Nothing contained herein shall be construed to deny or restrict the Township of any of its rights, responsibilities and authority under any relevant statutes, regulations, and /or with the laws of the State of New Jersey and the United States.

ARTICLE III

GRIEVANCE PROCEDURE

SECTION 1

To provide for expeditious and mutually satisfactory settlement of grievances arising with respect to the interpretation or application of this Agreement; the following procedures shall be followed:

STEP 1: An officer with a grievance shall first discuss it with the immediate supervisor either directly or through the PBA-designated representative for the purpose of resolving the matter informally. The immediate supervisor shall respond to the aggrieved party in writing within five (5) working days and direct a copy of the answer to the Watch Commander.

STEP 2: If the aggrieved party is not satisfied with the disposition of the grievance at Step 1, or if no decision has been rendered within five (5) working days after presentation of that

grievance at Step 1, they may file a written grievance with the Chief of Police or, in his/her absence, a representative designated by him/her. A meeting on the written grievance shall be held within five (5) working days after the filing of the written grievance with the Chief of Police or his/her designated representative. A written decision shall be rendered within five (5) working days.

STEP 3: If the aggrieved party is not satisfied with the disposition of the grievance at Step 2, or if no written decision has been rendered within five (5) working days after the presentation of that grievance at Step 2, the matter may be referred to the Administrator and/or the Administration Sub-Committee of the Township Committee or its designee. The meeting between the Administrator and/or the Administration Sub-Committee or designee and the PBA shall take place within ten (10) working days of the date the grievance is forwarded to Step 3, unless a later date is agreed to by the parties. If the meeting is not held within ten (10) working days or if no later date is set, the PBA may proceed to Step 4. The Administrator or the Administration Sub-Committee or designee shall render a written decision within fifteen (15) working days of the date of the meeting.

STEP 4: If the PBA is not satisfied with the disposition of the grievance at Step 3, or if no written decision has been rendered within fifteen (15) working days after the presentation of the grievance at Step 3, the matter may be referred to arbitration by the PBA only.

SECTION 2

The time limit specified in this Grievance Procedure shall be construed as fifteen (15) working days. However, this may be extended upon mutual agreement between the parties.

SECTION 3

A grievance must be presented at Step 1 within fifteen (15) working days from the date of occurrence of the facts which gave rise to the grievance. If it is not presented within the

aforementioned time period, it shall not thereafter be considered a grievance under this Agreement.

SECTION 4

Any grievance involving the interpretation or application of this Agreement, not settled by the grievance procedure as herein provided, shall be referred to an arbitrator as hereinafter provided.

Within fifteen (15) working days of the receipt of the answer given in Step 3, the PBA may request the Public Employment Relations Commission to appoint an arbitrator to hear the dispute in the manner set forth by the rules of the Public Employment Relations Commission.

The arbitrator shall be bound by the provisions of this Agreement and restricted to the application of the facts presented to him/her in the grievance. The arbitrator shall not have the authority to add to, modify, detract from, or alter in any way, the provisions of this Agreement. The decision of the arbitrator shall be final and binding upon the parties.

The cost of the services of the arbitrator shall be borne equally by the Township and the PBA. Any other expenses, including, but not limited to presentation of witnesses, shall be paid for by the party incurring same.

SECTION 5

The number of days indicated at each step shall be considered as maximum and every effort shall be made to expedite the process. The time limitations in the procedure shall be considered to be of-the-essence and not merely procedural. However, the time limits as stated in the procedure may be extended by written agreement between the parties or their designees.

For purposes of this Grievance Procedure, the term "working days" shall exclude Saturdays, Sundays, holidays, and any days on which the Township is not open to the public.

The four (4) most senior police officers shall have their annual rate of compensation increased by a \$1,000.00 stipend. This stipend shall be fixed and not subject to annual increases. This section shall not apply to situations where a Police Officer performs Sergeant's functions for part of a shift (i.e. when Sergeant goes to lunch or goes on patrol).

