B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Division.

C. General Terms and Conditions

1. The term "grievance" is defined as an individual employee, the F.O.P. on behalf of the individual employee or group of employees from the interpretation, application or violation of policies, agreements, and administrative decisions affecting them. With regard to the City, the term "grievance" as used herein means a complaint or controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement.

2. The appropriate F.O.P./SOA representatives shall determine if a grievance is meritorious and thus proceed to arbitration. This decision shall be conveyed to both the prospective grievant and the City Administrator.

3. The F.O.P./SOA shall advise the City of the membership of its standing Grievance Committee. A member of the Committee shall be present at all levels of the formal procedure regardless of the individual grievant's preference.

4. With respect to FOP/SOA employee grievances, no grievance may proceed beyond Step One herein unless it constitutes controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement or administrative regulations relating thereto. Disputes concerning terms and conditions of employment controlled by statute incorporated by reference in this Agreement, either expressly or by operation of law shall not be processed beyond Step one herein.

D. STEP PROCEDURE

Time frames may be amended by mutual agreement on a case by case basis for the purpose of filing completed grievance documentation, or, making a determination. In all cases, however, reasonable notice of intent must be given to each party within the stated time frames that one shall be either filing a grievance or making a response. Failure of a grievant to meet any of the stipulated time lines shall constitute abandonment of the grievance, and failure of the City to meet any of the stipulated time lines shall constitute a denial of the grievance.

Step One: Any grievant may, subject to the approval of the F.O.P./SOA as set forth in Section C(2) of this article, enter a written grievance on the mutually adopted form, to the members of the F.O.P./SOA Grievance Committee within ten (10) working days of the occurrence, which shall be the initial submission of the grievance.

Step Two: The F.O.P./SOA Grievance Committee shall meet and review the grievance with the grievant, within ten (10) working days of the initial submission, to consider the circumstances of the grievance.

Step Three: If at Step Two it is determined to proceed further, a written Grievance will be submitted to the Chief of Police or his designated representative, who may not be a member of the bargaining unit, within ten (10) working days of Step Two decision to proceed, and shall not be more than thirty (30) working days of the date of

the occurrence. The Chief of Police and/or his designated representative shall provide written response within ten (10) working days of the receipt of the written grievance, a total no more than forty (40) days from the occurrence.

Step Four: If Step Three does not produce a mutually agreed to resolution, a written grievance shall be presented to the Business Administrator within ten (10) working days of the Step Three decision. The presentation shall include all previous correspondence and materials related to the dispute. The Business Administrator shall give the grievant the opportunity to be heard within ten (10) working days of receipt of the grievance and will render a written decision within (10) working days of the hearing if said is requested or within twenty (20) working days of the receipt by the B.A. from step three of the grievance if the hearing is waived by the grievant.

Step Five: If Step Four does not produce a mutually agreed to resolution, the F.O.P./SOA, subject to the approval of its Executive Board, shall submit the matter to arbitration through the New Jersey Public Employment Relations Commission (The PERC). The costs shall be borne equally by the parties. The selection of the arbitrator and the conduct of the proceedings shall be in accordance with PERC rules. The decision of the arbitrator shall be binding on the parties. This shall be done within ten (10) days of the written decision of the Business Administrator.

E. Upon prior notice to and authorization of the City, the designated F.O.P./SOA representatives shall be permitted as members of the Grievance Committee to confer with employees and the City on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the City or require the recall of off-duty employees.

F. The time limits expressed herein shall be strictly adhered to. If any grievance has not initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding Step in the grievance procedure within the time limits prescribed there under, then the

disposition of the grievance at the last preceding Step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any Step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend the contracted time limits for processing the grievance at any Step in the grievance procedure.

