ARTICLE III - GRIEVANCE PROCEDURE

A. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to any problem which may arise affecting the terms and conditions of this Agreement and to resolve grievances as soon as possible so as to assure efficiency and promote employees' morale. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with the Chief of the Department and to adjust the grievance without the intervention of the F.O.P.

B. Definition

The term "grievance" as herein defined means the interpretation, application or violation of policies, agreements and administrative decisions affecting the terms and conditions of employment covered under this Agreement.

C. Steps of the Grievance Procedure

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent. In the grievance procedure, if an answer is not presented in a timely fashion, the grievance shall be deemed denied. If a grievance is not processed by the Association to the next succeeding step, it shall be deemed withdrawn. All days in this procedure set forth below shall be calendar days.

Step One:

a. An aggrieved employee shall institute action under the provisions hereof within thirty (30) days of the date of the occurrence. Failure to act within said thirty (30) days shall be deemed to constitute an abandonment of the grievance. An earnest effort shall be made to settle the grievance informally by the Chief of the Department or his designee.

b. The Chief of the Department, or his designee, shall render a decision within twenty (20) days after his receipt of notice of the grievance.

Step Two:

a. In the event the grievance is not settled through Step One and concerns an alleged violation of the provisions of this Agreement, only, the same shall be reduced to writing by the F.O.P. and signed by the aggrieved and filed with the appointed Appropriate Authority (or the representative) and the Township Administrator within five (5) days following a decision of the Chief of the Department.

b. The appointed Appropriate Authority (or the representative) shall render a decision in writing within ten (10) days from the receipt of the notice of the grievance, with an additional copy of said decision being filed with the Township Administrator and the Director of Human Resources.

c. The copies furnished to the Director of Human Resources under a and b of this section are for the sole purpose of establishing a record of said grievance.

Step Three:

a. In the event the grievance has not been resolved through Step Two, then within five (5) days following the decision of the Appropriate Authority or Township Administrator, the matter may be submitted to the Township Committee.

b. The Township Committee shall review the matter and render a decision within thirty (30) days from the date of the receipt of the grievance.

Step Four:

a. If the grievance is not settled through Steps One, Two or Three as provided herein, either party may refer the matter to the Public Employment Relations Commission within ten (10) days after the decision by the Township Committee. An Arbitrator shall be selected pursuant to the Rules of the Public Employment Relations Commission.

b. However, no Arbitration Hearing shall be scheduled sooner than thirty (30) days after the final decision of the Township Committee. In the event the aggrieved party elects to pursue his/her Appellate rights in accordance with R.S. 40A:14-150, the Arbitration Hearing shall be canceled and the matter withdrawn from Arbitration. The F.O.P. shall pay whatever costs may have been incurred in processing the case to Arbitration.

c. The Arbitrator shall be bound by the provisions of this Agreement and restricted to the application of the facts presented to him involved in the grievance. The Arbitrator shall not have the authority to add, modify, detract from or to alter in any way the provisions of this Agreement or any amendment or supplement thereto. The Arbitrator shall be bound by the laws and cases of the State of New Jersey. The Arbitrator shall set forth his/her findings and conclusions in a written opinion. The decision of the Arbitrator shall be final and binding, subject to applicable law.

d. The costs for the services of the Arbitrator shall be borne equally between the Township and the F.O.P. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.

ARTICLE IV - DISCIPLINARY ACTIONS

ARTICLE VI - DUES DEDUCTION

A. The Township agrees to deduct from the salaries of its employees, subject to this Agreement, dues for the F.O.P. Such deductions shall be made in compliance with Chapter 123, Public Laws of 1974, N.J.S.A. (R.S.) 52:14-15.9e, as amended.

B. A check-off shall commence for each employee who signs a properly dated authorization card, supplied by the F.O.P. and verified by the Township Treasurer during the month following the filing of such card with the Township.

