A. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement and to resolve grievances as soon as possible so as to assure efficiency and promote Employee's morale. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing contained herein shall be construed as limiting the right of any Employee having a grievance to discuss the matter informally with the Chief of the Department and having the grievance adjusted without the intervention of the F.M.B.A..

3. Any grievance may be raised by any Employee or by the F.M.B.A..

B. Definition

Under this Agreement, the term "grievance" means any controversy arising from the interpretation, application, or violation of any policies, agreements, statutes, rules, regulations and administrative decisions which affect the terms and conditions of employment of an Employee.

C. Steps of the Grievance Procedure

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent.

Step One

(a) An aggrieved Employee shall institute action under the provisions hereof within fifteen (15) business days of the occurrence of the grievance and an earnest effort shall be made to settle the differences between the aggrieved Employee and the Chief of the Department or his designee, for the purpose of resolving the matter informally. Failure to act within fifteen (15) business days shall be deemed to constitute an abandonment of the grievance.

(b) The Chief of the Department or his designee, shall in writing, render a decision within fifteen (15) business days after receipt of the grievance.

Step Two

(a) In the event the grievance is not settled through **Step One**, the same shall be reduced to writing by the F.M.B.A. and signed by the aggrieved Employee and filed with the City Administrator (or his representative) within ten (10) business days from the determination by the Chief of the Department.

(b) The City Administrator or his representative, shall render a decision in writing within ten (10) business days from the receipt of grievance.

An Arbitrator shall be selected pursuant to the Rules and Regulations of the Commission .

(b) However, no arbitration hearing shall be scheduled sooner than thirty (30) business days after the final decision of the Director of Public Safety. In the event the aggrieved elects to pursue Civil Service Procedures, the arbitration hearing shall be canceled and the matter withdrawn from arbitration. The F.M.B.A. shall pay whatever the costs may have been incurred in processing their case to arbitration.

(c) The Arbitrator shall be bound by the provisions of the Agreement and restricted to

application of the facts presented to him involved in the grievance. The Arbitrator shall not have authority to add, modify, detract from, or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the Arbitrator shall be final and binding upon both parties.

(d) The costs of the services of the Arbitrator shall be borne equally between the City and the F.M.B.A.. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.

(e) For the purposes of this Grievance Procedure, the term "business days" shall mean any day that is not a Saturday, Sunday or legal holiday.

ARTICLE V
F.M.B.A. REPRESENTATIVES

A. The City agrees to give a leave of absence with pay to two (2) designated representatives of the F.M.B.A. to attend State FMBA meetings or conventions, not to exceed three (3) days, provided thirty (30) days written notice is given to the Chief of the Department by the F.M.B.A.. Exception may be made to this notice requirement in case of an emergency. However in all circumstances the statutory provisions of N.J.S.A. 40A:14-177 shall apply. The FMBA must designate two specific persons in writing prior to January 1 of each calendar year.

B. Accredited representatives of the F.M.B.A. may enter the City facilities or premises at reasonable hours for the purpose of observing working conditions or assisting in the adjustments of grievances. When the F.M.B.A. decides to have its representatives enter the City facilities or premises, it will request such permission from the appropriate City representative and such permission will not be unreasonably withheld, provided there should be no interference with the normal operations of the business of City government or normal duties of Employer.

C. One (1) F.M.B.A. representative and one (1) assistant F.M.B.A. representative may be appointed to represent the Local in grievances with the City.

D. During collective negotiations, authorized F.M.B.A. representatives not to exceed two (2) shall be excused from their normal work duties (so long as the Fire Chief determines that adequate staff is on duty) to participate in collective negotiations sessions that are reasonable and necessary and shall suffer no loss of regular pay.

E. The Local shall have the use of one (1) bulletin board which shall be provided by the City. This bulletin board may be utilized by the Local for the purpose of posting the Local's announcements and for other information of a non-controversial nature. The City may remove from the bulletin board any material which does not conform to the provisions hereof.

ARTICLE VI
NO STRIKE PLEDGE

A. The F.M.B.A. covenants and agrees that during the term of this Agreement, neither the F.M.B.A nor any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike, (*i.e., the concerted failure to report for duty, or willful absence of any Employee from his position, or stoppage of work or abstinence in whole or in part, for the full, faithful and proper performance of the Employee's duties of employment*), work stoppage, slowdown, walkout or other action which interferes with the full and complete normal operation of the Fire Department. The Local agrees that such action constitutes a material breach of this Agreement.

B. In the event of a strike, slowdown or walkout, it is covenanted and agreed that participation in any such activity by any Employee covered under the terms of this Agreement shall be deemed grounds for termination of employment of such employee or employees, subject, however, to the application of the Grievance Procedure contained in Article III.

