AGREEMENT

THIS AGREEMENT entered into this 7 day of October, 2021, by and between the CITY OF MARGATE CITY, in the County of Atlantic, a Municipal Corporation of the State of New Jersey, (hereinafter called "the City"), and THE NEW JERSEY POLICEMEN'S BENEVOLENT ASSOCIATION, LOCAL NO. 65, duly appointed representative of the Police Department of the City of Margate City, (hereinafter called "the Association").

PURPOSE

This Agreement is entered into pursuant to the provisions of Chapter 123, Laws of 1974 (N.J.S.A. 34:13a-5.1 et. seq.) of the State of New Jersey to promote and ensure harmonious relations, cooperation, and understanding between the City and Employees; to prescribe the rights and duties of the City and Employees; to provide for the resolution of legitimate grievances, all in order that the public service shall be expedited and effectuated in the best interests of the people of the City of Margate City.

ARTICLE I

RECOGNITION

A. The City hereby recognizes the Association as the sole and exclusive negotiating agent and representative for all full-time Patrolmen, Sergeants, Lieutenants, and plainclothes Officers of any rank employed in the City of Margate City Police Department, but excluding all other personnel employed in the City of Margate City Police Department and all other City employees.

B. The title "Policeman" "Police Officer" "Patrolman" and/or "Employee" shall be used interchangeable and shall be defined to include the plural as well as the singular and to include males and females, uniformed members and uniformed members assigned to plain clothes, but not Crossing Guards.

ARTICLE II
GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the right of any Employee having a grievance to discuss the matter informally with any appropriate member of the Department.

C. 1. With regard to Employees, the term "grievance" as used herein means an appeal by an individual Employee or the Association on behalf of an individual Employee or group of Employees, from the interpretation, application or violation of policies, agreements, and administrative decisions affecting them.

2. With respect to Employee grievances, no grievance may proceed beyond Step Two herein unless it constitutes a controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement or administrative regulations relating thereto. Disputes concerning terms and conditions of employment controlled by statutes incorporated by reference in this Agreement, either expressly or by operation of law, shall not be processed beyond Step Two herein.

3. Disciplinary grievances resulting in penalties of less than six (6) days of suspension, or equivalent fine, or any lesser penalty shall be subject to this grievance procedure. Disciplinary grievances arising under this Section shall commence at Step Two.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual written consent:

STEP ONE: The aggrieved or the Association shall institute action under the provisions hereof within ten (10) calendar days after the event giving rise to the grievance has occurred or knowledge thereof, then an earnest effort shall be made to settle the differences between the aggrieved Employee and the Chief of Police or any representative designated by him for the purpose of resolving the matter informally. Failure to act within said ten (10) calendar days shall be deemed to constitute an abandonment of the grievance.

STEP TWO: If no agreement can be reached orally within seven (7) calendar days of the initial discussion with the Chief of Police, the Employee or the Association may present the grievance in writing within seven (7) calendar days thereafter to the Commissioner of Public Safety or his designated representative. The written grievance at this step shall contain the relevant facts and a summary of the preceding oral discussion, the applicable Section of the contract violated, and the remedy requested by the Grievant. The Commissioner of Public Safety or his designated representative will answer the grievance in writing within ten (10) calendar days of receipt of the written grievance or schedule a hearing or both.

STEP THREE: If the grievance is not settled through Step One and Two, the PBA shall have the right to submit the dispute to arbitration pursuant to the rules and regulations of the Public Employment Relations Commission. The costs for the services of the Arbitrator shall be borne equally by the City and the Association. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the parties incurring same.

- E. 1. The parties direct the Arbitrator to decide, as a preliminary question, whether he has jurisdiction to hear and decide the matter in dispute.
2. The Arbitrator shall be bound by the provisions of this Agreement and the Constitution and Laws of the State of New Jersey, and be restricted to the application of the facts presented to him involved in the grievance. The Arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the Arbitrator shall be final and binding.
- F. Upon prior notice to and authorization of the Director of Public Safety the designated Association Representatives shall be permitted as members of the Grievance Committee to confer with Employees and the City on specific grievances in accordance with the Grievance Procedure set forth herein during work hours of Employees, with out loss of pay, provided the conduct of said business does not diminish the effectiveness of the City of Margate City Police Department or require the recall of off-duty Employees.
- G. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the Grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the Grievance Procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually

agreeing to extend or contract the time limits for processing the grievance at any step in the Grievance Procedure.

H. In the event the aggrieved elects to pursue remedies available through Civil Service, the grievance shall be canceled and the matter withdrawn from this procedure. It is agreed between the parties that no arbitration hearing shall be held until after the expiration of at least thirty (30) calendar days after the decision rendered by the Director of Public Safety on the grievance. In the event the Grievant pursues his remedies through Civil Service, the arbitration hearing, if any, shall be canceled and the filing fees and expenses incurred thereby shall be paid by the Grievant or the Association.