C. If during the life of this Agreement there shall be any change in the rate of membership dues, the F.O.P. shall furnish the Township written notice thirty (30) days prior to the effective date of such change and shall furnish to the Township either new authorizations from its members showing the authorized deduction for each employee, or an official notification on the letterhead of the F.O.P. and signed by the President of the F.O.P. advising of such changed deduction.

D. The F.O.P. will provide the necessary "check-off authorization" form and the F.O.P. will secure the signatures of its members on the forms and deliver the signed forms to the Township Clerk.

E. Any such written authorization may be withdrawn at any time by the filing of notice of such withdrawal with the Township Clerk. The filing of notice of withdrawal shall be effective to halt deductions in accordance with N.J.S.A. 52:14-15.9e as amended. The Township will inform the F.O.P. of any withdrawals filed with the Township Clerk within five (5) working days of such action.

F. The F.O.P. shall indemnify, defend and save the Township harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of

action taken by the Township in reliance upon salary deduction authorization cards as furnished by the F.O.P. to the Township, or in reliance upon the official notification on the letterhead of the F.O.P. and signed by the President of the F.O.P. advising of such deduction.

ARTICLE VII - NO-STRIKE PLEDGE

A. The F.O.P. covenants and agrees that during the term of this Agreement neither the F.O.P. nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty, or willful absence of any employee from his/her position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walkout or other deliberate interference with normal work procedures against the Township.

B. In the event of a strike, slowdown or walkout, it is covenanted and agreed that participation in any such activity by any employee covered under the terms of this Agreement shall be deemed grounds for discipline including possible discharge of such employee or employees. Such discipline is subject to the grievance procedure of this Agreement.

C. The F.O.P. will actively discourage and will take whatever affirmative steps are necessary to prevent or terminate any strike, work stoppage, slowdown, walkout or other deliberate interference with normal work procedures against the Township.

D. The Township of Neptune reserves the right when any members of the Police Department participate in an alleged strike, slow-down, walk-out or job action to order the employees to submit to examination by the Township Physician at Township expense. If it is determined after appropriate investigation that an F.O.P. member participated in a strike, slow-down, walk out or job action, it is covenanted and agreed that participation in such activity shall be deemed grounds for termination of employment of such employee or employees.

E. Nothing contained in this Agreement shall be construed to limit or restrict the Township in its right to seek and obtain such judicial relief as it may have in law or in equity for injunction or damages or both in the event of such breach by the F.O.P. or its members.

ARTICLE VIII - HOURS AND OVERTIME

A. The normal work week for employees shall be an average of forty (40) hours per week.

B. An employee who is required to work longer than his/her regular tour of duty shall be paid for overtime at the rate of time and one-half ($1\frac{1}{2}$) the hourly rate for that rank. In construing such overtime, payments shall be made on the following basis:

1. Up to the first (1st) sixteen (16) minutes - No pay
2. Sixteen (16) through thirty (30) minutes - Forty-five (45) minutes' pay
3. Thirty-one (31) through sixty (60) minutes - Ninety (90) minutes' pay
4. Thereafter, overtime shall be paid in thirty (30) minute segments for all time worked beyond the regular tour of duty. In lieu of cash payment, an employee may opt to receive compensatory time off on a time and one-half ($1\frac{1}{2}$) basis. Such time may be taken only when scheduled by the Chief in order not to interfere with departmental operations.

C. If an employee is recalled to duty, he shall be paid for all hours worked and shall receive a minimum of two (2) hours compensation at time and one-half ($1\frac{1}{2}$), so long as said recall is not contiguous with the employee's work shift.

D. Regularly assigned shifts shall not be altered on less than seventy-two (72) hours' notice, except in the event of an emergency as determined by the Chief of Police or his designee.

