WITNESSETH:

WHEREAS, it is the purpose of this Agreement to prescribe the legitimate rights of those Municipal Employees recognized as being represented by the Association and to provide orderly and peaceful procedures for presenting employee grievances and proposals, and to protect the rights of the public in the Township of Clark;

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

ARTICLE 1

RECOGNITION

The Employer hereby recognizes Union Council No. 8, I.F.P.T.E., AFL-CIO as the exclusive representative for Communication Operators working for the Township of Clark, but excluding all managerial executives, confidential employees, tax collector, supervisory employees within the meaning of the Act, police officers, craft employees, secretary to the mayor and secretary to the Business Administrator, all division and department heads, and all other employees employed by the Township of Clark.

ARTICLE 2

REPRESENTATION FEE

a. Notice and Amount of Fee

If an employee in the bargaining unit is not a member of the Association during the term of this Agreement, and during the period, if any, between successive Agreements, such employee shall be required to pay a representation fee to the Association during such term of period. The purpose of the representation

fee is to provide for payment to the Association of a fee in lieu of dues for services rendered by the Association, and thereby to offset the cost of services rendered by the Association as majority representative. In order to adequately offset the cost of services rendered by the Association, the representation fee shall be 85% of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members.

The Employer shall submit an up-to-date list of all employees in the unit to the Association at least once each month. The Employer shall advise the Association of any new hires within fourteen (14) days of said employee's hiring. The Association shall submit to the Employer a list of those employees in the unit who are not members of the Association. The Employer shall deduct from the salary of such employee in accordance with "b" below, the full amount of the representation fee and shall transmit promptly the amount so deducted to the Association. The Association shall notify the Employer in writing of any changes in the list and/or the amount of the representation fee, and such changes shall be reflected in any deduction made.

b. Payroll Deduction Schedule

The Employer shall deduct a representation fee in equal installments as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the membership period fixed by the Association. The deductions will begin with the first paycheck paid ten days after the receipt of the aforesaid list by the Employer (or 30 (thirty) days after the employee begins his/her employment in the bargaining unit position) and every pay check thereafter except where the employee is continued in the employ of the Employer in a non-bargaining unit position or is on layoff, in which event the deductions will begin with the first paycheck paid 10 (ten) days after the resumption of the employee's employment in a bargaining unit position. Except as otherwise provided herein, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues paid to the Association by payroll deduction.

c. Purpose of Article

The purpose of this Article is to provide for payment of representation fees as set forth in Chapter 477 P.L. 1979 of New Jersey or any amendments thereto, and anything herein which may be inconsistent with said law shall be deemed to be changed to conform with said law. The Association has represented that it has established a "demand and return" system pursuant to the foregoing law, which is available to employees who pay the representation fee.

ARTICLE 3

ASSOCIATION BUSINESS

Section 1. The Association shall advise the Employer in writing of the names of its representatives.

SICK LEAVE, LEAVE OF ABSENCE AND OTHER LEAVE

Section 1.

Employees are entitled to one tour day sick leave with pay for each month of service from the date of appointment to December 31 of each year. Thereafter, 15 tour days of sick leave are granted in each calendar year, or a total of 161.25 hours. Any employee whose employment has terminated shall have their sick leave prorated in the year of termination at the rate of one tour day per month, not to exceed 15 tour days.

Sick leave is hereby defined to mean absence from post-of-duty of an employee solely in the event of illness, accident, exposure to contagious disease, attendance upon a member of the employee's immediate family who is seriously ill requiring the care of such Employee. A certificate of a reputable physician in attendance shall be required as sufficient proof of need of leave of absence of the employee or the need of the employee's attendance upon a member of the employee's immediate family. In case of leave of absence

due to contagious disease, a certificate from the Department of Health shall be required prior to return to duty. The term "immediate family" is limited to the employee's spouse, children, stepchildren, grandchildren, parents, grandparents, brothers, sisters or a relative who is part of the household.

Sick time usage is a benefit and is to be used as defined. Sick time is not to be abused, nor is it to be utilized for any other purpose.

The employee or a member of the employees' family must telephone Police headquarters or other individual designated by the Department Head at least an hour before the employee's starting time to advise that the employee cannot report to work.

The employer may require proof of illness, whenever three (3) or more consecutive days are utilized as to "fitness for duty", or if an employee has a pattern of sick leave use. A pattern is defined as "absences that consistently occur". For example, before or after scheduled days off including holidays and vacations; the same day of the week or month, etc. The Department Head or his/her designee retains the discretion in determining what constitutes a pattern. Failure to provide proof of illness by the employee may result in disciplinary action.

Any employee expending a total of more than five (5) non-consecutive days of sick leave in any one year may be required to provide a doctor's note or submit to a physical examination by a medical doctor selected by the Business Administrator, and the net cost, if any, to the employee for that doctor visit shall be reimbursed by the employer. If such examination determines that no sickness is evident, the employee shall be subject to disciplinary action.

Sick time taken as part of a day shall require the approval of the Department Head to verify that the individual either has a doctor's appointment or is feeling suddenly ill.

An employee absent from work utilizing a day of Sick Leave must be at home during the hours scheduled to work for which Employee is being paid and reported off sick except to go to the doctor. The

Township reserves the right to send a physician, visiting nurse or other appropriate official to confirm the Employee's whereabouts or to order the Employee to a physician of Township's choice to report on condition of the Employee. If such examination determines no sickness is evident, employee shall be subject to discipline. No place of confinement visits or telephone calls shall take place before 0800 or after 2100 hours.

During a period of disability, employees may elect, if they so desire, to first utilize all or any part of their accumulated sick leave. In the absence of such elections, leaves of absence provided by this Article will not affect in any manner whatsoever, the accumulated sick leave of the disabled employee.

Where a disability work-connected injury is sustained and causes an extended absence, the Township Council will adopt a resolution granting the injured employee up to one-year leave of absence with pay. If and when such action is taken, the employee shall not be charged with sick time beyond that charged at the time of the disability.

In the event of such action, the employee must agree in writing to reimburse the Township for payments they may receive as Workers' Compensation, insurance benefits or from any settlement or judgment paid to the employee by a person or corporation held responsible for such injury.

All full-time employees hired subsequent to November 1, 1981 shall accumulate unused sick time leave to a maximum of \$ 7,500.00 which shall be redeemable upon retirement. Effective immediately, employees who use 4 tour days or less (43 hours) of sick time per year shall be eligible for an annual buyout of one tour of pay or 43 hours which if elected will result in those hours being eliminated and a like number of hours being eliminated from accumulated sick time or a total of 86 hours, 43 of which will be paid. Remaining hours shall remain in accumulated sick bank.

The only time a donation of time may be asked for by an employee is when he/she has exhausted all of his/her accumulated sick leave, vacation, holidays, personal days, compensatory time off and all other time off entitlements and the employee is suffering from a prolonged health condition or injury.
- g. The Chief’s office will, at the end of each January, prepare a report of the sick time used by all officers to the committee that administers the donation of sick, compensatory or vacation time so that any employee wishing to donate time will know if the employee requesting such a donation has been abusing his own sick time.

- h. The donation or refusal to donate sick, compensatory or vacation time will be kept confidential from all others except that of the committee that administers same.
