PURPOSE AND INTENT

A. The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the City in its capacity as an employer, the employees, the Association and the people of the City.

B. The parties recognize that the interest of the community and job security of the employees depend upon the Employer's success in establishing a proper service to the community.

To these ends the Employer and the Association encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

1. RECOGNITION OF UNION

Pursuant to and in accordance with all applicable provisions of Chapter 303 of the Laws of 1968 (N.J.S.A. 34:13A-5.1, et seq.), the Employer does hereby recognize the Association as the sole and exclusive representative of all sworn police officers below the rank of Sergeant employed by the City.

2. MANAGEMENT RIGHTS AND RESPOSIBILITIES

It is recognized that the management of the Department of Police, the control of properties and the maintenance of order and efficiency, is solely a responsibility of the City. Accordingly, the City retains the rights, including but not limited to hire, suspend or discharge for just cause, assign, promote,

or transfer, to determine the amount of overtime to be worked, to relieve employees from duty because of lack of work or for other legitimate reasons; decide the number and location of its facilities, stations, etc., determine the work to be performed within the unit, maintenance and repair, amount of supervision necessary, machinery and tool equipment, methods, schedules of work, together with selection, procurement, designing, engineering and the control of equipment and materials; purchase service of others, contract or otherwise, except as they may be otherwise specifically limited in the Agreement and to make reasonable and binding rules which shall not be inconsistent with the Agreement.

3. UNION SECURITY AND DUES CHECK OFF

A. The Employer agrees to deduct from the wages of any employee who is a member of the Association, all Association dues and initiation fees, if any, as provided in a written authorization form used by the Employer herein, provided that the employee shall execute the said form. The written authorization for the Association dues deduction shall remain in full force and effect during the period of this Agreement, but may be withdrawn at any time by the filing of Notice of such withdrawal with the Director of Accounts and Controls of Employer or other proper disbursing officer. The filing of this Notice of Withdrawal shall be effective to halt deductions as of January 1 next succeeding the date of which Notice of Withdrawal is filed.

B. The Employer agrees to provide this service without charge to the Association.

C. Neither membership in the Association or non-membership shall be a condition of employment or continued employment.

D. The Association agrees that there shall be no discrimination, intimidation, restraint or coercion by it or its officers, agents, or members against any employee who refuses or fails to execute an authorization card.

E. The Association shall indemnify and save the City harmless against all claims, demands, suits, or other forms of liability, which may arise because of any action taken in making deductions and remitting the same to the Association pursuant to this Article.

4. VACATIONS

A. Vacation Period:

Vacation will, insofar as possible, be granted at any time most desired by the employee according to employee seniority. No more than one employee on each squad, team or unit may be on vacation at the same time unless the Department Head is satisfied that he has sufficient personnel to operate sufficiently. No leave shall be granted during an officer's scheduled mandatory Departmental training. If an officer is on active military duty or any police related school it shall not affect an officer using any vacation, personal, or compensation time.

Employee shall give written notice of vacation request by March 1. Every officer, by seniority, must request eighty (80%) percent of their entire vacation allotment by March 1. Request for vacation after March 1 may be granted by the Department Head, at his discretion. An employee may request vacation periods in single day increments for the remaining 20% of the vacation allotment subject to Department Head approval. After March 1, anyone with unscheduled leave time may make request on a first-come first-served basis. Any unused leave time that an individual member holds is subject to forfeiture at the end of the year if there is no available time to utilize same.

Vacations may be split only in the following manners:

1. Four times if the employee has 120 paid vacation hours
2. Five times if the employee has 160 paid vacation hours.
3. Six times if the employee has 200 or more paid vacation hours; or
4. By individual day after requesting 80% of annual vacation, operations permitting.

5. In any manner approved by the Chief of Police.

Employees who fail to schedule their time risk losing available vacation time if the number of employees off per squad, team, or unit creates a substantial manpower shortage as deemed by the Chief of Police or his designee. Notwithstanding the preceding sentence, unused vacation may be taken within the first quarter of the following calendar year in which it was earned, with the approval of the Chief or his designee, and the Business Administrator. Vacation increases shall be prorated for the calendar year on the employee's anniversary date.