Any officer assigned to the detective bureau as an Investigator shall only receive a stipend of \$3,000.00 over their current salary. This stipend shall be considered pensionable and part of the biweekly pay. The stipend shall be used for all computation purposes (overtime, daily rate, hourly rate, etc.).

ARTICLE V

SECTION 1

(A) For all members hired before 12/16/1998, in addition to the salaries for officers set forth in Article IV of this Agreement, a longevity payment shall be made as hereinafter fixed and determined. Employees shall receive longevity as part of their regular base pay in accordance with the following schedule:

<u>YEARS OF COMPLETE SERVICE</u>	<u>PERCENTAGE</u>
5 years	2%
9 years	4%
13 years	6%
17 years	8%
19 years	10%
24 years	12% (effective January 1, 2003)

Note: Any covered employee who as of December 16, 1998 is receiving a longevity increment greater than 10% shall be grandfathered and continue to receive their elevated longevity increment as they were receiving on January 1, 2004.

(B) All employees hired on or after January 1, 2004 shall not be afforded longevity as under this collective negotiations agreement.

SECTION 2

The period of employment shall be computed from January 1st of the year of taking office,

appointment, or employment unless the said date of hire was subsequent to June 30th, in which case the calculation shall be computed from January 1st of the following year.

ARTICLE VI

RETENTION OF BENEFITS

SECTION 1

Except as otherwise provided, all benefits which employees have heretofore enjoyed and are presently enjoying shall be maintained and continued by the Township during the term of this Agreement. This means that any benefits not discussed by this Agreement are kept by employees so long as such benefits meet the standard established by this section. That is, in order for a “benefit” to be enforceable hereunder, it must be one which meets the following criteria: (a) the benefit asserted must be clearly defined; (b) the benefit must have been in existence for a reasonable period of time; (c) the benefit must have been consistently applied; and (d) the benefit must have been mutually accepted by both parties as the normal response for the circumstances involved.

SECTION 2

The provisions of all municipal ordinances and resolutions, except as specifically modified herein, shall remain in full force and effect during the term of this Agreement and shall be incorporated in this Agreement as if set forth herein at length.

ARTICLE VII

LEGAL AID

The Township will provide legal aid to all personnel covered by this Agreement pursuant to the provisions of N.J.S.A. 40A:14-155, which requires the Township to provide the necessary means of defense to any employee who is a defendant in any action or legal proceeding arising out

of or incidental to the performance of their duties. The employee may select counsel of their own choosing and the Township shall pay such counsel a reasonable fee for their services, except in cases where counsel is provided under insurance coverage maintained by the Township. The parties hereby define a reasonable fee to be \$160.00 per hour, or the regular hourly rate of the Township's attorney, whichever is higher. If the hourly rate of the attorney selected by the employee exceeds the reasonable fee as defined above, or the number of hours spent on the matter exceeds a reasonable amount of time, such excess fee shall not be the responsibility of the Township but instead shall be the responsibility of the employee. The parties hereby define "reasonable amount of time" as the amount of time that is fairly required to do whatever is required to be done, conveniently under the permitted circumstances. The provisions set forth herein which define reasonable attorney fees shall also be applicable if the Township becomes responsible for "reimbursement" to the employee for reasonable expense of his/her defense in disciplinary or criminal proceedings instituted by the Township as provided for in N.J.S.A. 40A:14-155. This shall be subject to re-evaluation upon the conclusion of this Agreement.

ARTICLE VIII

DISCRIMINATION OR COERCION

There shall be no discrimination, interference or coercion by the Employer or any of its agents against the employees represented by the PBA because of membership or activity in the PBA. The PBA or any of its agents shall not intimidate or coerce employees into membership. Neither the Employer nor the PBA shall discriminate against any employee because of race, creed, color, age, sex (including pregnancy), national origin, nationality, ancestry, familial status, marital/civil union status, religion, domestic partnership status, affectional or sexual orientation, gender identity and expression, atypical hereditary cellular or blood trait, genetic information,

liability for military service, and mental or physical disability (including perceived disability, and AIDS and HIV status).

