PREAMBLE AND RECOGNITION

A. THIS AGREEMENT, entered into this _____ day of _____, 2023 by and between the TOWNSHIP OF PLAINSBORO, in the County of Middlesex (hereafter the "Township" or the "Employer"), and IBT Local 701, a duly appointed representative (hereafter the "Union"), represents the complete and final understanding on all bargainable issues between Employer and the Union.

B. The Township hereby recognizes Local 701 as the exclusive representative of all Dispatchers/Public Safety Communications Officers employed by the Township of Plainsboro.

C. It is the intention of the parties that this Agreement be construed in harmony with the Public Employment Relations Commission Act as amended, the laws of the State of New Jersey, and the ordinances and personnel policies and procedures of the Township of Plainsboro.

ARTICLE I

MANAGEMENT RIGHTS

A. The Employer hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitutions of the State of New Jersey and of the United States, including but without limiting the generality capability of the following rights:

1. The executive management and administrative control of the Township, its properties, facilities, and activities of its employees, using personnel methods and means of the most appropriate and efficient manner possible as may from time to time be determined by the Township.

2. To make rules of procedure and conduct; to use improved method and equipment; to determine work schedules and shifts, as well as duties; to decide the number of employees needed for any particular time; and to be in sole charge of the quality and quantity of the work required. The Employer agrees to give notice to the employees of the rules and procedures issued.

3. Management's right to make reasonable rules and regulations as it may from time to time deem best for the purpose of maintaining order, safety, and/or the effective operation of the Department after reasonable advance notice thereof to the employees and the Union.

4. To hire all employees, whether permanent, temporary or seasonal, to promote, transfer, assign, or retain employees.

5. To set rates of pay for temporary or seasonal employees.

6. To suspend, demote, or take any other appropriate disciplinary actions against any employee for good and just cause according to law.

7. Nothing contained herein shall prohibit the Township from

contracting out any work. The Employer agrees to meet with the Union to discuss possible alternatives to subcontracting prior to the decision to subcontract is made.

8. To lay off employees in the event of lack of funds or under conditions where continuation of such work would be inefficient and nonproductive.

9. The Employer reserves the right to all other conditions of employment not reserved to make such changes as it deems desirable and necessary for the efficient and effective operation of the Departments involved.

B. In the exercise of the foregoing powers, rights, authority, duties, and responsibilities of the Township, the adoption of policies, rules, regulations, and practices in the furtherance therewith, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and expressed terms hereof in conformance with the Constitutions and laws of New Jersey and the United States.

C. Nothing contained herein shall be construed to deny or restrict the Employer of its rights, responsibilities, and authority under R.S. 40A:1-1, et seq., or any national, state, county, or local laws or regulations.

D. The parties recognize that the exercise of managerial rights is a responsibility of the Township on behalf of the taxpayers and that the Township cannot bargain away or eliminate any of its managerial rights. No grievance may proceed beyond Step Two herein unless it constitutes a controversy arising over the application or alleged violation of negotiable terms and conditions of employment.

ARTICLE II

MAINTENANCE OF WORK OPERATIONS

A. The Union hereby covenants and agrees that, during the term of this Agreement, neither the Union nor any person acting on its behalf will cause, authorize, or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty or willful absence of any employee for his/her position, or stoppage of work, or absence in whole or in part from the full, faithful, and proper performance of the employee's duties of employment), work stoppage, slow-down, walk-out, or other illegal job action against the Employer. The Union agrees that such action would constitute a material breach of the Agreement.

B. In the event of a strike, slow-down, walk-out, or job action, it is agreed that participation in any or all such activity by any Union member shall entitle the Employer to:

1. Withdraw dues deduction privileges; and/or
2. Terminate the employee or employees involved in such activities.

C. The Union agrees that it will make every reasonable effort to prevent its members from participating in any strike, work stoppage, slow-down, or other activity aforementioned or from supporting any such activity by any other employee or group of employees of the Employer, and that the Union will publicly disavow each action and order all such members who participate in such activities to cease and desist from same immediately and return to work, and take such other steps as may be necessary under the circumstances to bring it compliance with the Union order.

D. Nothing contained in this Agreement shall be construed to limit or restrict Employer or the Union in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of a breach by Union members or the employer.

ARTICLE III
GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed to limit the right of any employee with a grievance to discuss the matter informally with any appropriate member of the Department. The employee reserves the right to have a shop steward present, if desired. Nothing contained herein shall prohibit the parties from raising a timeliness argument under this Article.

