THIS AGREEMENT, entered into this day of June ____, 2024 between the TOWNSHIP OF WARREN, a municipal corporation of the State of New Jersey, hereafter referred to as the "Township" or "Employer," and the TEAMSTERS UNION LOCAL 469, hereafter referred to as the "Union," represents the complete and final understanding on all negotiable issues between the Township and the Union relative to those employees represented by the Union.

WHEREAS, it is the intent and purpose of the parties hereto to promote and improve harmonious relations between the Employer and its employees and to establish a basic understanding relative to rates of pay, hours of work and other conditions of employment consistent with the law so that more efficient, productive and progressive public service may be rendered; and

WHEREAS, the Township has an obligation pursuant to N.J.S.A. 34:1-1, et seq., as amended, to negotiate with the Union as the representative of the employees hereinafter designated with respect to the terms and conditions of employment; and

WHEREAS, the parties hereto have carried on collective negotiations for the purpose of developing and concluding a general contract;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained, the parties hereto agree with each other with respect to employees of the employer recognized as being represented by the Union as follows:

ARTICLE I

RECOGNITION

Section 1: Pursuant to N.J.S.A. 34:13A-5.3, the Township recognizes the Union as the sole and exclusive collective negotiating agent with regard to rates of pay, hours of work and other conditions of employment for blue collar employees employed by the Employer in the Warren Township Public Works Department, but excluding all other employees such as craft workers, confidential employees, professionals, police, managerial executives (Superintendent of Public Works and Assistant Superintendent of Public Works) and supervisors within the meaning of the Act. It is understood and agreed that the Employer has the sole and exclusive authority to establish new classifications and set rates of pay for same.

Section 2: This Agreement shall be binding upon the parties and their successors.

ARTICLE 2

MANAGEMENT RIGHTS

Section 1: It is understood and agreed that the Township possesses the sole and exclusive right to conduct its business, to manage and direct the affairs of its departments, to fulfill its lawful obligations and that all management rights repose in it.

The Township hereby retains and reserves unto itself, without limitation, all powers, rights, authorities, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey and of the United States.

It is further understood that all rights of management are retained by the Township unless otherwise specifically restricted by this Agreement. These rights shall include, but shall not be limited to, the right to:

- (a) Direct, supervise and otherwise manage the employees, to maximize efficiency and other matters and to take all reasonable steps to improve productivity of the department;
- (b) Hire, promote, transfer, assign, re-assign, and relieve employees from duties because of lack of work or for other legitimate reasons and to determine their qualifications and conditions for continued employment or assignment;
- (c) Suspend, demote, discharge, or take other disciplinary action for good and just cause.

(d) The executive management and administrative control of the Township government and its properties and facilities and the activities of its employees.

(e) To take all other actions which may be necessary to accomplish the mission of the Township.

Section 2: The exercise of the foregoing powers, rights, authorities, duties or responsibilities of the Township, the adoption of policies, rules, regulations and practices and furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and Laws of New Jersey and of the United States and ordinances of Warren Township.

Section 3: Nothing contained herein shall be construed to deny or restrict the Township of its rights, responsibilities and authority under Title 40 and Title 40A of the New Jersey Statutes or any other applicable national, state, county or local laws or ordinances.

ARTICLE 3

NO STRIKE PLEDGE

Section 1: The parties recognize that the need for continued and uninterrupted operation of the Employer's departments and agencies is of paramount importance to the

citizens of the community and that there shall be no interference with such operations.

Section 2: The Union covenants and agrees that during the term of this Agreement, the Union, its officers, members, agents, principals or any persons acting in its behalf, will not cause, authorize, support or condone or take part in any strike, sympathy strike, slowdown, job action, mass resignation, mass absenteeism, or other similar action which would involve suspension of or interference with normal work performance.