G. MINOR DISCIPLINE

The City of Burlington is a Civil Service Jurisdiction, and the parties recognize that the provisions of New Jersey Statutes Title 40A and Title 11, as well as all Civil Service provisions codified in the New Jersey Administrative Code and all interpretations of these various statutes apply. In the event of any minor discipline as defined by the New Jersey Civil Service Commission, then any discipline instituted by Management shall be considered with a hearing before administration. Any and all appeals from a discipline of any police officer or Superior officer shall be submitted as a grievance through Step Five (5) of the Grievance procedure, and the employee officer or superior officer subject to the discipline shall have ten working (10) days to submit the appeal to the New Jersey Public Employees Relations Commission for the purposes of selecting an arbiter. In the event of Minor discipline appeals, the individual officer or superior officer shall have the right to appeal the imposition of discipline without any vote, declaration or determination by the FOP or the FOP grievance committee. In event of any appeal, the City and the Individual Employee shall split the cost of arbitration equally.

ARTICLE VI

HOURS

A. The Chief of Police will be entitled to schedule work hours and from time to time modify such schedules. The Chief shall ask for input from the F.O.P./SOA. All fulltime, active duty members of the unit will be scheduled for at least two (2) three (3) day weekends off per month. Weekends shall be Friday, Saturday and Sunday and it shall be given every other weekend. The exception to this is when a unit member's rotation is changed.

1. The Shift schedule for the duration of this Agreement, but which is subject to the preceding discretion of the Chief of Police, shall contain the following two (2) week, eighty four (84) hour tour.

For all personnel assigned to patrol, the schedule shall be

a: 1st week-thirty-six (36) hours

b: 2nd week-forty eight (48) hours

c: Eighty four (84) hours- during the course of a two (2) week tour all personnel assigned to patrol shall work 84 hours; this is the standard schedule and no personnel shall receive overtime for the four (4) hours more than had previously been utilized for a forty hour work week when the City Police worked eight hour shifts. The salaries contained herein are based upon a two week schedule wherein the employee is required to work 84 hours, or a total yearly number of hours work scheduled being 2184. Notwithstanding any past practice of the City, whether by error or intentionally bargained that calculated a higher rate for overtime or other pays based upon 2080 hours per year worked, all pay rates calculated

pursuant to this contract shall be determined for any and all purposes based upon a total yearly hours work schedule for the two week, eighty-four hour schedule, or a yearly scheduled work total of two thousand one hundred eighty four (2184). Thus the calculated rate, by way of example, for an officer who has a base pay pursuant to this contract is \$90,000.00 per year shall be \$41.20 per hour, and thus if said patrol officer worked ten hours overtime during a pay interval said officer would receive overtime pay in that applicable pay cycle for a gross total in the amount of \$618.00, which includes "time and a half" hours for overtime (\$41.20 x 10 hours times 1.5 (time and half or hours plus a half)).

For Superior Officers assigned as detective supervisors and all other personnel, the two (2) week, eighty four (84) hour tour shall be scheduled by the Chief of Police after consultation with the personnel involved.

B. Lunch & Physical Fitness. Each officer is allowed one (1) hour down time for lunch per shift, workload and staffing permitted, at a time approved by the shift commander. Each superior officer is allowed one (1) hour downtime for physical fitness program per shift, workload and staffing permitted, at a time approved by the shift commander.

C. Individual assignments are subject to modification based on division workforce needs based upon emergency, illness, or other unanticipated events.

D. All unit members with at least fifteen (15) years of service will be given the opportunity to select their workweek.

E. Sick days, personal days and vacation days for unit members will be charged to such superior officer on a day for day basis.

ARTICLE VII

OVERTIME

A. Overtime shall consist of all hours worked in excess of normally scheduled hours for that particular day.

B. All employees covered by this Agreement shall be paid one and one-half (1 1/2) times their regular base rate of pay for all overtime hours worked, with all pay rates calculated pursuant to this contract determined for any and all purposes based upon a total yearly hours work schedule for the two week, eighty-four hour schedule, or a yearly scheduled work total of two thousand one hundred eighty four (2184).

C. If a superior officer is recalled to duty, he shall receive a minimum guarantee of four (4) hour's compensation at the overtime rate, so long as the recall is not contiguous with the regularly scheduled workday. The City shall retain the superior officer on duty for the minimum time period unless mutually agreed between the Officer and his/her Supervisor.