E. The hourly rate for the purpose of ascertaining overtime pay is determined as follows:

1. To an employee's annual base salary (set forth in Article XXI, Paragraph A), add the appropriate longevity payment (set forth in Article XXII), the extra holiday compensation set forth in Article X, Section A, and where applicable, add the two thousand two hundred-fifty hundred dollars (\$2,250.00) stipend for detective personnel which shall be added to

and considered a portion of total base salary for pension reporting purposes (set forth in Article XXI, paragraph B) and add the appropriate longevity phase-out payment (set forth in Article XXII).

2. Divide this resulting amount by 2080 hours (40 hours/week for 52 weeks) to yield the hourly rate.

The overtime pay will be the employee's hourly rate as calculated above, multiplied by one and one-half (1½) and further multiplied by the number of overtime hours worked. Overtime pay for a tour of duty is to be included with the paycheck for that period.

F. Any police personnel having received written permission to attend police oriented meetings on their own time, will not receive any compensation or compensatory time off. However, the Chief of Police may grant permission to use a Township vehicle provided one is available and it will not interfere with the normal operations of the Police Department. However, police personnel directed to attend such meetings will either receive permission to use a Township vehicle or an appropriate mileage allowance.

G. 1. In recognition of supervisory hours worked: i.e., pre-lineup time, all Township of Neptune Police Sergeants, Lieutenants and Captains, shall receive fifty-six (56) hours compensatory time off each year. This compensatory time will be referred to as "Supervisory Time" (ST). All Supervisory Time must be utilized as time off within the year it is earned.

2. The fifty-six (56) hours Supervisory Time will be available as of January 1 of the following year. The fifty-six (56) hours Supervisory Time will be pro-rated based upon the on-duty attendance record for each superior officer. Paid sick leave, holidays, paid leaves of absence, personal days and vacation days shall be considered on-duty time for the purposes of this paragraph.

3. Supervisory Time will be requested and authorized in the same manner as personal days (Article X, paragraph C), and within the managerial prerogatives for the efficient operation of the Department, as cited in Article II (Management Rights).

4. Any Supervisory Time earned pursuant to this section must be scheduled to be used by September 1 of the year in which it is to be taken. If such Supervisory Time is not scheduled by September 1, the Township, at its option, can schedule the Supervisory Time to be taken or can pay the employee at the end of the year for said accrued but unused Supervisory Time.

H. Work Schedule

1. It is agreed that the standard weekly work schedule for employees covered by this Agreement requires continuous service throughout the seven (7) day work week (Monday through Sunday). Members of the Police Department not working the Patrol Schedule (Administrative Personnel) shall work a forty (40) hour work week during each two (2) week period.
 - a. Said Patrol Schedule employees shall be given an annual bank of one hundred four (104) hours ("Kelly Time") per year, on a semi-annual and pro-rata basis (January 1 and July 1) to reflect the time assigned to this schedule, to address the additional hours they would potentially work in any year. They will be permitted to use said "Kelly Time" during the calendar year with the written approval of the Chief or designee and the complete understanding that the use of such time will not cause overtime in order to allow for said time off. Kelly Time shall accrue on a monthly basis and be placed in the officers "Kelly Time Bank" for the purposes of scheduling in fifty (50%) percent increments on January 1 and July 1 of each year. Any

officer who utilizes Kelly Time that was not earned as a result of not working the Pitman Schedule for a period of thirty (30) days or more, will have the option of substituting said time off with Vacation Time or Compensation Time. Kelly Time has no cash value and cannot be substituted for additional monetary compensation. F.O.P. Unit members may roll over a maximum of twenty-four (24) hours of Kelly Time each year, to be utilized within the first (1st) quarter of the following year. Unused Kelly Time over and above the twenty-four (24) hour cap will be lost. Officers on paid or unpaid leave shall not earn Kelly Time during the period of leave. Officers using accumulated time (sick, vacation, comp, etc.) for thirty (30) or more calendar days shall have their Kelly Time pro-rated accordingly.