C. With regard to employee, the term "grievance" as used herein means an appeal by an individual employee or group of employees of the interpretation, application, or violation of the terms and conditions of this Agreement. With regard to the Employer, the term "grievance" as used herein means a complaint or controversy of the negotiable terms and conditions of this Agreement.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent:

Step One: The Union shall institute written action under the provisions hereof within seven (7) working days after the event giving rise to the grievance has occurred, and an earnest effort shall be made to settle the differences between the aggrieved employee and the Department Head for the purpose of resolving the matter informally. The written grievance at this step shall contain the relevant facts and a summary of any preceding oral discussion, the applicable section of the Agreement violated, and the remedy requested by the grievant. The immediate supervisor or designee will answer the grievance in writing within ten (10) working days of receipt of the written grievance and will then supply the answer to grievant and union. Failure to act in writing within the seven (7) working days shall

constitute an abandonment of the grievance.

Step Two: If the Union wishes to appeal the decision of the Department Head, such appeal shall be presented in writing to the Township Administrator within (5) working days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Township Administrator shall respond, in writing, to the grievance within twenty (20) working days of the submission.

E. Upon prior notice and authorization of the Chief of Police, the designated Union representative shall be permitted, as a member of the Grievance Committee, to confer with employees and the Employer on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided that the conduct of the business does not diminish the effectiveness of the Employer or require the recall of off-duty employees.

F. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If the grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for proceeding with the grievance at any step in the grievance procedure.

G. Reasonable disclosure will not be withheld involving any correspondence from either party, provided it directly relates to the party or parties involved in the grievance, and directly relates to the grievance itself.

ARTICLE IV
ARBITRATION

Step Three: Within five (5) days, exclusive of designated holidays and Saturdays and Sundays, of the Administrator's decision, the Union may apply to the N.J. Board of Mediation ("BOARD") for binding arbitration. Alleged violations of this Agreement may be submitted to arbitration. The selection of an arbitrator and the arbitration shall be in accordance with the rules and procedures of BOARD. Simultaneously with application to the BOARD, the Union will send notice to the Employer of its arbitration petition.

A. The decision of the arbitrator shall be in writing and shall include the reasons for such decision. The decision of the arbitrator shall be binding upon the Employer and the Union and the employee. The parties may direct the arbitrator to decide, as a preliminary question, whether he or she has jurisdiction to hear and decide the matter in dispute. The arbitrator shall be bound by the provisions of this Agreement and the Constitution and laws of the State of New Jersey, and be restricted to the application of the facts presented to him/her involved in the grievance. The arbitrator shall not have the authority to add to, modify, or detract from, in any way, the provisions of this Agreement or any amendment or supplement thereof. The costs for the services of the arbitrator shall be borne equally by the Union and the Township. Any other expenses including, but not limited to, the presentation of witnesses shall be paid by the parties incurring same.

ARTICLE V

- E. Employees hired on a per diem basis shall be paid at the rate of \$18.00 per hour for all hours worked and shall not be eligible for any other benefits.
- F. Length of service/Longevity shall be eliminated for all members of this unit.

ARTICLE VI

OVERTIME

A. Overtime shall be paid for all work performed in excess of the currently scheduled shift at the rate of one and one-half ($1\frac{1}{2}$) times the computed hourly rate. Hours of work shall be as defined under the FLSA. Full-time employees shall not be paid overtime until said employees shall have worked the hours specified above. The work day shall be defined as the day in which the greatest number of hours are worked.

B. Overtime work will be kept to a minimum, except in cases of emergency, and must be authorized in advance by the immediate supervisor consistent with the rules and regulations of the police department. The reasons for granting overtime shall be noted on the time report and certified by the Chief of Police or designee.

C. Overtime shall be computed and payment made on the following basis:

1. Fifteen (15) minutes or less – no pay
2. Sixteen (16) through thirty (30) minutes – one-half ($1/2$) hour pay.
3. Thirty-one (31) through sixty (60) minutes – one (1) hour pay.
4. Time cards shall be used to determine actual time worked.

D. Working hours and daily schedules of employees will be arranged to fit Township needs. There is no guarantee of overtime hours. Employees will be required to work reasonable overtime and during non-scheduled periods when the necessities of the Township demand such work. In administering the requirement to work overtime, the Township will make a reasonable effort to excuse employees who have personal commitments. This will not reduce the employee's obligation to work overtime when assigned.

