

EMPLOYMENT CONTRACT FOR THE PITMAN LIEUTENANT OF POLICE

The parties hereto, the Borough of Pitman (hereinafter referred to as the "Borough") and Lieutenant Jonathan Streater (hereinafter referred to as "Lieutenant of Police") on the 5th day of July 2023, intending to be mutually bound, agree as follows:

1. This Contract is intended to establish the salary and other employment benefits of the position of Lieutenant of Police with each party recognizing that said position is not part of a collective bargaining agreement and that establishing a contract specifically enumerates the employment benefits for said position and is in the best interest of the Borough and the Lieutenant of Police.

2. This Contract is effective July 5, 2023, and shall continue to govern the salary, benefits and terms of employment until later amended, revised, or terminates on December 31, 2024.

3. The Lieutenant of Police shall be paid a salary of \$120,900.60 for the calendar year. This salary satisfies the \$5,000 minimum salary gap between the Lieutenant of Police and the next senior officer below him as agreed to in past practice. The longevity payment that would have been added in the PBA Local 122 Agreement dated January 1, 2020 through December 31, 2024 is included in this salary and will not be added in the future. Any yearly percentage increases as established by the aforementioned agreement will be extended to the Lieutenant of Police.

4. All other benefits provided by the PBA Local 122 Agreement dated January 1, 2020 through December 31, 2024 will be extended to the Lieutenant of Police with the exception of compensation time, and any other provision which may be inconsistent with this Contract.

5. The Borough and the Lieutenant of Police agree as follows:

a. The Lieutenant of Police shall not have enumerated work hours and is permitted to work a flexible administrative schedule that allows for the smooth and responsible operation of the police department, as approved by the Chief of Police. However, the schedule shall be based on a minimum of forty (40) hours per week and/or eighty (80) hours in a two-week pay cycle and may include weekends.

b. The Borough shall provide a police vehicle for the exclusive use of the Lieutenant of Police. The Lieutenant shall use the vehicle for Borough purposes, and it is understood that traveling to and from work, meetings, police-related functions, and response as required is part of said duty.

c. The Lieutenant of Police is permitted to obtain extra duty pay for any and all extra duty jobs not paid for by the Borough in accordance with any Borough Ordinance that regulates off duty police assignments. To perform this extra duty job, vacation or

adjusted time must be utilized and approved by the Chief of Police, and it may not interfere with his responsibilities as Lieutenant of Police.

The parties hereto, mutually acknowledge and understand:

- A. This Contract is the product of negotiations between Lieutenant Jonathan R. Streater and the Borough of Pitman and each of the parties fully understand the terms hereof and has voluntarily entered into this Contract.
- B. This Contract may be modified only by the mutual consent, in writing, by parties hereto, and may not be assigned by either party without the specific consent of each party.
- C. This Contract contains the entire understanding of the parties hereto and is intended to replace all prior agreements, whether oral or in writing, previously entered by the parties, their agents, representatives or assigns.
- D. This Contract does not constitute an offer of continued employment, nor is it intended to create any obligation by either party except as may be specifically enumerated and established herein.
- E. In the event that any term or provision of this Contract shall be deemed unlawful or inconsistent with any law, rule, or regulation, in whole or in part, such provision shall not void the entirety of this Contract and all lawful terms hereof shall remain unaffected by any lawful term or provision hereof.
