SUMMARY

On the above date and time, I responded to 5914 Main St for a request for assistance. A public defender locked herself out of her office.

Upon arrival, I met with Ingrid Sorensen who stated that she locked herself out of her office building and the key was not working in the door. I attempted to unlock the door with the key provided by Sorensen but it did not turn once in the lock. I attempted to unlock the door using the other keys on her key ring. A different key unlocked the door.

I accompanied Sorensen to her office, where she provided me with ID from her purse, that was inside.

She then left for the evening, securing the building behind her.

SUMMARY

On 11/21/2018 at 0911 hours, I responded to 5914 Main Street - Unit number 103 for a report of public service. Upon arrival, I spoke to Karen Elentrio, the Office Manager at the Public Defender's Office, who advised there is someone sleeping behind the building at night. The subject is not there during regular business hours and was not on location upon patrols arrival. There was a blanket there, but no other belongings. I advised Karen I would forward the case to the area sergeant and to night shift to attempt to identify the subject and advise him he is not welcome on the property. Nothing further.

SUMMARY

Patrol was dispatched to 5914 Main St suite 103, in reference to a 911 hang up.

On location, the building was secured and I did not locate any subjects inside the building while looking through several windows. I was dispatched a second time with the same results. It appears to be a phone line malfunctioning.

SUMMARY

On Monday October 30th 2017 at approximately 1542 hours, I responded with multiple officers from this agency to 5914 Main Street in reference to suspicious activity. Ofc. Silvio was conducting a bomb sweep for the Halloween parade when her partner, K-9 Argos, alerted to something being store in the UPS mailbox located in front of the building. After the building was evacuated and the perimeter was secured, the Atlantic City Bomb Squad responded to the scene and deemed the situation safe. No injuries were reported and business resumed as normal approximately ninety minutes later. No further action taken.

NARRATIVE

On 3/18/14 at approximately 1023 hours, I responded to the station for a report of a theft incident. Upon arrival I was met by Dawn J. Gilmore. Dawn stated she wanted to report that her Apple iPad Mini was stolen sometime last Tuesday morning, 3/11/14, while she was at work. Dawn stated the item stolen was a white Apple iPad Mini 32 GB Wifi valued at approximately \$500.00 [REDACTED]. Dawn stated she took the item to work on 3/11/14 and accidentally left it in the hallway/lobby area just outside of her office door. She stated she left it there at approximately 0915 hours and realized it had been stolen at approximately 1230 hours. Dawn stated she immediately checked the items locator option and learned that it was near Rt. 55 in South Vineland NJ. Dawn stated the locator function was disabled shortly after that and she currently has no idea where it is. She advised she already reported the item missing and discontinued the data plan through her carrier. Dawn stated if someone tries to activate the iPad Mini it will show up as stolen. Dawn stated she suspects no one specific in the incident. Dawn's work building is not equipped with any type of video surveillance.

No further information available at the time of this report.