ARTICLE IX

PROFESSIONAL GROWTH OF POLICE

SECTION 1

Employees of the Police Department who are currently matriculated in a recognized college program in Police Science or Criminal Justice will be paid by the Township additional salary in the amount of \$13.00 per credit provided the education is approved by the Chief of Police with a minimum of thirty (30) credits. This payment shall be made in the Employee's regular pay pending successful completion of the courses according to the following formula:

\$390.00 per annum for 30 credits

\$520.00 per annum for 40 credits

\$650.00 per annum for 50 credits

\$780.00 per annum for 60 credits

\$1,100.00 for an Associate's Degree.

It is understood that probationary Police Officers are ineligible to obtain these payments until permanent appointment. It is further understood that an officer must attain a minimum of thirty (30) credits prior to the first payment and that he/she must attain an additional ten (10) credits for each step as set forth above.

It is further understood that a Police Officer must attain a grade of "C" or better, or a "pass" if the course is pass/fail, to qualify for a credit and that these courses must be accredited.

Notwithstanding anything to the contrary set forth above, commencing January 1, 1976 and each year thereafter, every officer who attains a Bachelor's Degree from a recognized college

in an accredited course of study in Police Science or Criminal Justice approved by the Chief of Police, shall be paid additional salary in the sum of \$150.00 per annum, in addition to the payment for credits set forth in the previous paragraphs, for a total of \$1,250.00.

Commencing January 1, 2020 and each year thereafter, every officer who is already receiving additional salary for a Bachelor's Degree or who earns a Bachelor's Degree in Police Science or Criminal Justice, and then attains a Master's Degree from a recognized college in an accredited course of study in Police Science or Criminal Justice approved by the Chief of Police, shall be paid additional salary in the sum of \$140.00 per annum, for a total of \$1,390.00.

Law school and/or a Juris Doctor degree shall not be considered a covered course of study.

Notwithstanding the foregoing, all officers hired on or after July 1, 2008, shall not receive payment for credits and degrees obtained prior to becoming employed by the Township if the credits or degree do not relate to Police Science or Criminal Justice as well as the credits and/or degree having been approved by the Chief of Police.

SECTION 2

The additional remuneration noted in Section 1 above shall only be payable by the Township upon proper certification of successful completion of the courses or degrees.

SECTION 3

The course catalog for the Union County Police Academy ("UCPA") will be made available to all members. Additional training notices from the UCPA, as well as other police academies and/or schools, will be forwarded to the Captain and all Lieutenants for their review and determination of what training would be relevant to the needs of the Police Department of the Township.

Opportunity to attend training/school will be afforded to each Police Officer. As between

multiple applicants, the decision as to who will attend will be made by the Captain and Lieutenants, giving preference where possible to those who have most recently applied and been denied.

SECTION 4

Any Police Officer, who intends to attend school for the purpose of obtaining a degree in Police Science or degree in Criminal Justice, should make their intention known to the Police Chief no later than August 1st of the year prior to the school year, along with an estimated cost of tuition and book expenses. Any such officer, who may also be applying for and/or receiving military educational benefits, or any other type of financial assistance for his/her education, are to make this information known to the Chief of Police when making known their intention to attend schooling. The Township will allocate \$15,000.00 per year to be used for tuition and book reimbursement only. The reimbursement will be less any other educational assistance that the officer may receive. Tuition reimbursement shall be equalized each year amongst the officers who properly submit a request for reimbursement. Per credit reimbursement shall be limited to the New Jersey resident part-time tuition per credit cost for Rutgers University. The \$15,000.00 allocation shall apply to both the PBA and SOA bargaining units combined. Reimbursement shall only be made for those courses/books that are required for the Police Science degree or Criminal Justice degree, and that have been approved, in writing, by the Chief of Police. Textbooks purchased pursuant to this provision will be maintained, after completion of use, in the Police Department Library. Members will be paid/reimbursed the cost of their tuition and books, in accordance with the above allocation, upon successful completion of each semester.

