- B. Permanent employees shall, upon successful completion of their probationary period, be considered to have seniority back to their date of hire with the Township. Temporary

- C. Permanent part-time employees will receive part-time seniority pro-rated according to the percentage of time they have worked. This part-time seniority will only be compared with other part-time seniority, not with the seniority accrued by full-time employees.
- D. Permanent part-time employees, upon being hired by the Township as permanent full-time employees, shall be considered to have seniority pro-rated back to their date of part-time hire with the Township. This seniority shall be considered as a part of their regular seniority, to be used in matters affecting layoff only.
- E. Seniority shall accumulate until there is a break in service. A break in service occurs when an employee resigns, retires, or is terminated.
- F. If an employee is laid off, his/her seniority shall be retained until the employee is recalled or refused when recalled. Seniority shall continue to accrue during any period of absence due to sick or injury leave, maternity leave (up to one year), military leave, or paid leave of absence.

- C. The Township shall notify the union employee at least 45 days in advance of a scheduled layoff.
- D. Any laid off employee who fails to report for duty within fifteen (15) days after the mailing to him/her of a written notice, postage prepaid, registered, and regular mail to the last address known to the Township, and return receipt requested shall lose his/her rights to be rehired hereunder.
- E. Recalled employees are not subject to 6 month probationary period as required for new hires. When a permanent part-time position becomes available within the AFSCME classification, a letter via regular U.S. mail, will be sent to all of those on the recall list. Those employees will then have ten (10) days to make application for the position. The township will select the most senior of those applicants provided the person meets the requirements of the position.

If one of the individuals applying from the recall list is selected, that person remains on the list for all full-time positions as per Article 20 of the CBA and does not forfeit his/her rights to recall to a full-time position.

The Township, in its letter inviting those of the recall list to apply for the open permanent part-time position, will include the information above that selection for this position shall not jeopardize or forfeit their position on the recall list for full-time reemployment.
