In the event workers' compensation payments have commenced and are subsequently discontinued by the worker's compensation insurance company, the Township Committee, prior to discontinuing its payments, will serve written notice on the employee of its intended action in sufficient time to allow the employee to meet and *discuss* the reversal with the Township Committee before the proposed action is taken.

In the event that a claim is found not to be job related, it is understood that the employee has the option to use any or all of his accumulated sick leave and vacation leave before receiving any other disability payments available to him.

The Township has the right to receive reimbursement from the employee for any monies expended by it as the result of any fraudulent or misleading claim by taking away any or all sick or vacation leave accumulated by the employee up to the amount owed. ARTICLE XXVIII

Personal Days

An employee will be entitled to 4 days per year. In charging an Employee with Personal days, the smallest unit to be considered is one-quarter $\{1/4\}$ of a working day or two- hours. Personal days may be used in conjunction with vacation days and holidays. Personal days are subject to approval by the Department Head, said approval shall not be unreasonably denied. Every effort will be made to comply with the wishes of the employee. Disagreements for denied days shall be discussed between Hazlet and Union ASAP. Personal days must be used in the year accrued and cannot be carried over to future years.

ARTICLE XXIX

Waiver

Section 1. Except by mutual agreement, the parties agree not to seek, during the term of the Agreement, to negotiate or to bargain with respect to any matters pertaining to rates of pay, wages, hours of employment, or other conditions of employment, whether or not covered by this Agreement or in the negotiations leading thereto, and any rights in that respect are hereby expressly waived.

Section 2. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing only executed by both parties.

ARTICLEXXX

No Strike Pledge

Section 1. The Union covenants and agrees that during the term of this Agreement and during negotiations of a Successor Agreement, neither the Union nor any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty or willful absence of an employee from his position, or stoppage of work, or abstinence in whole or in part from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown or walkout.

Section 2. The Union agrees that it will take all reasonable actions to prevent its members from participating in a strike, work stoppage, slowdown or walkout, including within twenty-four (24) hours of actions publicly disavowing the action, and advising the Employer, in writing, that the Union did not call for or sanction the action. The Union shall also notify the employees of its disapproval of the action and advise them, in writing, to immediately cease and return work immediately.

ARTICLE XXXI

Effect of Legislation - Separability

It is understood and agreed that all agreements herein are subject to all applicable laws now or hereafter in effect, and to the lawful regulations, ruling and orders of regulatory commissions or agencies having jurisdiction. If any provision of this Agreement is in contravention of the laws or regulations of the United States or of the State of New Jersey, such provision shall be null and void, and shall be superseded by the appropriate provision of such law or regulation, so long as same is in force and effect; but all other provisions of this Agreement shall continue in full force and effect.

ARTICLE XXXII

Health Plan Alternative.

Section 1. An employee who declines medical insurance coverage shall be entitled to payment of 1/3 of the premium dollar savings. The Township shall pay the employee the dollars and provide no medical coverage to that employee for one (1) year. Any employee who selects this option must remain out of the plan for one year. However, at the end of the one year period and for each subsequent year thereafter, the employee may opt to return back to the medical plan of the Township. Also, bargaining unit members which elect to opt-out of healthcare coverage may be permitted to re-enroll in less than one year's time, but only for a qualifying event as normally defined under COBRA, only if the Township's carrier permits same, and, only upon the bargaining unit member paying back, on a pro rata basis, any prior pay-out under this Article for the year in which the bargaining unit member seeks to re-enroll. The employee shall notify the Township in writing of his or her decision to decline medical coverage or to return to the Township medical plan during the open enrollment process in November of each year.

Section 2. Notwithstanding the forgoing, N.J.S.A. § 52:14-17.31a, enacted May 21, 2010, mandates that employees who deny medical coverage shall be entitled to 25%, or \$5,000.00, whichever is less, of the amount saved by the Employer because of the employee's waiver of coverage. Under this law, employees can immediately opt back into the medical insurance coverage under certain circumstances and at certain costs. The parties acknowledge the impact of N.J.S.A. § 52:14-17.31a and its binding nature.

ARTICLE XXXIII

Agency Shop and Union Dues.

Agency Shop

Section 1. Purpose of Pee. All eligible non-member employees in this unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

Section 2. Amount of Pee. Prior to the beginning of each contract year, the union will notify the Township in writing of the amount of regular membership dues.

The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the majority representative to its own members less the cost of benefits finances through the dues, fees and assessments and available to or benefitting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

Section 3. Deduction and Transmission of Fee. After verification by the Township that any employee must pay the representation fee, the Township will deduct the fee for all eligible employees in accordance with this Article.

