Regulations:

- All hens shall be confined in coops and outdoor enclosure, all of which shall be located outside of, and completely apart from, any building used for dwelling purposes or as a food/eating structure, or in which people congregate. Coops and outdoor enclosures containing hens shall be kept no less than 25 feet from the door or window of any dwelling or occupied structure, other than the owner's dwelling.
- The coop and outdoor structure shall be kept in clean and sanitary condition at all times.
- All chicken feed, when not in use, shall be stored in a metal or plastic container fitted with a cover. Chicken feed shall be dispensed from a suitable feeding trough, or similar container, and not scattered about the coop, outdoor enclosure, or other parts of the property.
