- A. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Department.
- B. 1. The term “grievance” as used herein means an appeal by an individual employee or the Association on behalf of an individual employee or group of employees, from the interpretation, application or violation of policies, agreements and administrative decisions affecting them.
2. No grievance may proceed beyond Step 3 herein unless it constitutes a controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement. This provision does not diminish or waive any employee’s right to obtain relief through any other administrative agency or judicial forum with respect to matters not encompassed by the arbitration process incorporated herein. This shall include the right to file Unfair Practice Charges, Prerogative Writs, and other appropriate actions.
- C. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent:

Step 1: The aggrieved or the Association shall institute action under the provisions hereof within thirty (30) calendar days after the event giving rise to the grievance has occurred, and an earnest effort shall be made to settle the differences between the aggrieved employee and the Borough, in an informal manner with the Chief of Police.

W.

JC19

The Chief of Police shall respond within five (5) days of the initiation of Step 1. Failure to act within said thirty (30) calendar days shall be deemed to constitute an abandonment of the grievance. Any matter involving a monetary issue shall be forwarded to the Borough Administrator for approval.

Step 2: If no agreement can be reached within five (5) calendar days of the initial discussion, the employee of the Association may present the grievance in writing within fifteen (15) calendar days thereafter to the Borough Administrator, or his designated representative. The written grievance at this step shall contain the relevant facts and a summary of the preceding discussion, the applicable section of the contract violated and the remedy requested by the grievant. The Borough Administrator, or his designated representative, will acknowledge receipt of the grievance, by signing and dating the grievance, and answer the grievance in writing within seven (7) calendar days of the receipt of the written grievance.

Step 3: If the Association wishes to appeal the decision of the Borough Administrator, such appeal shall be presented in writing to the Commissioner of Public Safety within ten (10) calendar days thereafter. The Commissioner of Public Safety shall respond to the grievance, in writing, within fourteen (14) calendar days of its submission.

Step 4: If the grievance is not settled through Steps 1, 2, or 3, either party shall have the right to submit the dispute to arbitration pursuant to the Rules and Regulations of the Public Employment Relations Commission within thirty (30) calendar days of the receipt of the response from the Commissioner of Public Safety. The costs for the services of the arbitrator shall be borne equally by the Borough and the Association. Any other expenses, including, but not limited to the presentation of witnesses, shall be paid by the party

V.N. 8C20

incurring the same.

- D. The arbitrator shall be bound by the provisions of this Agreement and the Constitution and Laws of the State of New Jersey, and be restricted to the application of the facts presented to him in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of the Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.
- E. Upon prior notice to and authorization of the Chief of Police, the designated Association representative shall be permitted as members of the grievance committee to confer with the employees and the Borough on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business shall not diminish the effectiveness of the Borough or require the recall of off-duty employees.
- F. The time limits expressed herein shall be adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not appealed to the next succeeding step in the grievance procedure within the time limits prescribed there under, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision any step in the grievance procedure, then the grievance shall be deemed to be denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the grievance at any step in the grievance procedure.

If any employee requires none of or only a portion of such allowable sick leave for any calendar year, the amount of sick leave not taken shall accumulate to his or her credit from year to year, and such employee shall be entitled to such accumulated sick leave, with pay, if and when needed. The Borough may extend sick leave.
- B. An employee absent on sick leave shall report his absence at least two (2) hours prior to the start of his shift except where emergency circumstances prevent the employee from doing so. In those instances, the employee shall report his absence as soon as possible. Employees who normally report to work at eight (8:00) a.m. shall report their absence at least one (1) hour prior to the start of their shift.
- C. The Chief of Police may require a proof of illness of employees on sick leave whenever such requirement appears reasonable. If proof of illness is required of an employee who has used eight (8) or fewer sick days during the calendar year, the Borough shall pay any required fee for the doctor's note not covered by the employee's health insurance. ARTICLE XIX

INJURY LEAVE

- A. 1. In the event an employee becomes disabled by reason of service-connected injury or illness and is unable to perform his duties, then, in addition to any sick leave benefits otherwise provided for herein, he may be entitled to full pay for a period of up to one (1) year.

3. When an employee returns from injury leave, he shall be entitled to a new period of injury leave for a period of up to one (1) year if the employee submits a new injury claim due to an independent event causing reinjury or a new injury.
- B. 1. When an employee requests injury leave, he or she shall be placed on "conditional injury leave" until a determination of whether or not an injury or illness is work related and the employee is entitled to Injury leave is initially made by the Borough's Workmen's Compensation carrier, with the final determination, if necessary, to be made by the Workmen's Compensation Bureau or Court. When and if it is finally determined that the injury or illness is not work related and that the employee is not entitled to job injury compensation, the employee shall be denied injury leave and shall have all time off charged against his or her accumulated sick time and, if necessary, against any other accumulated leave time. If the employee does not have enough accumulated time off, he or she shall be advanced up to 100 days sick time to cover the absence. If the employee retires from the Department in accordance with the N.J. Police and Firemen's Retirement

system, the sick days advance (up to 100 days) by the Borough will be offset in full by the sick days accrued after his return to service from said injury.

If the employee leaves the employ of the Borough for any reason other than retirement prior to reimbursing the Borough for such advanced time, the employee shall be required to reimburse the Borough for such advanced time.