The mechanics of the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the

deduction and transmission of regular membership dues to the Union.

The Township shall deduct the representation fee as soon as possible after the tenth day following reentry into this unit for employees who previously served in a position identified as excluded or confidential, for individuals re-employed in this unit from a re-employment list, for employees returned from leave without pay, and for previous employee members who become eligible for the representation fee because of non-member status.

The Township shall deduct the representation fee from a new employee as soon as possible after thirty (30) days from the beginning date of employment in a position in this unit.

Section 4. Demand and Return System. The representation fee in lieu of dues only shall be available to the Union if the procedures hereafter are maintained by the Union.

The burden of proof under this system is on the Union. The Union shall return any part of the presentation fee paid by the employee which represents the employee's additional pro rata share of expenditures by the Union that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefit available only to members of the majority representative.

The employee shall be entitled to a review of the amount of the representation fee by requesting the Union to substantiate the amount charged for the representation fee. This review shall be accorded in conformance with the internal steps and

procedures established by the Union. The Union shall submit a copy of the Union review system to the Township. The deduction of the representation fee shall be available only if the Union establishes and maintains this review system. If the employee is dissatisfied with the Union's decision, he may appeal to a three-member board established by the Governor.

Section 5. Township Held Harmless. The Union hereby agrees that it will indemnify and hold the Township harmless from any claims, actions or proceedings brought by an employee in the negotiations unit which arises from deductions made by the Township in accordance with this provision. The Township shall not be liable to the Union for any retroactive or past due representation fee for an employee who was identified by the Township as excluded or confidential or in good faith mistakenly or inadvertently omitted from deduction of the representation fee.

Section 6. Legal Requirements. Provisions in this clause are further conditioned upon all other requirements set by statute.

Section 7. Union Dues. The Township agrees to deduct twice monthly from the base pay of each employee, who furnishes a written authorization for such deduction in a form acceptable to the Township, the amount of monthly union dues. Dues shall be per month in such amount as may be certified by the Union to the Township at least thirty (30) days prior to the month in which the deduction of union dues is to be made. Deduction of union dues made pursuant hereto shall be remitted by the Township to the Union by the tenth (10th) day of the month following the calendar

month in which deductions are made, together with a list of employees from whose pay such deductions were made.

The Union agrees to indemnify and hold the Township harmless against any and all claims, suits, orders of judgment brought or issued against the Township with regard to the dues check-off except for any claims that result from negligent or improper acts of the Township or its agent or servants.

The Township will immediately supply the Union a copy of any request to halt dues.

If so, during the life of this Agreement, there shall be any change in the rate of membership dues, the Union shall furnish to the Township written notice prior to the effective date of such change, and shall furnish the Township a certified copy of the Resolution, indicating dues change and the effective date of such changes.

ARTICLE XXXIV **Compensatory Time**

Compensatory Time Policy

Employees will receive overtime compensation for hours worked in excess of forty in a weekly period. Employees may choose compensation in the form of overtime pay at their regular hourly salary or compensating time off. The maximum number of hours that an employee may accrue for future compensating time off is forty hours (5 days). Once this maximum has been accumulated, all additional hours will be compensated by overtime pay. Accrued and taken overtime compensating hours must be noted on the employee's time sheet. Previously scheduled vacation time, sick time, personal time and holiday time are considered time worked for purposes of determining overtime compensation.

Compensatory time shall follow the same policy as Vacation for requesting time off. The supervisor will approve the request if the absence does not cause undue hardship to the department.

All accrued compensatory time as of the effective date of this policy shall remain in the

employees accrued bank. If the number of hours accrued is more than forty hours, employee shall be paid overtime until such accrual falls below forty hours.

Municipal Building Closure: In the event that the Municipal Administrator or Mayor closes the Municipal Building during normal working hours for an emergency for more than 2 hours, employees of under this agreement shall continue to be paid straight time and will be provided compensatory straight time for the hours the building is closed, in excess of 2 hours. This time shall be used within 6 months of the closure and is not included in the above compensatory bank.

ARTICLE XXXV

Duration.

This Agreement shall become effective on the first day of January 2023 and shall continue in full force and effect and expire on the 31st day of December, 2026. If either party desires to amend and/or terminate this Agreement, it shall, at least sixty (60) days prior to the above termination date, give the other party written notice. If no notice is given, this Agreement shall continue in effect from year to year thereafter.

All provisions of the collective negotiations agreement, effective from January 1, 2023 through December 31, 2026, shall remain in full force and effect except as modified by the foregoing.
