passes within the plaza. This Affiant observed the white Cadillac drive slowly in the rear of the plaza on two occasions within minutes of each other. During the second pass this Affiant observed a sticker on the rear passenger window in the upper left corner. Furthermore this Affiant observed a white male subject with a chin strap style beard driving the vehicle. This Affiant observed the white Cadillac park in the rear of the complex. The male driver exited the vehicle and opened the trunk. The driver removed something from the trunk and placed it on the ground. The driver got back into the vehicle and drove off. This Affiant along with Det. Tier inspected the entry ways to both businesses. We determined that both

rear doors were pried open with an unknown tool possibly a large screw driver or similar.

At 21:11, rear surveillance camera captures Cadillac passing through alley behind Holiday City Diner driving towards Route 37. This writer observed a white male subject with a chin strap style beard wearing a knit hat driving the vehicle.

At 21:12, rear surveillance camera captures Cadillac passing through alley behind Holiday City Diner driving south towards Davenport Rd. As the Cadillac passes by the camera, a square sticker is observed in rear passenger window. The Cadillac stops behind the Holiday City Diner and one subject exits the driver's side of the vehicle and moves to the trunk of the vehicle. The trunk is then opened and closed shortly after. The subject placed something on the ground at the rear of the trunk. The subject then re-enters the Cadillac and drives away.

At 21:14, the front surveillance camera captures the Cadillac park in the front parking lot in front of the News Hut. Two subjects exit the vehicle and begin walking south towards Davenport Rd. One identifiable item appeared to be a whitish furry collar being worn by the passenger. Based on this Affiants observations of the passenger, I determined the passenger was a female.

At 21:21, the rear surveillance camera captures two subjects walk out the rear door of the Holiday City Diner and walk south away from the camera view. Two subjects are then captured on the front surveillance camera walking to the Cadillac and enter the vehicle which is still parked in the front parking lot.