The Union, through its officers, members, agents or principals will actively discourage and will take whatever affirmative steps are necessary to prevent or terminate any strike, sympathy strike, work stoppage, slowdown, walkout, mass resignation, mass absenteeism, or other job action against the Township.

Section 3: The Employer shall have the right to discipline or discharge any or all employees causing or being involved in a strike, slowdown, or any other type of interference with normal work performance. The said action shall be subject to the grievance procedure outlined hereinafter.

Section 4: In consideration of the foregoing, the Employer agrees not to lock out any employee covered under the provisions of this Agreement.

ARTICLE 4

DISCRIMINATION

There shall be no discrimination, interference or coercion by the Township or the Union or its members against any employee on account of race, color, creed, age, sex, national origin, political affiliation, disability, sexual orientation or Union affiliation or nonaffiliation.

ARTICLE 5

SENIORITY

Section 1: A newly appointed employee shall be considered probationary and without seniority.

Section 2: Seniority is defined as an employee's length of service with the Township beginning with the employee's date of hire. Upon satisfactory completion of the probationary period, seniority shall accumulate until there is a break in service.

Section 3: An employee shall be considered to have job classification seniority upon successful completion of the probationary period for that job. Job classification seniority shall accumulate until there is a break in service.

Section 4: A break in continuous service occurs when an employee resigns, is discharged for cause, retires, is laid off beyond the period of recall, or fails to return upon expiration of any leave of absence approved by the Township.

An employee who is recalled after a period of layoff shall be continued retroactively on the seniority list exclusive of the period of layoff.

Section 5: If an employee is promoted but does not successfully complete a one hundred twenty (120) day probationary period, the employee may return to his or her previous job classification. The employee's seniority and job classification seniority will continue to accumulate during such period. The Township has the right to terminate the probation period at any time. Employee has no right to remain in that job beyond the probationary period if the Township desires to remove employee therefrom at the end thereof.

Section 6: In the event of a layoff, recall, transfer or demotion, seniority will prevail within the department, provided the most senior employees have the requisite qualifications and abilities to perform the work available.

Section 7: The Employer shall maintain and post a current seniority list.

ARTICLE 6

PROBATION

Section 1: All newly hired employees shall be subject to a one hundred eighty (180) day probationary period. The purpose of the probationary period is to enable the Employer to evaluate the employee's work performance and conduct in order to

determine whether the employee merits permanent employment status. The Township shall have the right to terminate any employee on probationary status, and such decision to terminate a probationary employee shall not be subject to the grievance procedure or otherwise challenged by the Union.

Section 2: In the event an employee is promoted, he or she will be subject to a one hundred twenty (120) day probationary period in the new job. Employee has no right to remain in that job beyond the probationary period if the Township desires to remove employee therefrom at the end thereof. The Township has the right to terminate the probation period at any time.

ARTICLE 7

B. Promotions. Any job vacancies for those positions covered by this Agreement (except entry level classifications)

will be posted on the bulletin board. The posting will include the title of the job, any required qualifications, the location of the vacancy, pay rates, and hours of work. ARTICLE 8

(2) Notice of layoff will be given at least two (2) weeks before the scheduled layoff, if possible.

(3) A laid off employee with more than one year's seniority shall have recall rights for a period of one year. An employee with less than one year employment, but more than six (6) months, shall have recall rights for six (6) months.

(4) If an employee covered by this Agreement is laid off, he or she may exercise his or her seniority rights to bump the least senior employee, provided such bumping employee possesses the skills and qualifications required to perform the

work to be done in the job he or she is to fill as determined solely by the Superintendent.

(5) The Employer will re-hire laid off employees in the order of greatest seniority, provided the senior employee is qualified to perform the work available to be done.

(6) Notice of recall shall be mailed to the last known address of the employee on layoff, and said employee shall notify the Employer within one (1) week from the date of the notice of recall that said employee intends to return to work for the Township, and said employee must actually return to work within two (2) weeks from the date of the notice of recall. It will be the responsibility of the employee to keep the Township advised in writing of his or her current mailing address, and failure to respond to the recall notice or to report for work within the time limits set forth above shall result in loss of recall and seniority rights unless such time limits are extended for good cause by the Employer.

