CPT-20-00153 121-125 Chestnut I am writing this email to put you aware that there has been a large construction project that has been going on for the last week with over 30 employees. A 100 car parking lot went from dirt to asphalt earlier this week. Furthermore, the building is under extensive repair. All of this has been done unlawfully and against the Gov. Murphy's Executive order stopping all non essential construction. Does the building have a permit to do this major work? If the building does have a permit, why would the construction continue during this time with the executive order in place? I have also emailed NJ regulatory Affairs department, The NJ Building Authority, and The Covid-19 complaints department.	4/29/2020 12:25:00 PM	Zoning	LandusePro	Robert Lawson	COMPLETED	5/1/2020

I Walter Wimbrush gave her a call before I arrived this morning at 8:52am. Mrs. Ijeoma and her husband gave me a very hard time from the door. I had to call my boss on the phone and my boss Micheal Tisdale came to the inspection to resolve and talk to the residents. I then proceeded to do the inspection.
