annual training time bank. Said bank time shall be administered in accordance with Section F of this Article.

b. Shift selection shall be done based on seniority and assignment. Officers shall select shifts in order of most senior to least senior in a given assignment. This pertains only to shift, not platoon. Shift selection shall only pertain to Officers who have successfully completed field training. Officers undergoing field training shall be assigned by the Chief based on training needs.

Said switch may be temporary or permanent, depending upon the agreement made between the involved Officers.

4. The Chief may change any employee's shift only for reasons stated below and only in accordance with the following procedure:

a. Except in a bona fide police emergency, an employee must be provided at least eight (8) days' notice of an impending shift change.

f. If the Chief has a need to make a shift change for manpower needs as specified above, he shall ask the senior most officer if he/she is desirous of a shift change, and so on down the seniority list, in an effort to secure a volunteer. Absent a volunteer, the Chief shall switch the most junior available officer into the needed time slot. The Chief may modify the prior platoon schedule to accommodate transition so long as the number of days worked does not exceed the number of days off. For example, if the prior platoon schedule runs from December 28 through December 31 and the new schedule commences January 1 through January 4, the Chief may modify the prior schedule to require the off days to be December 30 through January 2. The Officer will then be required to work January 3 and January 4 on his new platoon. If the change necessitates that more than four (4) days off are given, the excessive time off shall not be "owed".

Should a grievance arise between the Borough and the P.B.A. as to the meaning, application or operation of any of the provisions of the contract between the Borough and the P.B.A., such a grievance shall be presented by either party to the Chief as hereinafter set forth in Step 1 with no more than ten (10) calendar days from the date of which the grievance came into being or reasonably became known to the party and processed in the manner set forth hereinafter.

B. The affected employee shall select his own counsel to assume sole control of his defense and the Employer agrees to pay the full cost of the employee's legal fees at the "prevailing rate" in Union County for similar services. (However, in the event that a Borough insurance carrier enters a defense on behalf of the affected employee and furnishes counsel as part of that defense, the Employer's obligation under this provision shall be deemed to have been satisfied.)

ARTICLE 12 **BULLETIN BOARD**

The Borough will provide a bulletin board in a conspicuous location for the use of the P.B.A. for posting notices concerning P.B.A. business and activities. All such notices shall be posted only upon the authority of the officially designated P.B.A. representatives, and shall not contain any salacious, inflammatory, annoying or controversial material. The Chief of Police or his representative may have removed from the bulletin board any material which is not in conformance with the intent and provisions of the Article.

ARTICLE 13 **RULES AND REGULATIONS**

The Borough agrees that it will not establish new work rules or regulations or modify or amend existing work rules or regulations governing wages, hours or working conditions without prior negotiations with the P.B.A.

ARTICLE 14
MAINTENANCE OF OPERATIONS

A. It is recognized that the need for continued and uninterrupted operation of the Borough's Departments and Agencies is of paramount importance to the citizens of the community, and that there should be no interference with such operation.

B. The P.B.A. covenants and agrees that during the term of this Agreement, neither the P.B.A. nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty, or willful absence of an employee from his position or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walkout or other job action against the Borough.

C. The P.B.A. agrees that it will make every reasonable effort to prevent its members from participating in any strike, work stoppage, slowdown or other activity aforementioned including but not limited to publicly disavowing in such activities to cease and desist from same immediately and to return to work.

D. In the event of a strike, slowdown, walk-out or job action, it is covenanted and agreed that participation in any such activity by a member of the Union shall entitle the Borough to take appropriate disciplinary action including the possibility of discharge in accordance with applicable law.

E. Noting contained in this Agreement shall be construed to limit or restrict the Borough in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach by the Union or its members.

F. The Borough agrees that it will not engage in any type of lock-out against the members of this bargaining unit, nor shall it engage, cause to be engaged, or condone any such

actions which may be deleterious or discriminatory against any member or members of this bargaining unit or against the P.B.A. as an individual entity as a result of any dispute, disagreement, impasse, or situation arising out of the collective negotiations process or resulting relationship.