ARTICLE 9

Section 2: Calculation of Overtime:

- (a) One and one-half (1-1/2) times the employee's regular hourly rate shall be paid for the first eight (8) hours of work performed over forty (40) hours in a work week, provided the employee has worked or been paid for forty (40) hours of work in the work week in question. If an employee has not worked forty (40) hours in the work week, time and one-half (1-1/2) shall not begin until such hours have been worked.

Double time (2) times the employee's regular hourly rate shall be paid for all hours worked in excess of forty-eight (48) hours in a work week, provided the employee has worked or been paid for forty-eight (48) hours in the work week in question. If an employee has not worked forty-eight (48) hours in a work week, double time shall not begin until such hours have been worked.

- (b) Full-time employees shall be paid double time for work on Sundays and holidays

- (d) Overtime calculations shall be based upon a week of Sunday 12:01 a.m. to Saturday at 12:00 midnight.

Section 3: Emergency Snow Removal: After performing four consecutive hours of snow removal work, employees covered hereunder shall be entitled to a paid rest break of one half hour. In the event no eating establishments are open at the time of the said break, the Township shall provide meals which shall normally consist of canned goods for the working employees.

Section 4: For overtime computation purposes only, time within the employee's standard weekly work schedule for which the employee receives pay from the Township for approved absence shall be credited to time worked when computing the work week.

Section 5: All employees shall perform reasonable amounts of overtime, and overtime shall be distributed as equally as possible among employees, taking into account skill levels of employees and other matters determined to be relevant to the Superintendent of Public Works or his designee. The approval of the Public Works Superintendent or his designee must be obtained prior to working overtime.

Section 6: Within a reasonable time after the end of each month, a list will be posted on the Public Works Garage bulletin board setting forth the hours of overtime for each employee for the previous month and the list will remain on the bulletin board until the following month's list is posted. This list will also show all employee overtime refusals or inability of contact with employee as to overtime requests.

Section 7: Employees shall receive a separate payroll check in payment of overtime when the employee's work hours exceed forty-eight (48) hours in any one work week. (Example: Employee works 47 hours in a work week - employee is paid employee's overtime hours in employee's regular payroll check. Employee works 50 hours in a work week - employee is paid for 40

hours in employee's regular payroll check and 10 overtime hours in a separate payroll check).

Section 8: Employees who were employed by the Township in 2010 and who were required to utilize furlough days, shall receive an additional two (2) days of compensatory time in order to compensate them for the furlough days that they gave to the Township in 2010. This is a one-time award of additional compensatory time. These compensatory days are in addition to compensatory time they may otherwise be entitled to and must be used in 2024. They will not accrue or be carried over. The employees entitled to the additional two (2) days of compensatory time are: Joe Bazarnicki, Rich Getz, Jay Green, Ed Otto, Joe Pilla, Gordon Price, Hector Rosa, and Jim Wilson.

ARTICLE 11

Any full-time employee who is called back to work after completing his or her regularly scheduled shift and has punched out and left his or her place of work shall be guaranteed a minimum of three hours of work at time and one-half (1-1/2) pay, provided such hours do not overlap into the employee's regular working hours. Such

employee shall be required to work all hours, in addition to the three hour minimum guarantee, which are required by the employee's supervisor.

ARTICLE 12

RULES AND REGULATIONS/PERSONNEL POLICY

Section 1: The present rules and regulations which address the operation of the various departments and agencies of the Township will remain in effect subject to change by the Township in the future. The Township may establish and enforce reasonable and just rules and regulations in connection with the operation of its departments and the maintenance of discipline.

Section 2: The Employer agrees to advise the Union of any change in work rules or regulations.