It is agreed and understood amongst all parties that the maximum amount to be paid in any calendar year for members of the SOA and PBA shall never exceed \$15,000.00, and the Township is not obligated to reimburse any member until he/she supplies proof of payment in the form of

check, credit card, debit card or electronic disbursement from the member's financial institution.

To qualify for tuition benefits, the officer must be employed by the Township for the entire semester for which they are claiming benefits. An employee who resigns, or is terminated from the Township within two (2) years from the completion of any degree and/or from receiving any reimbursements shall repay the Township all reimbursements provided by the Township. This does not apply to employees retiring who have completed a minimum of eighteen (18) years with the Township and a minimum of twenty-five (25) years credit in State or local pension systems in New Jersey.

It is understood that probationary Police Officers are ineligible for any tuition or book reimbursement under this section until permanent appointment.

SECTION 5

Any member who began pursuing a degree in Public Administration or Criminal Justice as allowed under the previous contract shall be entitled to continue to pursue that degree and shall receive the benefits as stated in Section 4 pursuant to the previous contract, if:

- i. the Chief previously approved the course of study; and
- ii. the member began courses of study prior to the effective date of the new contract.

Any member who began pursuing, as stated in this Section, and attains a Master's Degree in Public Administration or Criminal Justice shall receive the Master's Degree stipend only if the member is currently receiving a stipend for a Bachelor's Degree.

Those members already receiving payments for advanced degrees in Public Administration or Criminal Justice shall continue to receive those payments under this Agreement.

ARTICLE X

SECTION 1

The Employer shall provide full-time, non-seasonal employees under this Agreement with major medical insurance and prescription coverage as provided by the New Jersey State Health Benefits (or equal to or better) as well as vision and dental coverage, to all eligible employees, their spouse, and qualifying dependents, whose regular schedule provides for work of not less than 25 hours per week. Vision and dental coverage shall be provided at no cost. All members shall contribute towards health benefits pursuant to State law, including but not limited to the amounts set forth by N.J.S.A. 52:14-17.28c, as if fully implemented, unless a different amount is required by law. The Township and the PBA both recognize this provision as valid and binding notwithstanding any sunset of Chapter 78 or whether that law remains effective; it is the parties' intent for the guidelines incorporated herein to be applicable to this Agreement. Health insurance carriers and calculations for employees' contributions are listed in Exhibit B.¹

The Township shall provide the Association with a minimum of thirty (30) days' notice of a change of insurance carriers.

Effective 1/1/2020 prescription co-pays for all members shall be:

\$3.00 Generic

\$25.00 Brand Name

\$44.00 Formulary

¹ The insurance carrier chart that forms part of Exhibit B, titled "LOCAL GOVERNMENT ACTIVE GROUP MEDICAL PLAN DESIGN – PLAN YEAR 2021," is as obtained from the New Jersey Division of Pensions & Benefits (the "NJDPB") on December 31, 2020. The parties understand and acknowledge that this material may be updated and revised time-to-time by the NJDPB during the life of the Agreement.

Effective 1/1/2020 mail order prescription co-pays for all members shall be:

\$5.00 Generic-90 Day Supply

\$15.00 Brand Name - 90 Day Supply

The Township reserves the right to select the insurance carrier(s). The Township may change carriers at any time during the term of this Agreement so long as the benefits provided are equal to or better.

Members agree to communicate all changes in the member's information to the Township within 30 days of the date of change.

The Township shall pay the premium of health insurance for any spouse of a member who is killed in the line of duty for a period from the date of death of the member until the spouse becomes eligible for Medicare or remarries.

The Township shall pay the premium of health insurance for any legal dependent of a member who is killed in the line of duty for a period from the date of death of the member until the legal dependent reaches the age of 26.

When a legal dependent is verified to present "special needs" concerns (as the term is understood within the fields of medicine or psychology to describe individuals who require assistance for disabilities that may be medical, mental, or psychological), then the Township shall pay the premium of health insurance for any such dependent from the date of death of the member until the legal dependent (A) reaches senior citizen age or (B) obtains benefits equal to or better than the health insurance provided by the Township.