ARTICLE 15
SEPARABILITY AND SAVINGS

A. If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held invalid by operation of law or by a court or other tribunal of competent jurisdiction, such provision shall be inoperative but all other provisions shall not be affected thereby and shall continue in full force and effect. The failure of either party to enforce any provisions of this Agreement, for any reason, shall not be deemed as a waiver thereof. If any part of this agreement is deemed invalid, the parties agree to immediately commence negotiations for a successor clause.

ARTICLE 16
REPRESENTATION FEE IN LIEU OF DUES

A. **PURPOSE OF FEE**

If any employee covered by this Agreement does not become a member of the P.B.A. during any membership year (i.e., from January 1 to the following December 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the P.B.A. for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the P.B.A. as majority representative.

B. **AMOUNT OF FEE**

1. Notification: Prior to the beginning of each membership year, the P.B.A. will notify the Borough in writing of the amount of the regular membership dues, initiation fees and

assessments charged by the P.B.A. to its members for that membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.

2. Legal Maximum: In order adequately to offset the per capita cost of services rendered by the P.B.A. as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the P.B.A. to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the membership year immediately following the effective date of the change.

C. DEDUCTION AND TRANSMISSION OF FEE

1. Notification once during each membership year covered in whole or in part by this Agreement, the P.B.A. will submit to the Borough a list of those employees who have not become members of the P.B.A. for the then current membership year. The Borough will deduct from the salaries of such employees, in accordance with paragraph 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the P.B.A.

2. Payroll Deduction Schedule: The Borough will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question and until such time as a new Agreement is executed. The deductions will begin with the first paycheck paid:

- a. Ten (10) days after receipt of the aforesaid list by the Borough; or
- b. Twenty (20) days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit

position and continued in the employ of the Borough in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid ten (10) days after the resumption of the employment in a bargaining unit position, whichever is later.

3. Termination of Employment: If an employee who is required to pay a representation fee terminates his or her employment with the Borough before the P.B.A. has received the full amount of the representation fee to which it is entitled under this Article, the Borough will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

4. Mechanics: Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the P.B.A. will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the P.B.A.

5. Changes: The P.B.A. will notify the Borough in writing of any changes in the list provided for in paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Borough received said notice.

6. New Employees: On or about the last day of each month, beginning with the month this Agreement becomes effective, the Borough will submit to the P.B.A., a list of all employees who began their employment in a bargaining unit position during the preceding thirty (30) day period. The list will include names, job titles and dates of employment for all such employees.

D. REFUND

The P.B.A. agrees to establish and maintain a "demand and return" system whereby employees who are required to pay the representation fee in lieu of dues may demand the return of the "pro rata share", if any, subject to refund in accordance with the provisions of N.J.S.A. 34:13:A-5.4, as amended. The "demand and return" system shall also provide that employees who pay the representation fee in lieu of dues may obtain review of the amount paid through full and fair proceedings placing the burden of proof on the P.B.A. Such proceedings shall provide for an appeal by either the P.B.A. or the employee to the review board established for such purposes in accordance with N.J.S.A. 34:13A-5.4, as amended.

ARTICLE 17
EMPLOYEE RIGHTS

A. No employee shall be disciplined, reprimanded, reduced in rank or compensation, or deprived of any other employee advantage without just cause.

B. Any employee who is being questioned by a Superior Officer on a matter, which could lead to the discipline of said employee, shall have the right to have a P.B.A. representative present during such questioning.

C. In order to insure the right listed above, an employee shall be informed as to the nature and purpose of the questioning prior to the commencement of any questioning. Sufficient information to reasonably apprise the employee of any allegation should be provided. If it is known that the employee is being questioned solely as a witness, the employee should be so informed at the initial contact.

G. If a verbatim record is being made of the questioning, either via stenographer, court reporter, or electronic recording device, the employee shall be so informed and shall be permitted, upon his request, to have a copy of said record.

H. Nothing shall be placed into an employee's personnel file without the employee having been notified; having received a copy of said material; and having signed the original document to be so placed. Said signature does not represent the employee's agreement with the content thereof, but is merely indicative that this provision has been complied with prior to such placement. The employee shall have the right to attach to and have become and considered as a part of the original document, such response or rebuttal as the employee may deem as necessary.

ARTICLE 18 **MISCELLANEOUS**

A. No Officer of this bargaining unit shall be ordered or required to participate in any function which is not normally and integrally associated with public safety employees. This prohibition shall also extend to marching in parades.