ARTICLE III

NON-DISCRIMINATION

A. The City and the Association agree that each provision of this Agreement shall equally apply to all covered employees and that there shall be no harassment or intimidation of, interference with, or illegal discrimination against an employee because of age, sex, race, creed, skin color, national origin, nationality, ancestry, marital or civil union status, disability, handicap, genetic information, affectional or sexual orientation, blood trait, political activity, United States or State Armed Services activity, or any other protected class under law. C. Employees covered under this Agreement hereby waive all statutory claims arising out of the employment relationship or its termination (e.g., workplace discrimination claims) and agree to Arbitration as the sole method for resolution of such claims. ARTICLE VI

An employee who terminates employment for any reason whatsoever (i.e, retirement, resignation, termination, etc.) before the end of the calendar year shall only be entitled to a pro-rated amount of said vacation leave and shall reimburse the City for paid vacation days used in excess of his or her pro-rated and accumulated vacation entitlements.

F. It is the intent of this Article to assure personnel covered by this Agreement that they shall receive the maximum amount of actual vacation days to which they are entitled. Days on which they are normally scheduled off that fall during the vacation period shall not be computed as part of the vacation days.

G. If an Employee is permitted to but does not use his vacation time (including thirteen (13) days granted as compensating time for holidays described in Article VII) during the year in which earned, he will lose the days not used. If, however, an Employee is not permitted to use his vacation hours (including thirteen (13) days granted as compensation time for holidays described in Article VII), during the year in which earned, he shall then be paid for each of such hours so

unused. The pay for such unused hours shall be computed at the straight time daily rate of pay, including longevity for the year in which earned.

H. It is each Employee's responsibility to see that his vacation is planned well in advance of year end so that he will not have any unused days.

I. In order for an Employee to qualify to be paid for unused vacation hours the following procedure must be followed:

1. The calendar is to be posted and Employees (in order of seniority) will mark off vacation hours planned for the current year. This procedure is to be completed before January 31st of each year.
2. If the hours selected are unsatisfactory, in the determination of the Supervisor, then the Supervisor shall give the Employee alternate hours, which days must be accepted by the Employee.
3. If the Supervisor cannot give the Employee alternate hours, he is to notify the Employee who must then write a memorandum to the City notifying the City of the Employee's intent to claim to be paid for such unused vacation hours. This memorandum must be received by the City prior to November 1st of each year.

4. If Steps 1, 2, and 3 are complied with and the Employee does not in fact use his hours earned and so rejected during each year, he shall be paid for same during January of the following year.

ARTICLE IX

SICK LEAVE

A. Service Credit for Sick Leave.

1. All employees shall be entitled to sick leave with pay as specified hereunder.
2. Sick leave for purposes herein is defined to mean absence from work of an employee because of personal illness by reason of which such employee is unable to perform the usual duties of his position, exposure to contagious disease, a reasonable period of necessary attendance upon a member of his immediate family seriously ill and requiring the care of such employee. For the purpose of these rules, "member of immediate family" is interpreted as meaning father, mother, husband, wife, child, foster child, sister, brother or relative of the employee residing in employee's household.

B. Amount of Sick Leave.

1. Eight (8) hours of sick leave with pay for each month of service from the date of appointment up to and including the December 31st following such date of appointment, and one hundred twenty (120) hours sick leave with pay for each calendar year thereafter. The leave is credited in advance at the beginning of the year in anticipation of continued employment for the full year. If an employee required none or only a portion of the allowable sick leave for any calendar year, the amount of unused leave shall accumulate to his credit from year-to-year. The employee shall be entitled to such accumulated sick leave with pay if and when needed. An employee who leaves employment for any reason during the calendar year shall reimburse the Employer for paid sick hours used in excess of his or her pro-rated and accumulated entitlement.

2. Paid sick hours shall not accrue during a leave of absence without pay or suspension.

3. Sick Leave Credits shall not accrue after an employee has resigned or retired although his or her name is being retained on the payroll until exhaustion of vacation or other compensatory leave.

C. Reporting of Absence of Sick Leave.

1. If an employee is absent for reasons that entitle him/her to sick leave, the employee must call and personally advise the supervisor on duty of their condition no later than two (2) hours before the start of their next scheduled tour of duty, except in the case of an emergency. If the employee is unable to call, a relative or other responsible person may do so. In addition, the procedures set forth in department rules and regulations.

a. Failure to so notify the supervisor may be cause of denial of the use of sick leave for that absence and constitute cause for disciplinary action.

b. Absence without notice for five (5) consecutive days shall constitute a resignation not in good standing.

2. Verification of Sick Leave.

The City requires proof of illness under circumstances set forth in Standard Operating Procedures. Abuse of sick leave shall be cause for disciplinary action. The City may adopt such other sick leave verification procedures as are permitted by law.

In cases where an illness is of extended duration, the employee must submit acceptable medical evidence after each thirty (30) days of the illness substantiating the illness and setting forth an estimated date of return to duty.

3. Fitness for Duty Examination

a. In case of leave of absence due to exposure to contagious disease, a certificate from the Board of Health of the employee's municipality of residence shall be required prior to the employee's return to work.

b. The City may require an employee who has been absent because of personal illness, as a condition of his return to work, to be examined, at the expense of the City, by a physician designated by the City. Such examination shall establish whether the employee is capable of performing the essential functions of a Police Officer and that his/her return to work will not jeopardize the health or safety of the employee or other employees.