SECTION 2: SURRENDER

Any employee shall have the option of surrendering coverage under the above-provided health and hospitalization coverage. The employee must provide the Township with written notice

of their intent prior to the commencement of the twelve (12) month period that they are surrendering their coverage for twelve (12) consecutive months. In order to qualify for this stipend, the employee will be required to provide proof of other health insurance coverage.

Surrender for the following year shall not be considered automatic. Conversely, every employee shall be considered as covered and shall so be covered unless and until such time as an employee shall affirmatively notify the Township to the contrary. All employees who opt out of the Township's health insurance shall be paid \$5,000.00 or 25% of the cost savings to the Employer, whichever is less. Once determined, the annual stipend shall be paid in their bi-weekly compensation. Additionally, this stipend shall be prorated where applicable.

The stipend received from opting-out of coverage shall not be pensionable.

SECTION 3: RETIREE HEALTH BENEFITS

All subsections hereunder refer to members retiring on or after January 1, 2020.

(A) Retiree health benefits as provided under this Section shall consist of the following forms of coverage: major medical (including prescription), vision care, and dental care. Any and all plans are subject to limitations such as deductibles, co-pays, and reasonable and customary charges for a specific region. The Township of Springfield's liability to any retiree shall never exceed the premium paid to the carrier for providing the coverage set forth above. The Township of Springfield reserves the right to change insurance carriers and types of insurance coverage for the retirees at any time, so long as the benefits provided are equal to or better than the benefits previously provided.

(B) In accordance with Chapter 2, P.L. 2010, all unit employees who have become members of a State of New Jersey or locally administered retirement system on or after May 21, 2010 are required to contribute a minimum of 1.5% of their monthly retirement allowance toward

health benefits. This subsection is only applicable to those members retiring under subsections (D), (E), (F), and (G). For all members required to contribute towards the cost of their health benefits, except as provided in subsection (F), no member's contribution towards the cost of health benefits under this section may exceed 1.5% of their monthly retirement allowance.

(C) Upon retirement of a member who became a member of a State of New Jersey or locally administered retirement system on or before May 20, 2010, hired on or before December 31, 2014, and in good standing, who has successfully completed a minimum of eighteen (18) years of continuous service with the Township of Springfield and has at least twenty-five (25) years of credits in local or State pension system in New Jersey, or upon retirement on a disability, then the member shall be afforded medical coverage for his or her life by the Township paying the cost of the premiums for medical coverage provided in subsection (A) and subject to the same rights and restrictions of the Township set forth therein.

(D) All members hired on or before December 31, 2014, who have become members of a State of New Jersey or locally administered retirement system on or after May 21, 2010, and in good standing, who have successfully completed a minimum of eighteen (18) years of continuous service with the Township of Springfield and has at least twenty-five (25) years of credit in local or State pension systems in New Jersey, or upon retirement on a disability, shall be afforded medical coverage for his or her life as set forth in subsection (A), subject to the restrictions and rights of the Township set forth therein, and shall contribute towards the cost of coverage as set forth in subsection (B).

(E) Members hired after December 31, 2014, and before the execution date of this Agreement (upon signing and ratification of this Agreement by both Parties), and in good standing, who have completed a minimum of twenty-five (25) years with the Township and a

minimum of twenty-five (25) years credit in State or local pension system in New Jersey, or upon retirement on a disability, shall be afforded medical coverage as provided in subsection (A), subject to the restrictions and rights of the Township set forth therein, for a period commencing upon retirement to the date when he/she becomes eligible for Medicare by the Township paying the balance of the cost of premiums for medical coverage and the Member contributing toward the cost of coverage as set forth in subsection (B).

In the event that a member retiring under this subsection (E) became a member of a State of New Jersey or locally administered retirement system on or before May 20, 2010, then that member shall be afforded medical coverage as provided in subsection (A), subject to the restrictions and rights of the Township set forth therein, for a period commencing upon retirement to the date when he/she becomes eligible for Medicare by the Township paying the cost of the premiums for medical coverage. Any such members will not be required to contribute towards medical coverage as provided in subsection (B).

