Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

After responding to a report of a burglary to a motor vehicle the victim provided a description of the defendant as well as the item that was stolen from her motor vehicle (set of house keys). After gathering information for the report a separate incident occurred at a location nearby. Detective Riccio #289 and Detective Firreno #283 responded and ultimately arrested the defendant for a separate incident. The defendant appeared to match the description provided by the victim of the burglary. Search incident to arrest also revealed the stolen keys which were taken out of the victim's vehicle.
