This Agreement made this 22 day of December, 2023 between the TOWNSHIP OF HOLMDEL having offices at 4 Crawfords Corner Road, Holmdel, New Jersey (hereinafter referred to as "the Township"), and IAIW LOCAL 1, having offices at 602 Higgins Avenue #182, Brielle, New Jersey, 08730 (hereinafter referred to as "the Union").

ARTICLE 1

Recognition

- A. The Township hereby recognizes the Union as the exclusive negotiating agent as certified by the New Jersey Public Employment Relations Commission for the purposes of collective negotiation, with respect to the terms and conditions of employment of full-time and part-time white collar and Police Department - Public Safety Telecommunication employees of the Township, excluding employees covered under the IUOE Bargaining Unit, uniformed police officers, superior officers, managerial executives, confidential employees and supervisors within the meaning of New Jersey Employers /Employee Relations Act and all other employees.
- B. Working Test Period: Except where State requirements direct otherwise, new employees (or present employees transferring to new positions) will be hired subject to a working test period of 90-Days. During the working test period, the new employee or transferee will be provided with training and guidance from the supervisor. The working test period is intended to give new employees the opportunity to demonstrate their ability to achieve a satisfactory level of performance and to determine whether the new position meets their expectations. The Township uses this period to evaluate employee capabilities, work habits, and overall performance. If the Township decides to terminate an employee at the end of the working test period for unsatisfactory performance, the

Township must provide the employee with written notice via hand delivery or certified mail. The written notice must inform the employee that he or she has the right, within twenty (20) days of receipt of the notice, to request a hearing before the Civil Service Commission. The written notice must be served not more than five (5) working days prior to or five (5) working days following the last day of the working test period. A written notice served after this period creates a presumption that the employee has attained permanent service. N.J.A.C. 4A:2-4.1; N.J.A.C. 4A:4-5.3.

- C. All contractual benefits will begin to accrue immediately for employees in their working test period but cannot be utilized until after permanent status is obtained. Leave time, including sick, personal and vacation time benefits, will begin to accrue immediately during the working test period, but cannot be utilized, except for holidays, until after the successful completion of the ninety (90) day working test period. If work is unsatisfactory, progress reports are required at the end of two months and at the completion of the working test period of 90 days after their date of hire. Employees who are promoted or transferred within the Township must complete a secondary introductory period of the same length with each reassignment to a new position.
- D. In cases of promotions or transfers within the Township, an employee who, in the sole judgment of management, is not successful in the new position can be removed from that position at any time during the secondary probationary period. If this occurs, the employee may be allowed to return to his or her former job, provided the employee had established permanent status in that job, or to a comparable job for which there is an opening, if the employee is qualified.
- E. Benefits eligibility and employment status are not changed during the secondary working test period that results from a promotion or transfer within the Township.

- F. During an employee's initial working test period nothing in the procedure set forth in this section shall alter the Township's at will employment policy.

ARTICLE 2

Dues Check-Off

- A. Upon receipt of a duly signed authorization, the Township shall deduct membership dues and remit dues deducted as directed on the authorization card. The Union will provide the necessary check-off authorization forms and secure the signatures of its members on said forms, and deliver said forms to the designated Township officials as provided for in N.J.S.A. 52:14-15.9(e).
- B. The amount of monthly dues will be certified in writing by a check-off list submitted by the Treasurer of the Union and the amount shall be uniform for all members.
- C. No deduction will be made for any month in which there is insufficient pay available to cover same after all deductions required by law have been made. Deductions for a prior month's dues will not be made in respect to such dues, except where the Township, through error or oversight, failed to make the deduction in any monthly period.
- D. Dues deducted from employees' pay will be transmitted by check as directed as soon as practicable after the deductions have been made, together with a list of names showing employees for whom deductions have been made.
- E. The Union indemnifies, defends and holds the Township harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by the Township in reliance upon the salary deduction authorization cards submitted by the Union to the Township or any action taken by the Township under all sections of this Article.

F. The Township and the Union agree that the Township shall deduct the sum of \$30 per month for Union dues from each Union member of the bargaining unit(s) represented by the Union after attaining thirty (30) days of employment and shall remit the agency shop fee to the Union on a monthly basis. This agency shop agreement shall conform to all provisions of the New Jersey Agency Shop Statute.

Should any appeal from the disposition of a grievance by a representative of the Township not be taken by the Union within the time limits set forth in Section B of this Article, then the grievance shall be considered settled and any further action under the Grievance Procedure shall be forever barred. Any disposition of a grievance accepted by the Union, or from which no appeal has been taken by the Union, shall be final and conclusive and binding upon the employee, the Township and the Union.
