Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:
While on uniformed patrol in a marked police vehicle, a call for a possible robbery at the 7-11 convenient store was dispatched via police radio. Upon arrival it was explained by the store attendant that a black male wearing a black hooded sweatshirt and black pants entered into the store carrying a metal pipe. He further related that the male jumped over the counter and stole two packs of Newport cigarettes. He told the clerk something to the effect of, "you always call the cops on me for stealing, I don't steal from you, but I am now." The male was swinging the pipe around and gestured it toward the clerk in a menacing manner several times, causing the clerk to walk away from the main portion of the sales counter. The male followed the clerk, paralleling him on the opposite side of the counter until they both reached the end of the counter. The defendant then walks around the end of the counter and gestures the pipe at the clerk again, within striking distance of the clerk. The defendant then walked around the outside of the counter to the main sales area of the counter and jumps over the counter. He grabs two packs of Newport cigarettes from a display on the wall, jumped back over the counter and flees the store. The surveillance system in the store was reviewed and all prior statements were determined to be accurate. The defendant was found by other patrol officers walking in a northwesterly direction away from the store. The defendant was wearing the same clothing as described by the clerk and was stopped and an interview was conducted. During the interview, the defendant was ultimately arrested and a search incident to arrest revealed the two packs of Newport cigarettes. A further canvas of the area revealed the metal pipe was found placed behind a vehicle in an adjacent car dealership. Surveillance video from the dealership was reviewed and the defendant was observed putting the pipe behind the vehicle next to the fence in an attempt to prevent its location.