D. Overtime Rotation. The City shall distribute overtime on a rotating basis when calling in a superior officer for overtime under conditions specified herein. The rotation list shall be posted and available to all superior officers.

1. Overtime Rotation shall be used only in cases of shift need as determined by the Chief of Police. When the need exists the following criteria shall be used:

a. If the need exists in the rank of superior officer, then a superior officer of similar rank shall be called in according to the rotation list;

- b. If a superior officer on the list refuses to accept the overtime, or is unavailable to respond, then the rotation list shall be noted and the superior officer shall be counted for purposes of the rotation. The next superior officer on list shall be called in order;
- c. If all superior officers are called and no one has accepted, then the city may call in subordinate officers, which start with Corporals.
- d. The City shall not, as a function of the rotation, be required to call in two lieutenants/sergeants onto one shift. Lieutenants shall be called in under this paragraph when there is a work force shortage and no other Lieutenant is on the shift.
- e. An illustration of the Overtime Rotation: If a superior officer calling out sick produces a need on the shift, then another superior officer is called in for overtime. If a Lieutenant calling out sick produces a need on the shift, then a Lieutenant is called in.

E. In lieu of pay for attendance at court, every employee covered by this Agreement shall receive three (3) hours straight pay per month, or total of 36 hours per year. Moneys due under this Section shall be paid to the employee in one (1) lump sum on the first pay period in November. All calculations for this pay are calculated based upon the 2184 yearly hours scheduled to work for the employee's salary.

F. Compensatory time may be credited to the employee in lieu of being paid for overtime pay or holiday pay. All compensatory time earned must be used by June 1st and December 1st for the time accumulated during the prior six months. No more than two (2) days earned may be carried over into next six months. Any unused compensatory time, arising from overtime worked, will be paid to the officer at the normal one and one-half (1 ½) overtime rate.

G. ADMINISTRATIVE OVERTIME: The City reserves the option to request an Officer to work Administrative Overtime. Administrative Overtime is defined as overtime worked in Non-Uniform duties, such as Departmental Meetings, Training or other administrative actions. Overtime compensation will be for only the hours worked and not subject to the mandatory time and one-half hours specified in paragraph C of this Article.

H. There shall be no pyramiding of overtime payments. At no time will a superior officer receive more than two and one-half (2 1/2) times their hourly rate.

I. If an employee is assigned to overtime, the City has the right to cancel said overtime assignment up to one (1) hour before the overtime assigned is to commence without compensation entitlement. If the City cancels the overtime assignment within one (1) hour of the time the overtime assignment is to commence, the employee shall be entitled to four (4) hours compensation at the overtime rate.

ARTICLE VIII

EXCHANGE OF TOURS

A. The Chief of Police or his designated representative, at their sole discretion, may grant reasonable requests of employees to change tours of duty with other members of equal rank, provided the request is with the mutual consent of both employees concerned.

B. Under no circumstances will employees be permitted to exchange tours of duty if such exchange would diminish the effectiveness of the Police Division or the efficiency of the operation.

C. Under no circumstances will employees be permitted to exchange tours of duty if such exchange would entitle either employee to receive overtime.

ARTICLE IX

ACTING IN HIGHER RANK

A. Any employee assigned to serve in a higher rank shall be paid at the rate of pay applicable to the title for which assigned for the period so assigned.

B. When serving in a higher rank, no employee shall receive a lesser rate of pay than his present rate of pay. The rate of pay to be received shall be the starting rate for the higher rank to which the employee is assigned or, if the employee's present rate of pay is greater than the starting rate of pay for the higher rank to which the employee is assigned, then the employee shall receive the next rate of pay in the higher rank to which he is assigned which is greater than his present rate of pay.

C. When there is a need for an officer to act in a higher rank for a period of one (1) month or longer, seniority will prevail, unless the Chief of Police specifies a reason why seniority was by-passed.

ARTICLE X

A. Effective April 1, 2017, the salary guide to be paid to the following superior officers shall be increased by 5% for the remainder of 2017, this provision thus takes effect as an increase on April 1 2017, or three months after the contract onset, 0% in 2018, 0% in 2019, 0% 2020 as indicated below.
