Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

On 11/15/2023 at approximately 2028 hours, officers responded to 218 Kentwood Boulevard in reference to a burglary in progress. The victim observed the suspect inside her home on a live camera and provided dispatch with his description. Upon arrival, I observed the suspect matching the provided description running away from the residence and a foot pursuit followed. The suspect, Joshua Guarino, was ordered to stop and continued fleeing towards State Highway 70. The suspect then crossed State Highway 70 and caused oncoming traffic to slow down to avoid a collision with him. He then physically resisted arrest while attempting to place him in handcuffs. A search incident to arrest yielded burglar tools in addition to stolen items from the residence. Additionally two films of suboxone and a cut pill suspected of being CDS were found during the search incident to arrest. Further investigation at the residence showed that he had damaged the screen window by cutting it in order to unlock the door and make entry.
