Bob

I am aware of the problems down there. Rob has had his officers at this lot about parking issues and I have sent DPW to pick up mattresses. We were getting ready to line it and I recall learning it wasn't a legitimate town "permit" parking area and we needed a new ordinance. I do not recall an ordinance being passed for a new "permit" lot. I believe it also needed signage. I sent an email to Rob to double check on what we need to do. No problem lining it.

Bob you are seriously mistaken. Ask the BoDough family. It was never meant to be paved. I shared the quotation papers that contained the work specifications Thomas BoDough. Tomorrow I share the bid specs. on a formal quotation sheet.