C. The Local shall actively discourage and will take whatever affirmative steps that are necessary to prevent or terminate any strike, work stoppage, slowdown, walkout or other action which interferes with full and complete normal operation of the Fire Department.

D. Nothing contained in this Agreement shall be construed to limit or restrict the City in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages or both in the event of such breach by the F.M.B.A or its members.

ARTICLE VII

SICK LEAVE

A. Service Credit for Sick Leave

1. All Firefighters shall be entitled to sick leave with pay as specified hereunder.
2. Sick leave for the purposes herein is defined to mean absence from work of a Firefighter because of personal illness by reason of which such Firefighter is unable to perform the usual duties of his position, exposure to contagious disease, a short period of emergency attendance upon a member of his immediate family seriously ill and requiring the presence of such Firefighter. For the purpose of these rules, "member of immediate family" is interpreted as meaning father, mother, husband, wife, child, foster child, sister, brother or relatives of the Firefighter residing in the firefighter's household.

B. Amount of Sick Leave

1. Twelve (12) hours of sick leave with pay for each full month of service from the date of appointment up to and including the December 31st following such date of employment, and one hundred and forty-four (144) hours of sick leave with pay for each calendar year thereafter. The leave is credited in advance at the beginning of the year in anticipation of continued employment for the full year. If a Firefighter required none or only a portion of the allowable sick leave for any calendar year, the amount of unused leave shall accumulate to his credit from year to year. The Firefighter shall be entitled to such accumulated sick leave with pay if and when needed. A Firefighter who leaves employment for any reason during the calendar year shall reimburse the City for paid working days used in excess of his or her pro-rated and accumulated entitlement.
2. Temporary, provisional and permanent part-time Firefighters shall be granted sick leave credit in accordance with New Jersey Civil Service regulations.

C. Reporting of Absence of Sick Leave

1. If a Firefighter is absent for reasons that entitle him or her to sick leave, his/her superior shall be notified at least one (1) hour prior to the Firefighter's starting time. In addition to contacting the Platoon Officer prior to the start of the shift regarding the absence, the employee shall

also contact Headquarters.

(a) Failure to so notify his/her superior may cause denial of the use of sick leave for that absence and constitute cause for disciplinary action.

(b) Absence without notice for four (4) consecutive tours of duty shall constitute a resignation.

D. Verification of Sick Leave

1. A Firefighter who is absent from duty for four (4) or more consecutive tours of duty shall be required to submit acceptable medical evidence substantiating the illness. The City may require proof of illness of a Firefighter on sick leave, however, whenever such requirement appears reasonable. Abuse of sick leave shall be cause for disciplinary action.

2. In case of absence due to exposure to a contagious disease, a certificate from the Department of Health from the Firefighter's municipality of residence shall be required prior to the Firefighter's return to work.

3. The City may require a Firefighter who has been absent because of personal illness, as a condition of his return to duty, to be examined, at the expense of the City, by a physician designated by the City. Such examination shall establish whether the Firefighter is capable of performing his/her normal duties and that his/her return to work will not jeopardize other Firefighters.

E. Sick Leave at Retirement

1. At retirement, the City agrees to pay each Firefighter an amount equal to fifty (50%) percent of all accrued and unused sick leave up to a maximum payment of Fifteen Thousand (\$15,000.00) Dollars.

2. Firefighters anticipating retirement shall notify the City at least six (6) months prior to January 1 of the fiscal year during which they intend to retire.

F. Family Leave

Family Leave of Absence will be granted in accordance with the provisions of the “Federal Family and Medical Leave Act” and the “New Jersey Family Leave Act N.J.F.L.A. and the regulations promulgated pursuant to those statutes; as well as the Family Leave Policy adopted by the City of North Wildwood. Under the provisions of these statutes, an employee is entitled to twelve (12) weeks of leave during a twelve (12) month period. Employees shall be entitled to leave for the employee’s own serious health condition, or the need to care for a spouse, child or parent with a serious health condition. In addition, an employee may take leave to care for a parent, child or parent-in-law. The circumstances under which leave may be taken vary depending on the type of leave requested and the City will grant leave in accordance with the provisions of each statute, the regulations issued for each statute, and judicial decisions interpreting the requirements of each statute. Employees taking FMLA or NJFLA Leaves will be required to use accrued sick leave, vacation and administrative leave concurrent with the approved leave. Employees shall not be eligible to accumulate additional leave during a period when the employee is out on leave under the Act. The City retains all rights to require proper certification from a health care provider pursuant to all applicable laws.

ARTICLE VIII

WORK WEEK

A. Work Schedule

The tour of duty shall be two (2), ten (10) hour days commencing at 8:00 a.m. to 6:00 p.m. followed by two (2), fourteen (14) hour nights commencing at 6:00 p.m. to 8:00 a.m. followed by four (4) consecutive days off. This schedule shall average forty-two (42) hours per week over any eight (8) week cycle. Employees shall be assigned to a specific platoon and shall receive a minimum of thirty (30) days' notice when switched from one platoon to another. However, in the event of an emergency or other unforeseen circumstance that will result in a staffing shortage if not addressed, this thirty (30) day minimum will not apply.

B. Overtime

Employees shall be compensated at a rate of one and one half times their regular rate of pay for all hours actually worked in excess of their normally scheduled work week. Under the current schedule, during a seven day period an employee is normally scheduled to work either forty-eight (48) hours, thirty-four (34) hours, or thirty-eight (38) hours. For the purposes of this Article, the employee's "normally scheduled workweek" shall be either 48 hours, 34 hours or 38 hours depending on where they are in the eight (8) week cycle described in paragraph A above. Except for sick leave, any other paid time off shall not count as "hours worked" for the purposes of calculating overtime.

In construing overtime, fifteen minutes to 30 minutes shall constitute 30 minutes of overtime. Thirty minutes to one hour shall constitute one hour. Anything less than fifteen minutes shall not constitute overtime.

Overtime pay shall be received in the appropriate pay period.

This paragraph shall not apply to hours where an employee is called back and mandated to work overtime hours. In that event, the employee shall be compensated at a rate of one and one half times the employee's regular rate of pay, consistent with paragraph C below.

C. Call-Back Pay

If an employee is called back to duty on his day off or during his off-duty hours (including paid leave time), he shall be paid for all hours actually worked at one and one half times his regular rate of pay and shall be guaranteed a minimum of three (3) hours at his regular rate of pay (or 2 hours at one and one half times his regular rate of pay). When a firefighter is responding to general alarm fires while off duty and the incident is less than 15 minutes, no compensation of overtime will be received. Time and one half will be received after fifteen minutes. After the first hour, the employee will be paid minute for minute for time worked at the overtime rate. In all cases of

response, insurance and pension coverage will remain in effect in case of an accident in the scope of the response.

This provision shall not apply to regularly scheduled overtime.

D. Stand-By

If an employee is requested to stand-by at his residence or any other place, he shall be compensated for such stand-by time by payment of three (3) hours at employee's regular rate of pay. Employee on stand-by must respond to calls from Fire House within one (1) hour of call.

E. Fair Labor Standards Act

It is acknowledged that the City is required to comply with the provisions of the Fair Labor Standards Act (FLSA) and the regulations promulgated thereunder. The City reserves the right to take appropriate action to ensure such compliance, including:

- (i) Exercising any election or option available to it under FLSA or the regulations provided under Section 7(k);
- (ii) Awarding compensatory time in lieu of monetary compensation for FLSA overtime;
- (iii) Establishing procedures to monitor and control hours worked and overtime;
- (iv) Crediting any payment made pursuant to this Agreement, other than payments made as compensation for "hours worked" as defined in FLSA against any overtime obligation incurred under FLSA; and
- (v) Establishing such rules and regulations as may be necessary to ensure compliance with the provisions of FLSA.

The City maintains the FLSA 7(k) cycle of 21 days and, therefore, shall pay overtime compensation at a rate of one and one half times an employees' regular rate of pay for all hours actually worked in excess of 159 during that 21 day cycle.

ARTICLE IX
EXCHANGE OF DAYS OFF

The Chief of the Department, or his designee, may grant the request of any permanent member of the Department to exchange hours, duties, or days off. Such request, if granted, shall be on a uniform basis with standard rules and regulations established by the Chief and applying to all permanent members of the Department who make such request.

INSURANCE, HEALTH AND WELFARE

A. Hospitalization and Medical Care. The CITY agrees to provide comprehensive medical and hospitalization insurance through New Jersey State Health Benefits Plan, as it exists or as modified by the State Health Benefit Program (or any other substantially similar health benefit plan), including any changes in co-pays or deductibles that may be implemented by the New Jersey State Health Benefits Program, for all employees and eligible dependents covered by this Agreement. The CITY agrees to pay the full cost of the NJSHBP Direct 15 Plan for employees and their eligible dependents. An employee may select coverage of another Plan offered by the NJSHBP and in the event the selected plan cost more than the Direct 15 Plan then the employee shall be responsible for paying the costs of the increased premium for the selected coverage. Payment shall be made by equal payroll deductions.

Effective January 1, 2016, the City may satisfy its agreement to provide coverage under the NJSHBP Direct 15 Plan or a substantially similar plan by providing coverage in the NJSHBP 2030 Plan together with a Flex Payment Card which provides for payments of all co-pays required under the NJSHBP 2030 Plan for the life of this Agreement.

B. Prescription Plan.

The City agrees to provide a Co-Pay Prescription Plan for employees and dependents through the New Jersey State Health Benefits Plan. The co-payments shall be determined by the New Jersey State Health Benefits Plan and may be subject to future changes to reflect the then applicable NJSHBP Plan prescription co-pays.

In the event the City changes the provider of its Prescription Plan to a carrier other than the New Jersey State Health Benefits Plan, the Prescription Co-Pays shall become the following:

- a. \$10.00 co-payment is required for Mail-In Prescriptions.
- b. \$15.00 co-payment is required for Generic Prescription Drugs.
- c. \$25.00 co-payment is required for Brand Name Prescription Drugs.

C. Dental Plan. The CITY shall provide a Dental Insurance Program, which includes all of the benefits which are currently included in the Dental Insurance Program, at the date of this Agreement, for the employee and his family. A \$3,000 CAP per annum shall apply to payments

under this Plan.

D. Change in Plans and Providers. The City may, at its option, change any of the existing insurance plans or carriers providing such benefits so long as the benefits which are provided to the employees and their eligible dependents are substantially similar to the coverages and benefits currently provided to employees and so long as there is no material change in the number and availability of the network of physicians. The City further reserves the right, at its option, to self-insure any of the plans or coverages so long as the benefits which are provided to the employees and their eligible dependents are substantially similar to the coverages and benefits currently provided to employees. Disagreements regarding coverage changes can go to the grievance process and to arbitration. The City will notify the Union at least thirty (30) days before any change is to happen. Selection of the carrier or carriers is a managerial prerogative not subject to the terms of this collective bargaining agreement. The FMBA shall be provided with copies of the Master Plan documents in both the current and proposed plan prior to the implementation of the proposed plan.

E. Retiree Health Benefits. Upon an Employee's retirement he/she shall be entitled to receive all of the then health care benefits provided by the CITY at the expense of the City of North Wildwood for the shorter of the following periods:

2. When an Employee becomes eligible for Medicare.

Retirement, for the purpose of this Article shall be consistent with the standards set for retirement by the New Jersey Police and Fire Pension laws. Said pension laws currently require twenty-five (25) years of service credit which may include, for example, military time buy back and/or other public employment time credit.

Under no circumstances, however, shall any employee be entitled to retiree medical benefits without twenty-five (25) years of service in the City of North Wildwood.

Employees who elect to opt out of the coverage provided by the CITY shall be paid the sum of \$2,000.00 for each full year that the employee declines coverage. The amount to be paid to employees who opt out for part of a year and receive CITY provided health insurance for part of that same year shall be pro-rated. Said payment shall be made by the CITY to the employee during the first pay period in December of the year in which the employee opted out of coverage. The CITY reserves the right to discontinue this policy of opt- out of reimbursement at any time with thirty (30) days notice prior to an open enrollment period.

Any employee who has elected to opt-out of coverage may re-enroll in the health care plan by giving the CITY thirty (30) days prior written notice of his/her desire to re-enroll in the plan. The payment of Two Thousand (\$2,000.00) Dollars shall be prorated for the period the employee was not covered by the City Plan.

Currently, Opt-out is governed by the SHBP.

The New Jersey State Health Benefits Program (SHBP) provides that a municipality may allow an employee as a dependent by a spouse's employer to waive SHBP health benefits coverage. The decision of a municipality to allow its employees to waive coverage and the amount of consideration to be paid are not subject to collective bargaining.

amount of twenty-five (25%) percent of the applicable premium for the insurance plan or \$2,000, whichever is less, in lieu of the insurance, based on the number of months that the insurance was waived during the year. Payment shall be in the amount of twenty-five (25%) percent of the applicable premium, or \$2,000, whichever is less. Checks for opting out will be issued on or about December 1st of each year.

An employee who waives coverage shall be permitted to resume coverage by making an application for coverage during an open enrollment period in accordance with the provisions of the State Health Benefits Program.

Further, an employee who waives coverage shall be permitted to immediately resume coverage if the employee ceases to be eligible for other health care coverage for any reason, including, but not limited to, the retirement or death of the spouse or divorce. An employee who resumes coverage shall repay, on a pro rata basis, any amount received from the employer which represents an advance payment for a period of time during which coverage was resumed. An employee who wishes to resume coverage shall notify the employer in writing and file a declaration with the division, in such form as the director of the division shall prescribe, that the waiver is revoked.

Further in accordance with the provisions of the applicable law which provides that the decision of a municipality to allow its employees to waive coverage and the amount of consideration to be paid are not subject to collective bargaining, the City maintains the right to terminate, revise and modify the Opt-Out Payment Plan set forth herein.