E. Employees recalled for overtime work at time and one-half, which is not contiguous with the front or back side of the employee's work day shall be entitled

to a minimum of four (4) hours' pay and the right to keep the employee for the full four (4) hour period. These provisions shall not apply when there is a declared emergency or general callback.

F. A rotating overtime list will be used to fill short notice schedule voids. The last name on the list cannot refuse such assignment. The Township reserves the right to assign overtime.

G. If, for any reason, a Dispatcher scheduled to work is unavailable, the Chief of Police shall have discretion to assign to that open shift either another Dispatcher on overtime (in accordance with existing priorities among Dispatchers), a 911-certified Police Officer on straight time, or a 911-certified Emergency Medical Technician on straight time. In emergent circumstances the Chief of Police may assign a 911-certified Police Officer or a 911-certified Emergency Medical Technician on overtime if, for any reason, no Dispatcher can perform the shift on overtime.

H. Effective upon the signing of the contract, the following compensatory terms shall be implemented into the contract:

i. Compensatory time in the form of hours away from duty may be provided and accumulated to a maximum of twenty four (24) hours, to be used in full-shift increments.

ii. Arrangements for the use of compensatory time in lieu of overtime payments must be made and approved in advance by the Department Head or Designee, with a minimum of fourteen (14) days notice.

iii. Requests for Compensatory Time shall be evaluated by the Department Head or Designee in terms of workload, overtime, other requests within the

Department and the effect of the request upon the proper operation and functioning of the department.

D. Changes in the scheduling of vacation will not be permitted without prior approval of the Chief of Police.

G. The rate of vacation pay shall be the employee's regular straight time rate of pay in effect for the employee's regular job on the pay day when vacation commences.

H. PSCOs must submit vacation preferences by December 15th of each year. Timely requests for the same vacation time will be resolved by seniority. All vacation requests received before December 15th shall be deemed to have been received simultaneously. Request for full shifts receive priority except for designated Holiday weeks. Requested vacation time supersedes requested holiday time prior to December 15th.

I. Vacation and Holiday requests received after December 15th shall be dealt with on a first come, first served basis.

J. Vacations shall be picked in seniority order and using the following rules:

1. Any PSCO with 128 vacation hours must use 2 full work blocks. The rest may be taken in single days.
2. Any PSCO with 184 or 240 vacation hours must use four full work blocks. The rest may be taken in single days.
3. During the weeks that the Township has designated as holidays, PSCOs (in seniority order and obeying current manpower policies) may choose up to two days (the day preceding the holiday and the holiday or the holiday and the day following the holiday). This

request cannot be superseded by a full block of vacation days requested by a less senior PSCO.

4. Effective January 1, 2014, unless agreed to by the employee and the Township Representative, the employee's schedule CANNOT be adjusted to fill vacancies caused by another employee requesting time off within fourteen (14) days of day requesting. However, the Chief of Police has the right to override the preceding sentence, so to assign employees to a work schedule, because of overtime issues, that is in the best interest of the Department.

ARTICLE VIII

1. Through sickness or injury becomes incapacitated to a degree that makes it impossible for the employee to perform the duties of the employee's position;

3. Has need to visit a medical professional during employee's work hours. Sick leave shall not be allowed for such things as ordinary dental care, nor for any other professional services that may be normally scheduled within the employee's regular off-time. In such cases, sick leave may be charged in one-quarter (1/4) working-day units;

4. Has a member of the immediate family (child, spouse, dependent parent, or dependent relative residing in the employee's household) with an illness which requires the employee to stay home or to take the relative to receive medical care. 2. The employee reporting sick leave shall notify the supervisor of:

- b. the telephone number where the employee may be contacted during sick leave;
- c. the expected duration of sick leave, if known.

3. The supervisor shall record this information on the appropriate sick leave form.

F. General

1. Habitual absenteeism may be cause for discipline up to and including discharge.

2. During protracted periods of illness or disability of an employee, the Administrator may require interim reports on the condition of the patient from the attending physician and/or a Township medical physician.

4. When under medical care, employees are expected to conform to the instructions of the attending physician if they wish to qualify for salary payment during such period of illness or disability.

a. No employee shall be allowed to work who endangers the health and well-being of other employees, and if the employee's condition warrants, the employee may be directed to the Township physician for an opinion as to fitness for duty.

- iv. When the employee does not report to the Township physician, as directed.

5. In charging an employee with sick leave, the smallest unit which may be recorded is one-half (1/2) of a working day.

6. Once an employee exhausts his/her sick leave, an employee becomes classified as "unpaid sick" and all other aspects of this sick leave policy remain in effect.