D. Annual Sell Back

Effective in 2022, an employee having six hundred (600) or more accumulated sick hours at the end of a calendar year shall be allowed to sell back up to forty (40) hours at

the end of each calendar year as long as he maintains at least six hundred (600) sick hours accumulation after such sell back. Such payment shall be computed at an employee's daily straight time rate of pay including longevity. Notice of such intent shall be provided to the City no later than November 30th of each year and payment by the City shall be made no later than January 31 of the immediate succeeding year.

ARTICLE X
FUNERAL LEAVE

A. In the event of death in the Police Officer's immediate family, the Officer shall be granted time off without loss of pay, from the day of death, but in no event to exceed three (3) working days. Such days shall be utilized within twenty (20) days of the date of death.

B. The term "immediate family" shall include only spouse, father, mother, step-parent, father-in-law, mother-in-law, grandparents, sister, sister-in-law, brother, brother-in-law, child, step-child and foster child of an "Employee" and relatives residing in his household.

C. In the event of the death of an Aunt, Uncle, Niece or Nephew of the employee or the employee's spouse, bereavement leave shall be granted for the day of the funeral.

D. Funeral leave may be extended beyond the three (3) working days period at the sole discretion of the Director of Public Safety or his designated representative.

E. The above shall not constitute sick leave and shall not be deducted from the Officer's annual sick leave.

ARTICLE XI
INJURY LEAVE

A. The City shall provide Injury Leave consistent with NJSA 40A:14-137.

If an employee is incapacitated and unable to work because of an injury sustained in the performance of his police duties, as evidenced by a Certificate of a City designated physician or other doctor acceptable to the City, he/she shall be granted in addition to his annual sick leave with pay or any accumulations thereof, Injury Leave with full pay for a period of three hundred sixty five (365) days or so much thereof as may be required, as evidenced by Certificate of a City designated or accepted physician, but not longer than a period of which worker's compensation payments are allowed.

If at the end of such three hundred sixty five (365) day period the employee is unable to return to duty, a Certificate from the City designated or accepted physician shall be presented, certifying to this fact, and the employee may elect, if he or she desires, to use all or any part of the sick leave accumulated to supplement compensation payments so that the combined payments and sick leave and allowance will approximate the employee's regular basic wage or salary payment.

During the period in which the full salary or wages of any employee on Injury Leave is paid by the City of Margate, any workers compensation payments made to or received by or on behalf of such employee shall be deducted from the amount carried on the payroll for such employee or shall be assigned to the City of Margate by the insurance carrier or the employee.

In cases where an injury causes leave of extended duration, the employee must submit acceptable medical evidence after each thirty (30) days of the Injury Leave substantiating the need for continued Injury Leave and setting forth an estimated date of return to duty.

Whenever the City designated physician or physician acceptable to the City shall report in writing that the employee is fit for duty, such Injury Leave shall terminate and such employee shall forthwith report for duty.

Employees on job-related disability leave and authorized to return from said leave on transitional duty are required to report same to Police Chief. Transitional Duty requests will follow City of Margate Transitional Duty Policy No. 105.

The City may require an employee who has been absent because of Injury Leave, as a condition of his return to work, to be examined, at the expense of the City, by a physician designated by the City. Such examination shall establish whether the employee is capable of performing the essential functions of a Police Officer and that his return to work will not jeopardize the health or safety of the employee or other employees.

B. The disability, to be eligible for Injury Leave, must be due to an injury or illness resulting from the employment.

1. Injuries or illnesses which would have occurred but for a specific work related accident or condition of employment are compensable.

2. Preexisting illnesses, diseases and conditions aggravated by a work related accident or condition of employment are not compensable when such aggravation was reasonably foreseeable.

3. Illnesses which are generally not caused by a specific work related accident or condition of employment, are not compensable except when the claim is supported by medical documentation that clearly establishes the injury or illness is work related.
4. Progressive, degenerative or repetitive motion disorders, such as asbestosis or carpal tunnel syndrome, are compensable only when the claim is supported by medical documentation clearly establishing that the disorder would not have occurred but for the performance of specific work duties.
5. Psychological or psychiatric illness is not compensable, except when such illness can be traced to a specific work related accident or occurrence which traumatized the employee thereby causing the illness, and the claim is supported by medical documentation.
6. An injury or illness is not compensable when the appointing authority has established that the employee has been grossly negligent, including those injuries or illnesses arising from impairment due to alcohol or drug abuse.

ARTICLE XII

JURY DUTY LEAVE

A. Time as necessary to perform Jury Duty, if required to do so, shall be granted. An employee on Jury Duty shall be relieved of working his/her shift on that day and not be required to work another shift or day in lieu of that shift or day.

B. An employee serving on Jury Duty shall receive their full salary in addition to any Jury Duty pay for the time served. Hours paid with regard to Jury Duty shall not qualify as hours worked for the purposes of computing overtime.
