Dear Baboucarr Sey:

The Township of Irvington's Neighborhood Services (Preservation) department received your Open Public Records Act (OPRA) request on February 10, 2023. The official Records Custodian, Harold Weiner, received your OPRA request on February 10, 2023. As such, the seven (7)-business day deadline to respond to your request is February 24, 2023. This response to your request is being provided to you on the 4th business day after the custodian's receipt of said request:

"Dear Irvington Township, This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message. Records requested: Tax Liens - A list of all the residential properties with tax or municipal liens. (in csv or excel) - data from Feb 2020 to Feb 2023 Code Violations - A list of all the residential properties with code violations that include fire damage, overgrown grass, overgrown weeds, junk, boarded houses/windows, vacant properties. (in csv or excel) - How often does the city update the code violations list? Daily? Monthly? - How often does the city add addresses that violate the city code? Yours faithfully, Baboucarr Sey "

Neighborhood Services (Preservation) is providing a record of its issued code violations. Your request for other records has been forwarded to other departments.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by Neighborhood Services (Preservation) to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council ("GRC") by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The Council can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,

Willie Williams,

Sub-Custodian, Neighborhood Preservation