Section 3: The Personnel Policy of the Township of Warren, as revised and adopted by the Township by Resolution 2015-142 shall be applicable to all employees and any other rules, regulations or policies enacted by the Township or State of New Jersey unless the same is in conflict with the terms of this Agreement, in which case this Agreement shall take precedence. Modifications to the said Personnel Policy as revised are not subject to this clause if they affect the rates of pay, hours of work and other conditions of employment of the employees covered by this Agreement.

ARTICLE 13

DISCIPLINE AND DISCHARGE

Section 1: The parties agree that nothing contained in this Agreement shall in any way prohibit the Employer from discharging or otherwise disciplining any employee covered hereunder, regardless of seniority or any other reason. Notice of discharge or suspension shall be served upon the Union and the employee involved. All disciplinary actions shall follow the procedure outlined in the Personnel Policy of the Township of Warren as periodically amended.

Section 2: If an employee feels that he or she has been disciplined, discharged or suspended unjustly, said employee, through the Union, shall have the right to file a grievance, which must be in writing, with the Employer within five (5) working days from the time of discipline, discharge or suspension. Said grievance shall be initiated at the second step of the grievance procedure as herein provided. If no grievance is filed within the time period specified, then said discipline, discharge or suspension shall be deemed to be final and binding upon the employee involved, the Union and the Township.

Section 3: Employees covered under this Agreement shall comply with all rules and regulations and shall promptly and efficiently execute the instructions and orders of the Public

Works Supervisor or his designee. If an employee refuses to comply with a rule or regulation, is guilty of insubordination to a superior, refuses to execute promptly and efficiently an instruction or order of his supervisor, or acts improperly, dishonestly, immorally, illegally, or in a way detrimental to the Township of Warren, the Township may discipline the offending employee, which discipline may include suspension or discharge, or any other lawful action.

ARTICLE 14

SICK/INJURY LEAVE

Section 1: "Sick/Injury Leave" means paid leave that may be granted to each full time Township employee who through bona fide sickness or injury becomes incapacitated to a degree that makes it impossible for the employee to perform the duties of his or her position or who is quarantined by a physician because he or she has been exposed to a contagious disease and for other reasons determined by statute.

Section 2: A certificate from a physician designated by the Township or the employee's own physician may, at the Public Works Superintendent's discretion, be required as sufficient proof of the need for sick/injury leave for more than one (1) sick/injury day. The cost of the certificate shall be the employee's obligation.

Section 3: In cases of sick leave due to a contagious disease or exposure to same; a certificate from the Township Department of Health may be required, at the discretion of the Township, before the employee is permitted to return to work. In addition, any employee who is on sick/injury leave for three (3) consecutive days or more must present to the Public Works Superintendent a certificate from his physician or one designated by the Township, substantiating the employee's claim for sick/injury leave and allowing the employee to return to work. The cost of the certificate shall be the employee's obligation.

Section 4: Full time employees shall accumulate sick/injury leave on the following basis:

<u>YEARS OF CONTINUOUS EMPLOYMENT</u>	<u>SICK/INJURY LEAVE</u>
0 to 1 complete year	1 day per 2 months up to a max of 8
1 to 5 complete years	9 days
After 5 years	15 days

Section 5: Sick/injury leave can be accumulated to a maximum of one hundred and twenty (120) days during each employee's length of service. Employees shall be paid for unused sick days at the conclusion of each calendar year in accordance with the Personnel Policy of the Township of Warren. Sick pay out will be made no later than April 1 of each year.

Section 6: An employee must call his or her supervisor before starting time if he or she is sick or injured and unable to report for work on that day. The above call must be made on each consecutive sick/injury day also.

Section 7: Any and all temporary workmens compensation payments and/or disability payments provided through Township funded insurance paid to an employee while the employee is on sick/injury leave shall be turned over to the Township by the employee. The said turnover of monies shall be accomplished so that the same provides the employee with the best tax position which can legally and reasonably be obtained.