- b. Within the provisions of §1(a) above, Patrol Schedule employees shall work a twelve (12) hour shift with a rotation of two (2) consecutive days on duty, followed by two (2) consecutive days off duty, three (3) consecutive days on duty, followed by two (2) consecutive days off duty and two (2) consecutive days on duty, followed by three (3) consecutive days off duty. The actual shift hours and days they shall work be determined by the Chief.
- c. Any Superior Officer assigned to roles, other than the Patrol Schedule, shall work a four (4) day, ten (10) hour shift or a five (5) day, eight (8) hour shift. The days of the work shall be consecutive. The actual days and hours shall be determined by the Chief on an annual basis and shall be at the sole discretion of the Chief of Police.

- d. Officers assigned to another agency will work an eight (8), ten (10) or twelve (12) hour schedule as described above, as determined at the sole discretion of the Chief of Police.
- e. Effective July 1, 2022, the Chief of Police reserves the right to change the schedule with a minimum of sixty (60) calendar days written notice to the Department. Prior to such a change, the Chief shall conduct a meeting with the F.O.P. and the Police Committee to evaluate and discuss the schedule. If deemed necessary, the schedule change will be forwarded to the Township Committee for endorsement prior to authorizing the notification of the Department of such a change. Such a schedule change would become effective on the January 1 of the year subsequent to the approval of the change.
- f. Irrespective of the provisions of #1e above, which shall remain in full force and effect throughout this Agreement, representative of the Township and the F.O.P. will meet to determine if the schedule is working and if any changes are necessary.

2. Overtime:

- a. For employees working a ten (10) hour work day, overtime will only be paid when the employee exceeds forty (40) hours worked in any week, excluding paid leave time.
- b. Overtime shall be paid to all employees on an hourly rate of time and one half (1½). The hourly rate is to be determined by simply dividing the employee's base salary by two thousand eighty (2,080) hours,

irrespective of whether or not the year is a leap year and regardless which schedule they work.

- c. In lieu of cash payment, a member may opt to receive compensatory time off at the rate of one and one half times ($1\frac{1}{2}$), provided the member has not exceeded their permitted compensation time bank. Such time may be taken only when scheduled by the Chief so as not to interfere with Departmental operations.

ARTICLE IX - VACATIONS

A. Full time employees shall receive vacation with pay in each calendar year per the following schedule:

1. From the beginning of the second (2nd) year of service through the fifth (5th) year of service: eighty-four (84) hours annually;
2. From the beginning of the sixth (6th) year of service through the tenth (10th) year of service: one hundred twenty (120) hours annually;

5. From the beginning of the twenty-first (21st) year of service: One hundred ninety-two (192) working hours annually.

C. Employees terminating their employment with the Township or having their employment with the Township terminated by the Township shall be entitled to be paid for all vacation time accrued but not used on a pro-rated basis, calculated as one-twelfth (1/12th) of the vacation time allotted pursuant to Article IX, Section A for each month of employment during their final year of employment. (As an example, an employee retiring January 1 will not be entitled to a new allotment of vacation time. An employee retiring on February 1 is entitled to one-twelfth (1/12th) of their annual vacation allotment; an employee retiring on July 1 is entitled to one-half (1/2) of their annual vacation allotment.)

D. Vacation time shall be taken only in one-half (1/2) day and one (1) full-day increments.

E. Employees may convert three (3) days per year of vacation time to Kelly Time to be utilized and/or forfeited as described in Article VIII, Section H, Subsection 1a.

A. All Police Officers hired on or prior to December 31, 2020 shall receive ninety-six (96) hours of paid holidays at the rate of time and one-half ($1\frac{1}{2}$) of the Officer's regular daily rate of pay. The total amount due in holiday pay shall be divided by the number of pay periods and the resulting amount added to each paycheck.

B. All Police Officers hired on or after January 1, 2021 shall receive seventy-two (72) hours of paid holidays at the rate of time and one-half ($1\frac{1}{2}$) of the Officer's regular daily rate of pay. The amount due in holiday pay shall be divided by the number of pay periods and the resulting amount added to each paycheck.