7. Once an employee exhausts his/her sick leave, an employee may be eligible to receive state or federal disability payments, including Social Security. An employee who applies for disability benefits must furnish the Township with proof of application and proof of receipt or denial of such benefits.

G. Sick Leave Confinement Restriction

1. If an employee is absent for reasons that entitle the employee to

sick leave or the employee is on Workers' Compensation leave because of an injury sustained during his/her employment, the employee shall remain at his/her place of confinement during the period in which he/she is scheduled for work on the day(s) in questions, with the following exceptions:

H. Leave of Absence as a Result of Injury in the Line of Duty

When an employee covered under the sick leave policy is injured in the line of duty, the Township shall provide the employee with a leave of absence for up to

one (1) year with take-home pay equal to that which would be provided to the employee if the employee had continued working at regular pay without overtime, holiday, or other pay. When such action is taken, the employee shall not be charged any sick leave for time last due to such particular injury.

I. Sick Leave Incentive Plan

1. If an employee has accumulated three hundred twelve (312) hours of sick leave as of December 31st then the next year he/she has the option of selling back to the Township, at the rate of fifty-two dollars and fifty cents (\$52.50) per twelve (12) hour shift, any sick leave accumulated over three hundred twelve (312) hours.

2. If an employee uses thirty-two (32) or less sick hours in a calendar year, he/she will be paid a "bonus" at the rate of twenty-two dollars and fifty cents (\$22.50) per twelve (12) hour shift for every unused sick day earned that calendar year. The "bonus" does not reduce the total accumulated sick days.

3. At separation, an employee with five (5) or more years of service with the Township is entitled to twenty-five (25%) percent of accumulated sick leave at his/her current rate of pay. The maximum cash benefit from sick leave at retirement or separation shall be Ten Thousand Dollars (\$10,000.00).

E. An employee may make a request of the Chief of Police or designee for time off to attend a funeral separate and distinct from bereavement leave, which approval shall not be unreasonably withheld. Any time taken under this section shall be charged to available vacation, holiday, or leave of absence without pay.

All employees hired during the term of this Agreement shall serve a probationary period of one (1) year from the date of hire. During this probationary period, the Employer reserves the right to terminate a probationary employee for any reason. An employee, if terminated, shall not have recourse through the grievance procedure set forth in this Agreement. The probationary period may be extended at the discretion of the Department Head with approval of the Township Administrator for two extensions of forty-five (45) days each.

ARTICLE XVII

SEPARABILITY AND SAVINGS

If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

ARTICLE XVIII

DEDUCTIONS FROM SALARY

A. The Township agrees to deduct from the salaries of its employees, subject to this Agreement, dues from the Union. Such deductions shall be made in compliance with applicable law.

B. A check-off shall commence for each employee who signs a properly dated authorization card supplied by the Union and verified by the Township treasurer during the month following the filing of such card with the Township.

C. If during the life of this Agreement there shall be any change in the rate of membership dues, the Union shall furnish to the Township written notice thirty (30) days prior to the effective date of such change and shall furnish to the Township either new authorizations from its members showing the authorized deduction for each employee or an official notification on the letterhead of the Union and signed by the President of the Union advising of such changed deduction.

D. The Union will provide the necessary "check-off authorization" forms and the Union will secure the signatures of its members on the forms and deliver the signed forms to the Township Personnel Officer.

E. Any such written authorization may be withdrawn at any time by the filing of notice of such withdrawal with the Township Personnel Officer. The filing of a notice of withdrawal shall be effective to halt deductions in accordance with N.J.S.A. 52:14-15.9e, as amended.

F. The Union shall indemnify, defend and save the Township harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or

OUTSIDE EMPLOYMENT

Employees will not be permitted to engage in outside employment which conflicts with their responsibility to the Township. Employees will be permitted to engage in outside employment if it does not constitute a conflict of interest and is work that would not be performed during an employee's normal tour of duty with the Township. However, the employee recognizes that his/her primary employment responsibility is to the Township and he/she will therefore be available immediately following tours of duty, upon reasonable notice by the Township, if he/she is called back to perform service on an emergency basis at hours other than during the normal tour of duty. Employees will advise the Chief of Police or designee of the location, nature, and times of such outside employment, which is conducted on a continuing basis, so that the Chief of Police or designee may recall them back to work in the event of an emergency. Such outside employment is subject to issuance of a work permit at the discretion of the Chief of Police and is appealable to the Township Administrator.