Section 8: In order to reduce the amount of working time lost due to sick leave, the Township offers a "sick leave bonus plan" which shall consist of the following benefits. To qualify to participate the employee must have sick time available:

- (a) If an employee covered by this Agreement loses no time from work due to sickness for four (4) consecutive months, he or she shall receive one (1) day off at his or her regular straight time rate, to be taken within the next four (4) consecutive months. Any time taken pursuant to the sick leave bonus plan will not cause an overtime situation within the Public Works Department. For an employee to be eligible to receive a sick bonus day they must have at least five (5) sick days in their bank before they are entitled to a sick bonus day.
- (b) The Township reserves the right, at any calendar year's end, to modify or eliminate this "sick

leave bonus plan" unilaterally, and the exercise of this unilateral right to modify or terminate the "sick leave bonus plan" shall not constitute a re-opening of this Agreement, nor shall it require the Township to negotiate or reach agreement with the Union concerning exercise of this unilateral right of modification or termination.

- (c) If the employee has suffered a major illness but thereafter meets the requirement for a sick day bonus day as stated in 8(a) above, they will be eligible for the sick bonus day. The parties agree that a major illness is an illness lasting at least 30 working days.

Section 9: The Township may require an employee who has been off duty as a result of sickness or injury for a period longer than five (5) consecutive working days to furnish the Township with a physician's certificate that the employee is physically fit and able to resume his or her duties. The Township shall have the right, at its cost, to have such employee examined by a physician of its choice to determine whether or not such employee is able to resume his or her duties and employment. In the event that a conflict exists between the two examinations referenced above, the Township will obtain the services of a third physician, at its cost, acceptable to both employee and Township, to resolve the conflict.

Section 10: In the event an employee misses work for (7) days in any calendar year, the employee will be required to provide the Superintendent of Public Works or his designee with

a physician statement as to the medical reason for such absence before they are permitted to return to work. An employee shall receive credit for any days for which a doctor's note is presented.

ARTICLE 15

HOLIDAYS

Section 1: The Township will designate fourteen (14) paid holidays which will be the same as those granted to the administrative employees of the Township and post the same not later than February 15th each calendar year.

Section 2: The Township can change the date of a holiday.

When a holiday falls on a Saturday, the holiday shall be observed on the preceding Friday.

When a holiday falls on a Sunday, the holiday shall be observed on the following Monday.

Section 3: The employee's birthday holiday shall be taken during the month of the employee's birthday with the approval of the Superintendent of the Department of Public Works. During inclement weather the Superintendent may approve alternate dates.

ARTICLE 16

VACATION

Section 1: Vacation leave shall be computed according to the following schedule:

<u>YEARS OF CONTINUOUS EMPLOYMENT</u>	<u>VACATION DAYS</u>
0 to 1 year	1 day for each two months of service to a maximum of 5 days

After 5 years to 10 complete years	16 days
After 10 years to 15 complete years	21 days
After 16 years to 19 complete years	22 days
After 20 years	25 days

Section 2: Vacation leave cannot be taken for less than a half day period without the approval of the Public Works Superintendent. Half day vacation may only be taken in the afternoon. No half-day morning vacation is permitted. Approval shall not be withheld unreasonably. All vacations must be taken within the vacation calendar year which shall run from January 1st to December 31st and shall not be allowed to accumulate.

Section 3: Vacations are credited in advance in expectation of continued employment, and vacation entitlement shall be pro-rated from January 1st to the date of separation in the calendar year if employment is terminated. Reimbursement must be made in cases where the amount of employment does not

equal the amount of vacation taken within the calendar year. This reimbursement will be deducted from the employee's final paycheck. Any earned vacation which is not taken shall be paid upon separation in accordance with the pro-rated schedule set forth above.