B. Eligibility:

Employee shall receive the following paid vacations based upon their period of employment:

1. 90 days to 365 days - eight hours paid vacation for each month of employment, retroactive to the date of hire.

From beginning of 21st year to end of career – 240 hours paid vacation.

C. Qualification for Vacation:

To qualify for a full vacation in any given year, an employee as recognized in ARTICLE 1 of this agreement must have been continuously employed for their employment year. Employees who

are employed less than a full year shall receive a prorated vacation. All employees will have the opportunity to take all their vacation and personal time in any given year.

Any officer who is on a long-term suspension of more than 30 days or non-work-related disability shall have their leave time prorated based on those work absences.

D. Sale of vacation time:

The City and the Association agree that when it is mutually acceptable to both the Employer and the employee, the employee may sell back to the City, 40 hours a vacation at the employee's rate of pay. Said option is a mutual one and neither party may require the utilization of the said option by the other.

5. HOLIDAYS

Employees are required to work on all holidays as part of their regular work schedule. If City Hall is closed for any reason beyond control of the City because of weather conditions or other emergencies, police officers shall work their normal schedule without additional compensation as they are an essential service. Note: employees received an additional (fourth) Personal Day in place of Juneteenth

6. PERSONAL DAYS

Irrespective of the work schedule, employees will be granted four (4) personal days which will, insofar as possible, be granted at the time most desired by an employee. Effective January 1, 2017 the City will pay the cost of the NJSHBP selected by the employee up to a maximum of \$10,200 for the single rate, \$17,250 for parent child rate, \$20,500 for Member/Spouse Rate, \$27,500 for the family rate, the maximum allowed under the Affordable Care Act guidelines for all City employees without incurring the Federal Excise Tax penalty. Hospitalization, Major Medical, and Health Maintenance Organization coverages are through the NJSHBP, as it exists or as modified by the State Health Benefit Program (or any other substantially similar health benefit plan), including any changes in co-pays or deductibles that may be implemented by the State Health Benefits Program, for all employees and eligible dependents covered by this Agreement.

B. The City retains the right, at its option, to change any of the existing insurance plans or carriers providing such benefits, so long as the level of benefits provided to the employees and

eligible dependents is substantially similar. The City further reserves the right, at its option, to self-insure any of said plans and coverages so long as the level of benefits provided to the employees and their eligible dependents is substantially similar.

C. Employees shall contribute to the costs of the Health Benefits Insurance Plan coverages in accordance with P.L. 2011, Chapter 78.

D. If the health insurance plan selected by the employee is in excess of maximum amount permitted under the Affordable Care Act for all City employees without triggering the excise tax (which is presently scheduled to be \$10,200 for single coverage, \$17,250 for parent child coverage, \$20,500 for Member/Spouse coverage and \$27,500 for family coverage beginning in January 2020) the parties agree to meet at least six (6) months prior to the implementation of said tax to discuss implementation of a new plan that will be below that maximum amount. If the parties are unable to agree to a new plan, the City shall be authorized to provide a new plan which will be closest to but not above the caps set forth above and such plan selected and provided by the City shall be deemed to satisfy the "substantially similar" contract provision regarding the provided coverage. The City may continue to offer its then current plan, or another plan whose cost is in excess of the then maximum amount permitted under the Affordable Care Act. However, if an employee elects to be covered under such a plan, the employee will be responsible for any excise tax incurred by the employer as well as the amount of the premium cost in excess of the then maximum amount permitted under the Affordable Care Act and in addition to any other health care contributions already in effect under Chapter 78 or otherwise. As of the date of signing of this contract, the Federal Excise Tax is not scheduled to take effect during this contract period. The Affordable Care Act law shall still prevail.

11. PRESCRIPTION PLAN

A. The Employer agrees to provide a Prescription Plan for the employees, their spouses,

and/or eligible dependents. Currently, a Prescription Plan is provided through NJSHBP. Co-pays for generic prescriptions are per current State Health Benefit rates and are subject to future additional changes to reflect the then applicable NJSHBP prescription co-pays.

B. If the City no longer provides prescription coverage under the NJSHBP the copayment for the Prescription Plan shall be \$10.00 for mail in prescriptions, \$15.00 for generic drugs and \$25.00 for brand name drugs. Reduced cost for prescriptions shall be available through a mail order system.