C. All Police Department personnel, upon completion of twelve (12) months service, shall be granted thirty-six (36) personal hours off, provided seventy-two (72) hours written notice be submitted to the Chief of Police or his designee. However, a personal day may be granted by the Chief of Police or his designee in an emergency without notice. These personal days shall not be accumulated from year to year. All requests for non-emergent personal days off will be granted within seventy-two (72) hours of receipt of the request. Personal days of any sort must be taken in full day increments.

ARTICLE XI - SICK LEAVE

A. Service Credit for Sick Leave

1. All permanent employees or full-time provisional employees shall be entitled to sick leave with pay based on their aggregate years of service for non-work related causes.

2. Sick leave may be utilized by employees when they are unable to perform their work by reason of personal illness, non-work related accident, or exposure to contagious disease which is non-work related. Sick leave benefits may also be utilized in order to attend a member of the employee's immediate family who is seriously ill. Immediate family shall be defined as the employee's husband, wife, child, stepchild, mother, father, brother, sister, or spouse's mother, father, brother or sister or any family member who regularly resides with the employee.

3. Any absence on account of illness or disability of an employee or member of the employee's immediate family of three (3) days or more must be certified by a written statement from the attending physician. In addition, once an employee utilizes sixty (60) or more sick hours within a calendar year, the employee must submit written verification from an attending physician for all subsequent sick absences.

4. During protracted periods of illness or disability of an employee or a member of the employee's immediate family, the Township may require interim reports on the condition of the patient at weekly or bi-weekly periods, from the attending physician and/or a Township Medical Physician. When under medical care, employees are expected to conform to the instructions of the attending physician if they wish to qualify for salary payment during such period of illness or disability.

5. The use of any sick leave after a retirement application has been submitted will require detailed medical verification, at the expense of the employee. All such sick leaves in excess of one hundred sixty (160) hours shall further require verification of a Township physician, at the expense of the Township. Said verification may be required on an ongoing basis as determined appropriate in the sole discretion of the Township and shall be maintained by the Director of Human Resources and protected pursuant to Health Information Portability and Accountability Act (HIPAA).

B. Amount of Sick Leave

1. Sick leave with pay shall accrue to any full-time employee on the basis of one and one-quarter ($1\frac{1}{4}$) working day per month. 2. Any amount of sick leave allowance not used in any calendar year shall accumulate to the employee's credit from year to year to be used if and when needed.

3. An employee who takes sick leave after he has already worked a portion of the work day, may use one-half ($1/2$) day of his/her sick leave benefits.

4. Effective July 1, 2022, an employee who utilizes in excess of seven hundred twenty (720) hours of sick time in their final year (twelve (12) months) of employment shall have all subsequent sick time utilized deducted from their accumulated sick leave payout, or when such leave exceeds the payout, shall not be paid for sick time utilized in excess of seven hundred twenty (720) hours.

C. Reporting of Absence on Sick Leave

1. Where an employee is to be absent for reasons that entitle him to sick leave, his/her supervisor shall be notified a minimum of one-half (1/2) hour prior to the employee's starting time.

(a) Failure to so notify his/her supervisor prior to employee's starting time may be cause of denial of the use of sick leave for that absence and may constitute cause for disciplinary action.

(b) Absence without notice for three (3) consecutive days shall constitute a resignation.

D. Verification of Sick Leave

1. An employee who shall be absent on sick leave for three (3) consecutive working days shall be required to submit acceptable medical evidence substantiating the illness. The Township shall require proof of illness of an employee on sick leave. Abuse of sick leave shall be cause for disciplinary action.

2. In case of leave of absence due to exposure to contagious disease, a certificate from a Neptune Township physician or public health officer shall be required.

3. The Township may require an employee who has been absent because of personal illness, as a condition of his/her return to duty, to be examined, at the expense of the Township, by a physician designated by the Township. Such examination shall establish whether the employee is capable of performing his/her normal duties and that his/her return will not jeopardize the health of other employees.

E. Bereavement Leave