Section 4: An employee shall receive increased vacation in accordance with the next higher applicable level commencing in that calendar year that the employee's employment anniversary falls. Example: Employee hired on May 1, 1991; employee shall be entitled to 16 days vacation as of May 1, 1996, until that date employee shall be entitled to 10 days vacation. Part-time permanent employees shall be entitled to vacation time as set forth in this Article, except that it shall be pro-rated in accordance with the number of hours the employee works during his or her normal work week.

Section 5: Vacation scheduling shall be determined by the Public Works Superintendent consistent with the efficient operation of the department.

Section 6: If a holiday occurs during a vacation period, the employee shall be entitled to an additional vacation day in lieu of the holiday.

Section 7: After twenty-four (24) years of completed service, in lieu of an additional vacation day, the employee shall be eligible to take one (1) personal day.

ARTICLE 17

WAGES

Section 1: The parties recognize the need for continued high quality service to the community and they agree to cooperate with each other to provide this service. In recognition of this pledge of continued high service the Employer agrees to improve the salaries for all employees covered by this Agreement for the calendar years 2023-2026 as follows:

If, during the term of this Agreement, the Township determines that new job classifications be established, or that changes be made in existing job classifications, the parties agree that they will consult with a view to arriving at a mutually acceptable determination prior to such changes being made effective. Should the parties fail to agree, the Township shall have the right to implement such new job classifications or make changes in existing job classifications, subject to the grievance procedure outlined hereinafter.

ARTICLE 19

FEDERAL FAMILY AND MEDICAL LEAVE

Federal Family and Medical Leave Act and New Jersey Family Leave Act shall be applicable to all employees.

ARTICLE 20

JURY LEAVE

Any employee covered by this Agreement who is required to serve on a jury, shall be granted a leave of absence with pay to serve on said jury. During the time that he or she is serving on said jury, the employee shall receive his or her full pay from the Township, less jury pay. If an employee is excused from jury duty by or before 11:00 a.m., he or she shall report to work for the remainder of the workday. An employee receiving a summons for jury duty will provide a copy thereof to the Superintendent of Public Works or the Assistant Superintendent of Public Works within five (5) days of an employee's receipt thereof.

ARTICLE 21

BEREAVEMENT LEAVE

Section 1: All employees covered by this Agreement shall be entitled to leave without loss of pay for all time lost from work from the date of death to and including the day of burial up to a maximum of three (3) days when a death occurs in

the immediate family of the employee. The term "immediate family" is defined to mean husband, wife, child, parent, brother, sister, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparents, grandchildren, stepmother, stepfather, stepbrother and stepsister of a full-time employee covered hereunder. The Superintendent or his designee may grant an increase in the above three (3) day period if he deems, in his sole opinion, that circumstances justify such increase.

Section 2: Full time employees covered by this Agreement shall also be entitled to one (1) workday leave without loss of pay, if needed, to attend the funeral of aunts and uncles.

Section 3: Proof of death of relative shall be provided by the employee requesting leave under this Article.

ARTICLE 22

MILITARY LEAVE

Any full-time employee covered by this Agreement who is a member of the United States Reserves, or State National Guard, and is required to engage in annual active-duty training, shall be granted a leave of absence in accordance with applicable State Law. The said period shall be without pay but shall not be charged as vacation to the employee.

ARTICLE 23

HEALTH BENEFITS

Section 1: The Township agrees to continue to provide medical and surgical insurance for full time employees covered hereunder which includes hospitalization and Major Medical, offered through the State Health Benefits Plan as of April 1, 2008 or equivalent coverage. The Township may substitute other insurance carriers or plans as long as the insurance coverages provided are equal to or better than those presently provided. In the event that an employee utilizes an HMO Plan and the same is more expensive than the standard State Health Benefits Plan offered by the Township, the employee shall reimburse the Township the amount the HMO Plan exceeds the cost of the standard State Health Benefits Plan, as per the direction of the Township Administrator.

Section 2: The Township shall continue to provide a dental plan for employees covered under this Agreement. Dependent dental coverage may be selected by the employee. The cost of dependent coverage will be paid 50% by the employee and 50% by the Township.

