ARTICLE III

GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Department.

1. With regard to employees, the term "grievance" as used herein means an appeal by an individual employee or the association on behalf of an individual employee or group of employees, from interpretation, application or violation of policies, agreements, and administrative decisions affecting them. If an individual employee processes the grievance individually, that individual shall bear all costs for processing the grievance.

2. With respect to employee grievances, no grievance may proceed beyond Step Three herein unless it constitutes a controversy arising over the interpretation, application or disputes concerning terms and conditions of employment controlled by statute or administrative regulation incorporated by reference in this Agreement, either expressly or by operation of law.

C. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this agreement, and shall be followed in its entirety unless a step is waived by mutual consent:

STEP ONE: The aggrieved or the Association shall institute action under the provisions hereof within five (5) calendar days after the event giving rise to the grievance has occurred or knowledge thereof, and an earnest effort shall be made to settle the differences between aggrieved employee and the Fire Chief for the purpose of resolving the matter informally. Failure to act within said five (5) calendar days shall be deemed to constitute an abandonment of the grievance.

STEP TWO: If no agreement can be reached orally within five (5) calendar days of the initial discussion with the Fire Chief, the employee or the Association may present the grievance in writing within five (5) calendar days thereafter to the Fire Chief or his designated representative. The written grievance at this Step shall contain the relevant facts and a summary of the preceding oral discussion, the applicable Section of the contract violated, and the remedy requested by the grievant. The Fire Chief or his designated representative will answer the grievance in writing within ten (10) days of receipt of the written grievance.

STEP THREE: If the Association wishes to appeal the decision of the Fire Chief, such appeal shall be presented in

writing to the City Commissioner in charge of the Fire Department within five (5) calendar days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The City Commissioner in charge of the Fire Department shall respond, in writing, to the grievance within twenty (20) calendar days of the submission.

STEP FOUR: If the grievance is not settled through Steps One, Two and Three, either party shall have the right to submit the dispute to arbitration pursuant to the rules and regulations of the Public Employment Relations Commission. The costs for the services of the arbitrator shall be borne equally by the City and the Association. Any other expenses, including, but not limited to the presentation of witnesses, shall be paid by the parties incurring same. The matter must be submitted to PERC no later than sixty (60) calendar days from the date of the Step Three decision.

D. 1. The parties direct the arbitrator to decide, as a preliminary question, whether he has jurisdiction to hear and decide the matter in dispute.

2. The arbitrator shall be bound by the provisions of this Agreement and the Constitution and Laws of the State of New Jersey, and be restricted to the applications of the facts presented to him involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the

provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.

E. Upon prior notice to the Commissioner of Public Safety, the designated Association Representatives shall be permitted as members of the Grievance Committee to confer with employees and the City on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the City of Ventnor Fire Department or require the recall of off-duty employees.

F. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed abandoned. If any grievance is not processed to the limits prescribed hereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed by decision at any step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for processing the grievance at any step in the grievance procedure.

G. In the event the aggrieved elects to pursue remedies available through the Civil Service Commission, the grievance shall be canceled and the matter withdrawn from this procedure. It is

agreed between the parties that no arbitration hearing shall be held until after the expiration of at least thirty (30) calendar days after the decision rendered by the Director of Public Safety on the grievances. In the event the grievant pursues his remedies through the Civil Service Commission, the arbitration hearing, if any, shall be canceled and the filing fees and expenses incurred thereby shall be paid by the grievant or the Association.

ARTICLE IV

DUES DEDUCTION AND VOLUNTARY FAIR SHARE
ASSESSMENTS

A. The City agrees to deduct from the salaries of its employees, subject to this Agreement, dues for the Association. Such deductions shall be made in compliance with Chapter 123, Public Laws of 1974, N.J.S.A. (R.S.) 52:14-15.9e, as amended.

B. A check-off shall commence for each employee who signs a properly dated authorization card, supplied by the Association and verified by the City Treasurer during the month following the filing of such card with the City.

C. If during the life of this Agreement there shall be any change in the rate of membership dues, the Association shall furnish the City written notice thirty (30) days prior to the effective date of such change and shall furnish to the City either new authorizations from its members showing the authorized deduction for each employee, or an official notification on the letterhead of the Association and signed by the President of the Association advising of such changed deduction.

D. The Association will provide the necessary "check-off authorization" form and the Association will secure the signatures of its members on the forms and deliver the signed forms to the City Clerk.

E. Any such written authorization may be withdrawn as provided for by law by the filing of notice of such withdrawal with the City Clerk. The filing of notice of withdrawal shall be effective to halt deductions in accordance with N.J.S.A. 52:14-15.9e, as amended.

