At the first meeting there was:

- 1) The sign-in sheet
- 2) Applications for non-profits to request CDBG funding for that year

At the second meeting there was:

- 1) A draft of the Annual Action Plan
- 2) Copies of the proposed budget for CDBG funds for that year

To anticipate the next questions - yes, I still have the 2016 application for non-profits and no, I don't have the proposed budget sheet, though the final budget is included in the 2016 Annual Action Plan and was very likely exactly the same as the proposed budget that was available at the 2nd meeting.

Alex,

I apologize, however Mr. Duff at this time would like to know what information pertaining to CDBG would have been at the two particular meetings he sent in for minutes.

Nancy,

There are no written minutes that resulted from these public hearings that no one attended and at which no words were spoken and no actions were taken.

Sincerely,
