Subject: OPRA request - Code blue budget

Dear New Brunswick Deputy Clerk Bennett,

Please accept this SECOND electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

Your initial rejection of our request with:

"The City of New Brunswick is in receipt of your

OPRA request dated January 14, 2025 and received January 15, 2025. Please be advised the City of New Brunswick has no records responsive to your request. Thank you."

We request a budget breakdown of project code blue immediately. New Brunswick is an outstanding city and for a project with a \$152,000 budget. We refuse to believe that there is no itemized allocation of funds.

This makes no sense. A governmental purchase has an itemized place in a budget. We do not accept this response. We know that \$52,000 of this budget is spent on cleaning and additional funds are used for laundering costs. We demand to know where this money is going and there has to be a contractor in charge of that work. Again, We demand to know where this money is going. We demand an itemized budget immediately. We are lawfully asking for this. We know this information is available and we are entitled to it by law.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL NOT use the requested government records for a commercial purpose.

CITY CLERK 02/03/25 10:27

I AM NOT seeking records in connection with a legal proceeding.