Employees with single dental coverage will contribute \$20.00 per month beginning 2023.

Section 3: Each employee shall contribute to the payment of health insurance premiums in accordance with the requirements of Chapter 78 at Tier 4 levels.

New hires as of January 1, 2008 must enroll in Direct 15 or pay the difference for Direct 10 or any HMO.

For the purposes of this contract, Direct 15 is determined to be the standard plan. If, however, the Township changes from the State Health Benefits Plan, or the plan designations are changed by the state, it is agreed that new hires must enroll in the least expensive plan or pay the difference between the least expensive plan and any other plan they choose.

If an existing part-time employee is hired as a full-time employee, for medical insurance purposes, they are considered to be an existing employee. By means of an example, the part-time custodian hired in a laborer position will not be required to enroll in Direct 15 but may select Direct 10 with a contribution.

The Township agrees for the year 2023, that the employee health benefit contribution will be frozen and not increased as a result of the retroactive increase in pay under the terms of this Agreement.

Section 4: For this contract only, in the event any bargaining unit receives a reduction or freeze of their contribution to health insurance premiums during the term of

this contract, the parties agree this is cause to reopen negotiations on that issue.

ARTICLE 24

UNION REPRESENTATIVES

Section 1: The Township recognizes, and shall deal with, the accredited Union Steward in all matters relating to grievances and interpretation of this Agreement. The Union shall advise the Public Works Superintendent or Township Administrator of the name of the said Steward within five (5) days of his or her election.

Section 2: With the consent of the Public Works Superintendent, the Union Steward shall be granted a reasonable amount of time during regular working hours, without loss of pay, to present, discuss and adjust grievances and contract interpretation with the Township, it being understood that grievances shall normally be handled during non-work time except in cases of emergency. No Union representative, or member, shall leave his or her work without first obtaining the permission of the above parties.

Section 3: When Teamsters Local 469 offers a one (1) day training session for shop stewards and/or assistant shop stewards, the Township will pay employee's salary to attend such training up to one (1) day in length, provided no overtime is incurred by employee attending such training. Once trained, the

Township will not pay for additional training for the employee. If trained as assistant shop steward, the Township will not pay for the employee's training if promoted to shop steward.

ARTICLE 25

BULLETIN BOARDS

A bulletin board, or section thereof, for Union information shall be provided by the Township in the Municipal Garage. Nothing shall be posted on the bulletin board without prior approval of the Public Works Superintendent and the Union agrees that it will not post anything of a derogatory nature to the Employer or information which would incite or provoke job action.

ARTICLE 26

TUITION REIMBURSEMENT

The Township agrees to reimburse employees the cost of tuition, as set forth below, for all job-related courses taken, provided the employee has worked for the Township for at least six (6) months and obtains prior approval from the Public Works Superintendent to take such course. Tuition reimbursement, at the following rates, shall be paid upon submission by the employee of proof that the course was completed with a grade "C" or better, or if no grades are given, of satisfactory completion. The Township will reimburse the employee 75% of the employee's costs where the employee attains a grade of "A" or

"B". The Township will reimburse the employee 50% of the said costs where the employee attains a grade of "C" or a "pass" grade in a "pass/fail" graded course.

Persons receiving tuition reimbursement from the Township must remain in the employ of the Township for at least six months after completing the course or said tuition reimbursement shall be repaid to the Township by deducting the amount of said tuition reimbursement from the employee's last paycheck.

ARTICLE 27

ACCESS TO PERSONNEL FOLDERS AND EVALUATIONS

Section 1: An employee shall, within five (5) working days of a written request to the Township Administrator, have an opportunity to review his or her personal folder in the presence of an appropriate municipal official to examine any criticism, commendation or any evaluation of his or her work performance or conduct prepared by the Township during the term of this Agreement.