C. The City retains the right, at its option, to change the Prescription Plan provider so long as the level of benefits provided to the employees and their eligible dependents is substantially similar.

12. HEALTH AND PRESCRIPTION AFTER RETIREMENT

As of the signing of this contract, in compliance with the contract addendum dated June, 1998, the City and the Association agree that health and prescription benefits after retirement with 25 years or more will fall under Public Law Chapter #330 which was signed into legislation in 1998. This provides contributory managed health care benefits for members of the Association's negotiations unit.

13. ABSENCE WITHOUT LEAVE

An absence of an employee from duty, including an absence for a single day or part of a day, that is not authorized by a specified grant of leave of absence, shall be deemed to be an absence without leave. Any such absence shall be without pay and will be subject for disciplinary action. In absence of such disciplinary action, any employee who absents himself for five (5) consecutive work days without leave shall be deemed to have terminated his employment. Such action may be reconciled by a subsequent grant of leave at the option of the Chief of Police or his designee.

14. INTERFERENCE WITH WORK

A. The Association covenants and agrees that during the term of this Agreement, neither

the Association nor any member or person acting in its behalf will cause, authorize or support any strike (e.g., the concerted failure to report for duty, or willful absence of any employees from their positions, or stoppage of work or abstinence in whole or in part from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walkout, or other job action against the City. The Association agrees that such action would constitute a material breach of this Agreement.

B. If a strike, slowdown, walkout or other job action occurs, it is covenanted and agreed that participation in any such activity by an employee covered under the terms of this Agreement shall be deemed grounds for disciplinary action up to and including the termination of employment of such employee or employees.

C. The Association will actively discourage to prevent or terminate any strike, work stoppage, slowdown, walkout, or other job action against the City.

D. Nothing contained in this Agreement shall be construed to limit or restrict the City in its rights to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages or both in the event of such breach by the Association or in its members.

15. WORK ASSIGNMENT

A. An officer shall be eligible for compensation at the minimum base rate of the rank to which assigned, commencing after having served in that higher rank for a 21 consecutive calendar day period. In calculating the 21-day period, any assigned days which are to cover vacation time are excluded from the count. This provision shall apply for such following days and not for any prior days. Compensation shall take effect on day 22.

B. All acting positions must have a prior written approval by the Chief of Police or his designee.

C. A patrol officer assigned to a specialized unit inclusive of, but not limited to, the Criminal Investigation Bureau, the Professional Standards Bureau - Internal Affairs Unit by the Chief of Police shall be paid commensurate with the assignment of Detective for the entire time of his/her assignment including leave time. However, if said officers are assigned in the capacity of a patrol - related duties, either in an emergent situation or in an overtime capacity, he/she shall be paid commensurate with the standard rate of compensation minus any "detective" stipend.

D. When assignment or reassignment causes an employee's schedule to change, such as hours of work or days off, the employee shall be given at least 24 hours' notice of said assignment or reassignment.

16. WAGES

A. Effective January 1, 2022, a new wage guide shall be in effect. Said wage guide is attached hereto and made a part hereof. All officers shall be placed on the new wage guide in accordance with the attached.

standards to be developed by the City including but not limited to passing the Bilingual Civil Service Exam. Bilingual Officers shall receive an annual stipend of \$1,500

E. All employees covered by this contract shall be paid on a bi-weekly schedule. This shall also include overtime and any other special pay.

17. LONGEVITY PAY

18. WORK WEEK AND OVERTIME

A. The City agrees to schedule patrol personnel to work a 12-hour workday consisting of a two (2) week rotation, thirty-six (36) hours one week and forty-eight (48) hours the following week. In recognition that this work schedule results in law enforcement personnel working over the required eighty (80) hours bi-weekly, the employee will earn and accumulate "Kelly Time" on an hour for hour basis, as negotiated with the Association and agreed upon by the Appropriate Authority and the Police Chief. There shall be a mutual review of the schedule by the Appropriate Authority, Police Chief, and the Association after ninety (90) days of start and one hundred and eighty (180) days thereafter. If it is determined after the review that the schedule is not meeting the needs of the City, the City or the Association may negotiate another work schedule and if there is no agreement, a third party arbitrator as described in the grievance process herein, jointly agreed to and jointly paid for by the City and the Association will be utilized to determine the issue. The City agrees, unless a stated emergent situation exists pertaining to the delivery of law enforcement services, not make any changes until after the decision of the arbitrator. The arbitrator's decision will be binding. Nothing contained herein shall prevent or limit the City from arguing that future work schedule change is justified by non-negotiable governmental policy reasons, nor shall either party be prevented from negotiation of the economic impact caused by any future work schedule change.

It is recognized that this work schedule will result in personnel working greater than 2080 hours annually. All time in excess of 2080 hours caused by this work schedule shall be accumulated as "Kelly" time and shall be hour-for-hour. All accumulated "Kelly" time shall be used within six (6) months of accumulation. Exceptions may be authorized by the Appropriate Authority. At no point will personnel be entitled to paid compensation for "Kelly" time.

B. Any authorized work assignment which requires the presence of a Police Officer in excess of his regularly scheduled tour of duty shall be considered overtime.

Overtime shall be compensated at an hourly rate to be determined by dividing his annual salary by 2080 hours to determine an hourly rate and shall be paid at time and one-half the hourly rate for all overtime hours worked.

C. Compensatory time may be utilized in lieu of paid overtime if agreed between Employer and employee.

D. Officers may use up to 60 hours of their Kelly Time and 20 hours of compensatory time or vacation time within the last two weeks of their employment.

19. OVERTIME- ASSIGNMENT

Overtime shall be classified and assigned on the following basis:

A. Scheduled overtime shall be overtime which the Police Chief or his designee, for that particular work, approves at least three (3) days in advance of the time when the overtime is to be worked. For this overtime, a complete roster of each rank shall be kept in order of seniority. Overtime will be assigned on a rotating basis and each time overtime is assigned to an individual, the next assignment will be first offered to the next officer on the roster, provided that if any officer is scheduled or any officer refuses to work scheduled overtime, the assignment shall be given to the next officer on the list not scheduled for a regular tour of duty and assignment will be made thereafter beginning with the last officer to have been

assigned scheduled overtime.

B. Call back overtime shall be overtime approved by the Chief of Police or his designee to assist a regular shift. An employee will have an option to be put on an overtime list for call back. A "call back" list shall also be maintained and overtime assigned as in paragraph A above.

C. Emergency overtime shall be overtime approved by the Chief of Police or his designee because an emergency has arisen. In this event, the parties hereto agree that the Chief of Police or his designee may call in any available officer. Emergency over time shall be offered to an Association unit member first.

D. Employees who are called back for overtime, which is not a continuous scheduled workday, shall be paid for a minimum of three (3) hours of work.

E. Extra-Duty Pay/Jobs in Blue: All officers who accept an off-duty work assignment for a third party shall receive an hourly wage of \$70.00 per hour regardless of their seniority or regular rate of pay. Upon Final passage and publication of an amending ordinance by Bridgeton City Council increasing the hourly wage for an off-duty work assignment for a third party, all officers shall receive the higher hourly wage for such assignments. The new rate shall not be retroactive.

20. STATE CONVENTIONS AND DISTRICT MEETINGS

A. As directed in N.J.S.A. 11A:6-10, a full day leave of absence with pay shall be given to no more than 10% of the employee organization's membership for no more than seven (7) consecutive days. This includes the NJ State PBA Convention held every fall and the NJ State PBA Mini-Convention held every winter. In addition, the State Delegate and President shall receive a full day leave with pay to attend State Meetings of the NJ State Policemen's Benevolent Association with reasonable notice given to the Chief of Police or his/her designee. Authorized members attending a PBA Convention are authorized a paid travel day the day prior to the convention.

B. The President of the Association, and/or his designee(s), may conduct Association related business during work hours as long as the absence of the Association President, or his designee(s), working the shift shall not create a hardship or require overtime duty for any particular shift.

21. SEVERANCE PAY

It is stipulated and agreed that employees who retire having accumulated sick days shall be compensated up to \$15,000. The amount to be compensated shall be computed by multiplying one-half the accumulated sick days times 8 hours times the hourly rate of pay of said employee at the time of his retirement.

This employment can only be denied for just cause.

A. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment of police officers.
