Re: T&M File No. PBCH-00150
Change Order No.1 Recommendation
Water Storage Tank Rehabilitation
Borough of Pine Beach, Ocean County, New Jersey

Dear Mrs. Carney:

Enclosed for the Borough's processing please find **Change Order No. 1** in for an **extension of contract time**.

The Contractor has requested an extension of the contract time, as the contract was put on hold temporarily. The reason for the temporary hold was outside the control of the Contractor. Specifically, there were legal matters that needed to be resolved due to a bid challenge and also cell antenna lease agreements.

Please process at the next available meeting.

Very truly yours,

T&M Associates

Project	<u>Water Storage Tank Rehabilitation</u>
Municipality	<u>Borough of Pine Beach</u>
County	<u>Ocean County</u>
Contractor	<u>Guimar General Contractor, LLC</u>

In accordance with the project Supplementary Specification, the following are changes in the contract.

Location and Reason for Change (Attach additional sheets if required)

- Reductions: None.
- Extras: None.
- Supplemental item(s): None.
- Contract Time Extension:

We note that the original contract indicates a time of completion of (120) calendar days from the Notice to Proceed. Note that the contractor's revised schedule is approx. (90) total days which is under the original time frame of (120) days. The Notice to Proceed was issued on October 12, 2021, with a completion date of February 9, 2022. The Contractor's schedule indicates a completion date December 23, 2023. Therefore it is my recommendation that we extend the contract time to the end of December 2023 to allow for additional weather. Therefore I recommend we extend the time of completion from (120) days to **December 30, 2023, which is an extension of (689) days, for a total time of completion of (809) days.**

**Re: Water Storage Tank Rehabilitation
Notice to Proceed**

Dear Mr. Guimaraes:

This Notice to Proceed is issued in accordance with **ARTICLE 7: NOTICE TO PROCEED** of the Contract Documents. We confirm that all conditions precedent cited in the Notice of Award dated July 19, 2021, have been accomplished except for the following as requested in my September 14, 2021 correspondence:

1. You must submit and obtain the Engineer's approval of the Progress Schedule required by SUBSECTION 11.1.1.
2. You must submit and obtain the Engineer's approval of a submission schedule for the Shop, Setting and Working Drawings required by SUBSECTION 11.4.
3. You must advise the Engineer in writing of the following:
 - Name, address, business & 24-hour emergency phone number of Superintendent
 - Name, address, business & 24-hour emergency phone number of Responsible Person- Site Safety
4. In accordance with SUBCONTRACTOR IDENTIFICATION FORM and Contract Documents, you must submit a list of known Subcontractors (in addition to any listed with your proposal pursuant to NJSA 40A:11-16) with a description of the work to be subcontracted, addresses and phone numbers. Similar information must be submitted as additional subcontractors are identified. Evidence of registration pursuant to NJSA 34:11-56-48 et. seq. must be submitted for all subcontractors prior to starting work. Your submission should include a statement that the limitations of SUBCONTRACTOR IDENTIFICATION FORM are not violated. All Subcontractors are also required to agree to the mandatory provisions of the Contract's Affirmative Action requirements. Please refer to the Contract Documents for information with regard to Subcontractors.

Please provide above items 1 through 4 as soon as practical

Guimar General Contractor, LLC is required to complete the project within one hundred twenty (120) calendar days from the date of the Notice to Proceed letter. The project shall be completed by February 9, 2022.

Prior to entering into any subcontract, you must obtain a copy of the Subcontractor's Business Registration Certificate as required by N.J.S.A. 52:32-44. A copy of the certificate for each Subcontractor must be provided to the Owner, with a copy to Engineer. Please refer to the Special Provisions for additional requirements.

Before any Subcontractor responsible for twenty-five percent (25%) or more of the money value of the Contract (*with the exceptions provided in the SUBCONTRACTOR IDENTIFICATION FORM of the Contract Documents*) begins work on the Project, you must have the Owner's written approval. Requests for approval should be submitted at least fifteen (15) business days prior to the date you anticipate that such a Subcontractor will begin work.

| YOUR GOALS. OUR MISSION.

In accordance with **SECTION 7.3** of the Contract Documents, the Contractor shall begin work with fifteen (15) calendar days of the date of the Notice to Proceed (*Article 7*). At the Owner's option, should you, without cause which, is sufficient to justify delay, fail to begin work within the time specified, you may be declared in default of Contract.

Before you begin the Work at the Site, you must have secured and submitted a copy to the Engineer of all permits required for your proposed operations which are not provided by the Owner.

Please provide this office with forty-eight (48) hours prior notice of the time and place that you will start the Work.

If you have any questions or desire additional information, please call.

Very truly yours,
