Subject: [External]OPRA request - City of Hackensack

Dear Hackensack City,

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL NOT use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.

Records requested:

Tax Delinquent

- A list of all property addresses that have an unpaid property tax bill for the last 6 months. Please also include in the list or separately a list of properties whose property tax bill was lien against the property.

Water Shut Off / Utility Liens

Due: 9-3-25

- A list of all property addresses that have had their water bill lien against the property, have failed to pay their water bill, or have had the water shut off at any point in the last 6 months.

Fire Damage List

- A list of all property addresses that the fire department has received an emergency call to in the last 90 days.

Code Violation

- A list of property addresses that have received any code violations in the last 6 months

Vacant List

- A list of all properties that the city deems to be currently vacant or abandoned.

My preferred delivery method for response(s) to this request is by E-mail as attachments. Please confirm you have received this request. If you are not the custodian of records, please forward my request to that person and provide their email address to me for future reference.

Yours faithfully,

Anthony

Please deliver records electronically via email to the below UNIQUE address for all replies to this request:

TO: Anthony

The City of Hackensack ("City") records custodian received your Open Public Records Act ("OPRA") Ref. No. 25-1599 request on 08-22-25. As such, the seven business day deadline to respond to your request is 09-03-25. This response is therefore being timely submitted in accordance with New Jersey law. See N.J.S.A. 47:1A-5.

RECORDS RESPONSE: All responsive records found with the Tax Collector's Office, Health Department, and Building Department pertaining to delinquent taxes, open liens, code violations, and vacant property list for the City of Hackensack for the previous 6 months.

Non-public information including email addresses have been redacted as authorized by N.J.S.A. 47:1A-1

Per the Building Department, the property highlighted in green is the only property that has registered at the time of sending this response. The others on the list have been notified with no response.

Please be advised that water shut off records are handled privately through Veolia, kindly contact their office 1-800-422-5987 to obtain the responsive records pertaining to this part of your request.

The Hackensack Fire Department does not have the capability of generating a report of all code violations/a list of properties with fire damage for all properties within the City of Hackensack – the system used only allows for records to be search with a specified address or addresses. If you are able to provide the address or addresses for the properties you would like the code violations/fire reports for, the Fire Department would be able to provide any responsive records if found.

Your OPRA request is now deemed answered and closed.