F. The City agrees to deduct any fair share fee, which has been voluntarily agreed to by the employee, from the earnings of those employees who elect not to become members of the Association, but have voluntarily agreed to pay a fair share fee, and transmit the voluntary fee to the majority representative. Deductions shall commence as soon as practicable upon notification by the Association to the City with appropriate supporting documentation of the voluntary fee agreement. The voluntary fair share fee shall be in an amount equal to 85% of regular union membership dues, fees and assessments as certified by the Union to the Employer.

G. The voluntary deduction shall commence for each employee who elects not to become a member of the Association during the month following written notice from the Association of the amount of the voluntary fair share assessment. A copy of the written notice of the amount of the fair share assessment must also be furnished to the New Jersey Public Employment Relations Commission.

H. The voluntary fair share fee for services rendered by the Association shall be in an amount equal to the regular

membership dues, initiation fees and assessments of the Association, less the cost of benefits financed through the dues and available only to members of the Association, but in no event shall the voluntary fee exceed eighty-five (85%) of the regular membership dues, fees and assessments.

I. The sum representing the voluntary fair share fee shall not reflect the costs of financial support of political causes or candidates except to the extent that it is necessary for the Association to engage in lobbying activity designed to foster its policy goals in collective negotiations and contract administration, and to secure for the employees it represents advances in wages, hours and other conditions of employment which ordinarily cannot be secured through collective negotiations with the City.

J. Prior to January 1st and July 31st of each year, the Association shall provide advance written notice to the New Jersey Public Employment Relations Commission, the City and to all employees within the unit, the information necessary to compute the voluntary fair share fee for services enumerated above.

K. The Association shall establish and maintain a procedure whereby any employee can challenge the voluntary assessment as computed by the Association. This appeal procedure shall in no way involve the City or require the City to take any action other than to hold the voluntary fee in escrow pending

resolution of the appeal.

L. The Association shall indemnify, defend and save the City harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the City in reliance upon salary deduction authorization cards or the voluntary fair share assessment information as furnished by the Association to the City, or in reliance upon the official notification on the letterhead of the Association and signed by the President of the Association, advising of such changed deduction.

M. Membership in the Association is separate, apart and distinct from the assumption by one of the equal obligations to the extent that he has received equal benefits. The Association is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally, without regard to Association membership. The terms of this Agreement have been made for all employees in the bargaining unit, and not only for members in the Association and this Agreement has been executed by the City after it had satisfied itself that the Association is a proper majority representative.

- F. Overtime worked fifteen (15) minutes past the normal hour of duty, as an increment to a particular shift shall be paid at one and one-half (1 1/2) times the employee's regular base rate of pay with a minimum of one (1) hour overtime guarantee.
- G. If an employee is recalled to duty, either before the beginning or after the completion of his normal shift, he shall receive a minimum guarantee of three (3) hours, provided said recall duty is not contiguous with the employee's normal work day.

2. When the need to fill a short shift with overtime arises, provided the vacancy will require a minimum of eight (8) hours, the Chief or his designee shall:

a. If a firefighter calls out sick, the Chief or his designee shall call the firefighter nearest the top of the firefighter roster.

b. If an officer calls out sick, the Chief or his designee shall call the officer nearest the top of the officer roster.

3. If the firefighter or officer does not answer the call, and the commencement of the overtime shift is more than four (4) hours from the time of the call, the Chief or his designee shall leave a message and wait one hour for the firefighter or officer to return the call. If the firefighter or officer does not return the call, the Chief or his designee shall move on to the next firefighter or officer on the roster. This procedure shall be repeated until the overtime position is filled. If the commencement of the overtime shift is within four (4) hours of the call, the Chief or his designee shall call firefighters or officers in order of the roster, leave a message, and move onto the next person on the roster until a firefighter or officer accepts the overtime. Firefighters or officers who do not respond or decline the overtime shall remain in their spot on the roster.
4. Once a firefighter or officer has taken an overtime shift, they shall move to the bottom of the roster and the date of the overtime shift shall be noted next to their name.

K. Other Overtime

1. Any overtime for fires, storms, bridge closings, and other emergencies shall be filled by utilizing the paging system with a page appropriate to the

emergency. If, because of an impending storm, bridge closing, or other emergency, the Chief or his designee decides to hold personnel at the end of their shift, or call in personnel to start their shift early, he may do so without utilizing the paging system.

2. Any overtime of less than eight (8) hours shall not count as an instance and any firefighter or officer receiving overtime for less than eight (8) hours shall remain eligible for their next chance at overtime.

In that event, the member may elect to have 8.4 hours of comp time deducted from his/her bank, or exchange tours, or the amount will be deducted from his regular pay. This provision shall apply to those whose shifts begin at 8 a.m. on the day of the holiday, not to those employees whose shifts end at 8 a.m. on the day of the holiday.