(F) Members hired after the execution date of this Agreement (upon signing and ratification of this Agreement by both Parties), and in good standing, who have completed twenty-five (25) years with the Township and a minimum of twenty-five (25) years credit in State or local pension system in New Jersey, or upon retirement on a disability, shall be afforded medical coverage as provided in subsection (A), subject to the restrictions and rights of the Township set forth therein, for a period commencing upon retirement to the date when he/she becomes eligible for Medicare by the Member contributing either 10% of the cost of premiums for medical coverage, or contributions as set forth in subsection (B), whichever is greater.

(G) Members hired after December 31, 2014, and in good standing, shall have the option of retiring after a minimum of twenty-two (22) years with the Township and a minimum

of twenty-five (25) years credit in State or local pension system in New Jersey as set forth above, however, in the event Members exercise this option to retire upon completion of twenty-two (22) years of service with the Township, they shall forfeit Terminal Leave as set forth in ARTICLE XV, Section 6. Any member that retires as provided in this subsection (G) shall be afforded medical coverage as provided in subsection (A), subject to the restrictions and rights of the Township set forth therein. The contribution rate and the duration of medical coverage under this subsection shall be determined as provided in either subsection (E) or subsection (F), as would be applicable to the member had he/she completed twenty-five (25) years with the Township.

(H) Regarding members hired on or before December 31, 2014 and qualifying for coverage under either Section 3(C) or Section 3(D), certain insurance carriers will require that their participants join Medicare or its equivalent at certain times during the participant's coverage. Any and all current or future stipulations or limitations required by the then Insurance Carrier providing coverage to the retiree and/or spouse and/or children must be adhered to. If lack of compliance with the limitations or stipulations causes a decrease in coverage, then the Township of Springfield shall be held harmless and the employee's benefits shall be reduced by the amount of benefits that would have been received had these provisions been complied with. The retiree must be provided with written notice of any such stipulations prior to them being enforced against the retiree. The Township of Springfield will reimburse the retiree for his/her share of Medicare Part B premiums which are required by Medicare or its equivalent.

(I) If the retiree is married at time of retirement, the Township shall pay the premium for his or her spouse for the same levels of coverage as provided in subsection (A). The Township reserves the right to change insurance carriers and types of insurance coverage at any time for the retirees and their respective spouses, so long as the benefits are equal to or better. The Township's

liability to any retiree's spouse shall never exceed the premium paid to the carrier for providing the coverage. If the retiree marries after retirement, the Township shall not afford the retiree's spouse any health benefits coverage. The retiree shall only be afforded single coverage, or parent/child coverage if Section (J) applies. The Township shall cease paying premiums for the spouse when the spouse first becomes eligible for Medicare.

(2) For existing employees, all of whom currently have authorized dues, such dues shall continue to be deducted unless the employee executes a notice of withdrawal pursuant to subsection (3) below.

(3) The PBA dues deductions from any unit employee in the bargaining unit shall be limited to the PBA, the duly certified majority representative. The authorization for dues deduction shall remain in full force and effect during the full term of the member's employment, unless properly withdrawn. In order to withdraw from a dues authorization a member must submit a written request to withdraw from the PBA, with a copy to the Employer with proof of delivery, by May 1 of each year or within ten (10) days of the anniversary date of his/her employment. A properly filed withdrawal will become effective on the earlier of (a) July 1 of the next succeeding year on which the notice of withdrawal is filed, or (b) thirty (30) days from the employee's anniversary date.

SECTION 3: INDEMNIFICATION

The PBA shall indemnify and hold the Township harmless against liability which may arise because of actions of the Township in deduction and transmission of PBA membership dues. The Township will make available to the PBA any information within its control for which the PBA would have reasonable need to defend against any such liability action.

IN WITNESS WHEREOF, the parties hereto have affixed signature on 5/18/21,