Section 2: Each regular written evaluation of work performance shall be reviewed with the employee and evidence of this review shall be the required signature of the employee on the evaluation form. Such signature shall not be construed to mean agreement with the content of the evaluation unless such agreement is stated thereon.

ARTICLE 28

CONTRACTING AND SUB-CONTRACTING

The Employer may continue to let subcontracts or enter new subcontracts for the work or services presently performed by or hereafter assigned to employees covered by this Agreement provided that the sole purpose of any such subcontracting shall not be to cause a layoff of employees covered hereunder.

ARTICLE 29

SAFETY AND HEALTH

The Employer and the Union shall each designate a Safety Committee member. It shall be those members' joint responsibility to investigate and recommend how to correct unsafe and unhealthy conditions. They shall meet periodically as necessary to review conditions in general and to make recommendations to either or both parties when appropriate.

ARTICLE 30

GRIEVANCE PROCEDURE

Section 1: Definition: Any grievance or dispute which may arise between the parties involving the application, meaning, violation, misapplication or interpretation of this Agreement, but shall exclude any alleged understanding, practice or other matters outside the terms of this Agreement. All grievances shall be in writing.

Section 2: Procedures:

STEP 1 - Informal - Public Works Superintendent

Within five (5) working days of the time a grievance arises or within five (5) working days of the date when the grievant knew or should have known of its occurrence, the employee will personally (may be accompanied by the Union Steward) present the grievance informally to the Public Works Superintendent. Within three (3) working days after presentation of the grievance, the Public Works Superintendent will render a written decision or answer to the employee with a copy to the Union Steward.

STEP 2 - Formal - Township Administrator

Within five (5) working days of the written decision or answer of the Public Works Superintendent, if the grievance is not resolved, the employee shall file a written grievance with the Township Administrator. The said grievance shall include a complete recitation of the situation complained of and a designation of the section of the contract alleged to have been violated and how the same was specifically violated. The Township Administrator will arrange a meeting with the employee and the Union Steward not later than five (5) working days from his receipt of the grievance to attempt to resolve the same. The Township Administrator shall give a written answer to the

employee, with a copy to the Union Steward, not later than five (5) working days after the said meeting.

STEP 3 - Formal - Township Committee

Within ten (10) working days of the written answer of the Township Administrator, if the grievance is not resolved, the grievance shall be forwarded to the Township Committee. The Township Committee will arrange a meeting at a mutually agreeable time which shall not be later than ten (10) working days after receipt of the grievance. The aggrieved party, the Union Steward, Union Representative and Local Union President shall be entitled to be present at the meeting. The Township Committee shall give a written answer to the grievance within ten (10) working days following the meeting, or within such additional period of time that may be mutually agreed upon. The decision of the Township Committee shall be final and non-appealable.

Section 3: A group grievance, one that may affect a group of employees, may be presented by the Union at Step 2.

Any grievance not processed to the next step in the Grievance Procedure within the time limits provided for such proceeding shall be deemed to have been abandoned by the moving party.

If the Employer does not respond to a grievance within the time periods set forth in the grievance procedure, the Union may advance the grievance to the next step.

It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations until such grievance and any effect thereof have been fully determined.

Section 4: The parties agree that in the event that the Union reasonably finds that the lack of a binding arbitration provision in the present grievance procedure is a practical problem to the employees, the Township agrees to re-open negotiations relative to the addition of that concept to the grievance procedure. No other matter in this agreement, whatsoever, shall be subject to this re-opener. It will be the burden of the Union to show that the present grievance procedure does not allow employees' grievances to be fairly and reasonably resolved. In the event that the Union does not seek to re-open negotiations, as set forth above, on or before December 31, 1996, this Section 4 will be void and of no further effect.

ARTICLE 31

LONGEVITY

Section 1: All full time Township employees, in addition to their annual salary, shall be paid (annualized) with their base pay during each pay period longevity payments based upon the following scale:
